D. Patterson, 2013-09-19 In the 1940 s Jules Busch is a poor but independent bachelor who lives in the Little Dixie part of Missouri called Possum Walk Possum Walk is a small agricultural community not a town and it is primitive mud roads no electricity no indoor plumbing wood stoves for heating and cooking and the like The people of Possum Walk work their subsistence farms and only a few can afford tractors Most use horse drawn and hand equipment The depression which is over in certain places still holds a firm grip here The nearest towns Mexico and Centralia are also small Jules leads a somewhat dissolute life and some refer to him as poor white trash Certainly he is so regarded in the community as is his brother and mother He has yearnings however of which he is not fully conscious He is not sure who his father was and even the one who so claimed died before Jules knew him Jules is rejected by the Army for duty in WW II because of a heart murmur He only has a eighth grade education however he is quite intelligent a fact of which he is not initially aware He has two friends John Harrison and Willy Woolf Harrison is a poor but well respected farmer and Woolf own a large property and is the area s rich man Jules roams the country roads on his horse Rhony and wears two revolvers like an old time bad man Most respectable people keep well clear of him at least in public but he seems to have ample lady friends He lives on a small isolated acreage in the middle of forest land owned by Woolf Woolf sold him the property after Jules won a big poker pot Wiley his dog is Jules closest companion and helps protect the property when Jules is away Harrison encourages Jules to give up his destructive ways which include adultery general philandering gambling and drinking This good advice has little effect until Harrison dies and Jules takes a close look at himself and doesn t like what he sees He has promised Harrison to reform sometime and realizes it s now time He listened to Harrison because Harrison always treated him with respect something that few others did Harrison also helped get him out of jail more than once Jules believes he needs to repay his moral debt to John by helping the Harrison family Eloise the mother and Mary Jany and Jimmy the children In particular he believes he needs to advise Harrison s young son Jimmy more or less as John Harrison advised him He begins to clean up his life by dropping a relationship with a married woman Grecia Kuhn and by getting a part time job Along with Uncle Tyrone Harrison s somewhat disreputable hobo brother who arrives after John s death Jules begins to help the Harrison family The Harrison s sell their farm and move to Columbia MO where the children can economically obtain degrees at the University of Missouri

Jules further troubles include the suicide of his brother triggered by the brother and his wife accidentally smothering their baby who slept in their bed In addition the anger of the brothers Heintz and Herman of Klaus Kuhn who Jules has cuckolded causes problems Jules is convinced by Willy Woolf that he needs to further his education as an aid to turning his life around and resolving the moral debts he owes to others and indeed to himself To that end he works to earn a High School Equivalency and then goes to the University of Missouri where he earns a bachelor s degree in physics and eventually a law degree Hard continuous study as well as living in a cosmopolitan for its time town and being judged by students and professors is a difficult adjustment for Jules After graduation Woolf helps him join a law firm in Mexico and Jules takes over the job of working with farmers to assist them with government programs obtaining loans taxes and in other ways He also has the opportunity to aid John Harrison s son and thus square his obliga
