## **New Gospel Good News For Christians:**

*Simply Good News* Tom Wright, 2015-03-19 The Gospel means good news but what makes it news If the message has been around for 2 000 years what could possibly be newsworthy about it And what makes it good Surely not the stories we hear of damnation violence and an angry God Tom Wright believes many Christians have lost sight of what the good news of the gospel really is In *Simply Good News* he shows how a first century audience would have received the gospel message what the good news means for us today and how it can transform our lives

**The Good News According to Jesus** Chuck Queen, 2009

**The New Gospel** Eric Bowes, 1988

**Good News of Jesus** L. William Countryman, 1993-02-01 At the heart of Christianity stands the figure of Jesus and the message he embodied the gospel This book seeks to make what is at the heart of the Christian religion available in a new way in our time Many of those who read this book will already have some notion of what the Christian faith is about Professor Countryman therefore writes I fear that the reader will bring to the reading of this book all kinds of assumptions that don t belong here and I have tried to be explicit in rejecting some of these so that I can reintroduce something truer Within the church and outside of it people today are in a period of refocusing and rediscovery asking what is really central to the Christian faith Some claim that today s church has lost its heart if not its soul Countryman sounds a clarion call back to the gospel the good news For in the end he writes we must be prepared to choose the good news over everything else Here then is a fundamental work that has grown out of and been tested in the parish and that has served as a basic text for seminary courses in Foundations of Christian Spirituality L William Countryman is Professor of New Testament at the Church Divinity School of the Pacific Berkeley California and author of *The Language of Ordination Ministry in an Ecumenical Context* also published by Trinity Press

**The Gospel of the Christ** Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

**The Bible and Christianity in the Scientific Perspective** Byung Kook Hwang, 2025-07-31 Korean Christianity must now be reborn as a biblical agape religion of love and life away from the religion of salvation and self love that seeks personal blessing God is love 1 John 4 8 Jesus is the source of life There is life in Jesus Christ John 1 4 and Jesus is the Word of life 1 John 1 1 The core of the Christian faith is faith alone in God and Jesus Christ True Christians must understand the Bible correctly obey and believe in God and live righteously and good according to the Bible and God s will The life of Jesus Christ is the highest

standard of life for people to imitate Christians in Korea should live a life of action in practice according to God's word in the Bible at home and in society They should love one another in deed and truth not just in word or in tongue 1 John 3:18 Only when this agape style life of God's love takes root in Korean society a truly biblical Christian culture will be established in Korea True Christians have freedom in the Lord Jesus Christ and live a life of faith in obedience to God and Jesus Christ refusing to be servants of the world

Jesus, Paul, and the Gospels James D.G. Dunn, 2011-05-03 This compact theological primer from a widely respected scholar offers a well integrated and illuminating approach to a variety of basic issues in the study of the New Testament Provided by publisher
