great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake. It is a major contribution to a more coherent understanding of this fundamental idea. Robert Bellah, Professor of Sociology Emeritus, University of California Berkeley and co-author of *Habits of the Heart*, SAGE Publications is proud to announce the *Encyclopedia of Community*, a major reference work that summarizes the many fascinating and important concepts of a global topic. Community itself is a concept, an experience, and a central part of being human. Whether the reader is a student, researcher, or professional in the field of psychology, sociology, or even economics, this three-volume work will provide the necessary definitions of community beyond traditional views. Arranged in an A to Z fashion, the Encyclopedia can also be viewed topically via a Reader's Guide. This allows for interdisciplinary compare and contrast among topics such as types of communities, social capital, technology, urban life, politics, and law, community design, and global studies. Edited by the award-winning team at Berkshire Reference and assisted by an editorial board of world-renowned scholars, the *Encyclopedia of Community* will prove to be one of the most widely used reference works in your collection.
