Three Views on the Millennium and Beyond Zondervan,2010-08-10 Is there biblical evidence for a thousand year earthly kingdom the Millennium ruled by Christ before the fulfillment of the new heaven and new earth Revelation chapter 20 seems to suggest so but few books of the Bible are so difficult to interpret And a discussion of the Millennium branches out into many other theological questions about the end times eschatology Are these the last days What must happen before Jesus returns What part does the church play This Counterpoints volume compares three views of the Millennium Premillennial Christ will come again before this kingdom is established Postmillennial our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom Amillennial a future Millennium is not a literal kingdom and when Christ returns he will usher in an immediate new heaven and new earth Robert B Strimple Kenneth L Gentry Jr and Craig A Blaising offer their perspectives giving their exegetical reasoning Each of them then responds to the views held by their peers in a respectful and informative setting making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity s great hope the return of Jesus is understood by the church The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Thomas,2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book's meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book's contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursuses on important topics of theological and historical interest     *The History of the Saints* John Coleman Bennett,1842     **Women and the Messianic Heresy of Sabbatai Zevi, 1666 - 1816** Ada

Rapoport-Albert,2015-12-03 A timely and fascinating study of an early modern movement that transcended traditional Jewish gender paradigms and allowed women to express their spirituality freely in the public arena     **Ezekiel 38-48** Stephen L. Cook,2018-01-01 A fresh interpretation of the final major sections of the Hebrew book of Ezekiel chapters 38 48 Stephen L. Cook offers an accessible translation and interpretation of the final sections of Ezekiel These chapters the most challenging texts of scripture describe the end time assault of Gog of Magog on Israel and provide an incredible visionary tour of God's utopian temple Following the approach of Moshe Greenberg the author of the preceding Anchor Yale Bible commentaries on Ezekiel this volume grounds interpretation of the book in an intimate acquaintance with Ezekiel's source materials its particular patterns of composition and rhetoric and the general learned priestly workings of the Ezekiel school The commentary honors Greenberg's legacy by including insights from traditional Jewish commentators such as Rashi Kimhi and Eliezer of Beaugency In contrast to preceding commentaries the book devotes special attention to the Zadokite idea of an

indwelling anthropomorphic body of God and the enlivening effect on people and land of that indwelling     Ministry Digest, Vol. 04, No. 01 Witness Lee, 2022-01-08 In this issue we will continue four lines of ministry The first line The History of the Lord's Recovery contains chapters 15 through 18 of The Recovery of the Church according to the Pattern on the Mountain which are in volume 1 of The Collected Works of Witness Lee 1950 1951 This section includes topics related to the spirit and the mind and being conformed to the image of God's Son The second line Words for New Believers contains chapters 45 and 46 of Crucial Truths in the Holy Scriptures Volume 4 and chapters 47 and 48 of Crucial Truths in the Holy Scriptures Volume 5 all of which are in volume 4 of The Collected Works of Witness Lee 1932 1949 These chapters cover topics related to the service of the new covenant the believers and sins obtaining the reward and entering into the kingdom of the heavens The chapter on entering into the kingdom of the heavens is quite lengthy and it will be continued in subsequent issues of Ministry Digest The third line Maturing in Life contains chapters 21 through 24 of The Kingdom which are in volume 2 of The Collected Works of Witness Lee 1972 These chapters cover the principles of the kingdom and the path from rejection to glory The fourth line The High Peak of the Divine Revelation continues with chapters 38 through 41 of God's New Testament Economy which are in volume 3 of The Collected Works of Witness Lee 1984 This section contains four chapters on the New Jerusalem that cover the throne in the New Jerusalem and the application of the New Jerusalem to the believers including its entry constitution and existence     End Times to 2019 David Montaigne, 2013-01-09 Does the end of the Mayan Calendar start the countdown to Judgment Day Biblical and historical researcher David Montaigne concludes that this is the case He says that the end of the Mayan Long Count is the official start of the Bible's seven year tribulation both were focused on the same astronomical events that occur from 2012 to 2019 The world as we know it will be gone by 2020 Texts from ancient India tell us about great cycles of destruction The Egyptians told the same basic story with different names The Maya reveal another version of the story and were very clear about the timing of events from December 2012 to 2019 Your average American is no expert on these cultures but most people do have a Bible at home and the clearest details on what is about to happen can be found in the Bible if you don't let someone else tell you which parts you should focus on No this isn't what you were taught in Sunday school Religious leaders guide us between the raindrops of curious comments in the Bible We are discouraged from focusing on the parts they say we weren't meant to understand But if we stop glossing over these important passages we will understand a flood of details about the End Times Our leaders are not ignorant of these events The elite already know what is about to happen and they have made preparations most rational people would not believe because evidence is suppressed to avoid chaos They want us to remain ignorant or at least to believe that the details are secrets that cannot be known But the coming events and their timing are not secrets Years ago this book's publication would not have been tolerated by those in power But by now it doesn't matter much their plans are not going to be interfered with at this point Your plans however can still be formulated if you make the choice to understand Topics include Bible Prophecy

Matthew 24 36 Knowing the hour and the day The Mayan Calendar and Mythology Pole Shifts Galactic Superwaves Ancient Egypt Ancient India World Mythology The Georgia Guidestones The real Star of Bethlehem and the exact birthday of Christ Calculating the Second Coming and Judgment Day more **The Apocalypse...** Dr. Jana Jones McDowell, In this book we will take the unique approach and read the Book of Revelation as it was meant to be read That is we will read Revelation exactly as Apostle John wrote it with his Hebraisms and his Jewish writing style Taking into account John s Jewish mindset we will embark on a very different approach to interpreting his Divinely given visions the visions which later came to be compiled into what is now known as the Book of Revelation First we must look at the Book of Revelation in context and realize that it is a letter written in the first century by a Jewish Christ follower who lived in a Roman dominated society where Roman Greek gods were idolized and worshiped With this in mind we need to understand John s mindset being that he thought in Hebrew but wrote in the language of the land which was Greek We also must realize that John s letter was meant for a predominately Jewish audience who may or may not have believed that Jesus was the Jewish Messiah who lived under Roman rule and therefore dominated spiritual and cultural values values that went against those of the Jewish people who worshipped the God of Israel Therefore John s letter to the people of the churches in Asia Minor was very anti Roman Characteristic of ancient Jewish literature was a very unique writing style Thoroughly Jewish John wrote with this 7 characteristic style and the Jewish people were accustomed to reading it What are the implications of interpreting John s letter exactly as he wrote it with its characteristic Jewish style Actually several very different ideas emerge as to both the structure and the timeline of the Book of Revelation creating interpretations that are quite unlike interpretations we may have been exposed to when studying the Bible through traditional methods For instance we will see that the timeline of the Book of Revelation is multidimensional and reiterative which is very different than the typical linear and sequential interpretation we are accustomed to reading and as modern theologians teach We also see that using John s style that the Book of Revelation has a very different structure than is presented in the New Testament as contained in the Bibles of today What if the timeline of the Book of Revelation is not linear and sequential as it has traditionally been read from beginning to end What if the structural divisions of Revelation we are so accustomed to are artificial and not as John originally intended them to be *An Empire of Memory* Matthew Gabriele, 2011-03-24 Beginning shortly after Charlemagne s death in 814 the inhabitants of his historical empire looked back upon his reign and saw in it an exemplar of Christian universality Christendom They mapped contemporary Christendom onto the past and so during the ninth tenth and eleventh centuries the borders of his empire grew with each retelling almost always including the Christian East Although the pull of Jerusalem on the West seems to have been strong during the eleventh century it had a more limited effect on the Charlemagne legend Instead the legend grew during this period because of a peculiar fusion of ideas carried forward from the ninth century but filtered through the social cultural and intellectual developments of the intervening years Paradoxically Charlemagne became

less important to the Charlemagne legend The legend became a story about the Frankish people who believed they had held God s favour under Charlemagne and held out hope that they could one day reclaim their special place in sacred history Indeed popular versions of the Last Emperor legend which spoke of a great ruler who would reunite Christendom in preparation for the last battle between good and evil promised just this to the Franks Ideas of empire identity and Christian religious violence were potent reagents The mixture of these ideas could remind men of their Frankishness and move them for example to take up arms march to the East and reclaim their place as defenders of the faith during the First Crusade An Empire of Memory uses the legend of Charlemagne an often overlooked current in early medieval thought to look at how the contours of the relationship between East and West moved across centuries particularly in the period leading up to the First Crusade
