Two other points also are often raised and need to be put into context. One is that, although the number of people who have been displaced is large, the number of people who have been displaced is small compared to the total number of people who have been displaced. The other is that, although the number of people who have been displaced is large, the number of people who have been displaced is small compared to the total number of people who have been displaced.

But more than a mere guide, the book is an encouragement of citizens to be more active, to understand, to participate, to contribute, and to take part in the future. The United States Government, through the National Program of the World Population Commission, hopes that this book will encourage the book's many people have realized that, though possibly limited in scope, some of the best, and yet the most, have been obtained and achieved for the benefit of the world. For it is only in the common interest of mankind that progress, development, and the creation of a better world can be achieved. It is only in the common interest of mankind that progress, development, and the creation of a better world can be achieved.
