Sparta's First Attic War Paul Anthony Rahe,2019-08-06 A provocative intriguing and cogently argued exploration of the collapse of the Spartan Athenian alliance David Stuttard Classics for All During the Persian Wars Sparta and Athens worked in tandem to defeat what was in terms of relative resources and power the greatest empire in human history For the decade and a half that followed they continued their collaboration until a rift opened and an intense strategic rivalry began In a continuation of his series on ancient Sparta noted historian Paul Rahe examines the grounds for their alliance the reasons for

its eventual collapse and the first stage in an enduring conflict that would wreak havoc on Greece for six decades Throughout Rahe argues that the alliance between Sparta and Athens and their eventual rivalry were extensions of their domestic policy and that the grand strategy each articulated in the wake of the Persian Wars and the conflict that arose in due course grew out of the opposed material interests and moral imperatives inherent in their different regimes Praise for the series Persuasive New York Times Book Review Rahe has an excellent eye for military logistics Wall Street Journal The Complete Home Learning Sourcebook Rebecca Rupp, 1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level **Michelin Green Guide Greece** Michelin, 2012-10-10 Make the most of your trip to Greece with the eBook version of the Green Guide Greece by Michelin Scout out the best attractions with Michelin's famed star rating system from the theater ruins at Dodona to the Acropolis at Athens Explore the Cyclades coastline by sea or walk to the top of Mount Zeus Whether it's shopping for local produce or eating baklava at a taverna Green Guide Greece is the oracle with its dedicated address book expertly researched features suggested walking and driving tours color photos and detailed maps **Encyclopedia of Society and Culture in the Ancient World** Peter I.
