New Hooked Ons A Berkley Medallion:

Battle of the Books Lee Burrell, 1989 Examines increasing censorship in public schools describes the objections that lead to censorship and discusses several case studies The Case for Critical Literacy Alice S. Horning, 2024-08-15 The Case for Critical Literacy explores the history of reading within writing studies and lays the foundation for understanding the impact of this critical yet often untaught skill Every measure of students reading comprehension whether digital or analog demonstrates that between 50 and 80 percent of students are unable to capture the substance of a full discussion or evaluate material for authority accuracy currency relevancy appropriateness and bias This book examines how college level instruction reached this point and provides pedagogical strategies that writing instructors and teachers can use to address the problem Alice Horning makes the case for the importance of critical reading in the teaching of writing with intentionality and imagination while sharing glimpses of her own personal history with reading and writing Horning provides the context for understanding what college faculty face in their classrooms and offers a history of critical literacy that explains why to date it has mostly neglected or ignored the diverse statuses of students reading challenges The Case for Critical Literacy explores actionable options to better meet students literacy needs College and university faculty especially writing instructors will benefit from an understanding of what has happened in the field and what needs to change

Monographic Series Library of Congress, 1977 **Job Corps Education Program Guide** United States. Employment and Training Administration. Office of Youth Programs, 1979 Literature as Exploration Louise M. Rosenblatt, 2014-08-01 Louise Rosenblatt s *Literature as Exploration* has influenced literary theorists and teachers of literature at all levels This attractive trade paperback edition features a new foreword by Wayne Booth a new preface and retrospective chapter by the author and an updated list of suggested readings In *Literature as Exploration* Rosenblatt presents her unique theory of literature and focuses on the immense often untapped potential for the study and teaching of literature in a democratic society The author s philosophy of literature is frequently cited as the first presentation of reader response theory but she differs from her successors in emphasizing both the reader and the text Her transactional theory of literature examines the reciprocal nature of the literary experience and explains why meaning is neither in the text nor in the reader Each reading is a particular event involving a particular reader and a particular text under particular circumstances And teachers of literature Rosenblatt argues play a pivotal role in influencing how students perform in response to a text **Language and Learning** James Britton, 1993 *Language and Learning* is a rich and moving account of how children learn to talk and the role of speech in cognitive development Final Report on Project Challenge National Committee for Children and Youth, 1968 Choosing Books for Young People: 1976-1984 John R.
