Penguin Guide To England And Wales 199:

The Penguin Guide to the Superstitions of Britain and Ireland Steve Roud, 2006-04-06 Are black cats lucky or unlucky What should you do when you hear the first cuckoo Since when have people believed that it s unlucky to shoot an albatross Why does breaking a mirror lead to misfortune This fascinating collection answers these and many other questions about the world of superstitions and forms an endlessly browsable guide to a subject that continues to obsess and intrigue

Walford's Guide to Reference Material Albert John Walford, Anthony P. Harvey, H. Drubba, 1980 **The New England Village** Joseph S. Wood, 2002-09-24 New England colonists Wood argues brought with them a cultural predisposition toward dispersed settlements within agricultural spaces called towns and villages Rarely compact in form these communities did however encourage individual landholding By the early nineteenth century town centers where meetinghouses stood began to develop into the center villages we recognize today Just as rural New England began its economic decline Wood shows romantics associated these proto urban places with idealized colonial village communities as the source of both village form and commercial success *Ulrich's International Periodicals Directory* Carolyn Farquhar Ulrich, 1999 **Contested Sites** Paul A. Pickering, Alex Tyrrell, 2017-05-15 The second half of the nineteenth century witnessed a new phenomenon in public monuments and civic ornamentation Whereas in former times public statuary had customarily been reserved for warriors and statesmen kings and rulers of men a new trend was emerging for towns to commemorate their own citizens As the subjects immortalised in stone and bronze broadened beyond the traditional ruling classes to include radicals and reformers it necessitated a corresponding widening of the language and understanding of public statuary *Contested Sites* explores the role of these commemorations in radical public life in Britain Despite recent advances in the understanding of the importance of symbols in public discourse political monuments have received little attention from historians This is to be regretted for commemorations are statements of public identity and memory that have their politics they are embedded in complex class gender and power relations that determine what is remembered or forgotten Examining monuments plaques and tombstones commemorating a variety of popular movements and reforming individuals the contributions in *Contested Sites* reveal the relations that went into the making of public memory in modern Britain and its radical tradition **Inequalities in the UK** David Fée, Anémone Kober-Smith, 2017-11-17 This book addresses the question of the extent of and responses to inequalities in the UK in 2017 in the wake of the 2008 Great Recession and provides an up to date account of the distribution of inequalities the evolving ways they are measured addressed as well as the changing perception of inequalities by the general public and policy makers **Back Roads Great Britain** DK Publishing, 2010-02-15 *Back Roads of Ireland* opens with a brief portrait of the country and then moves on to provide all the practical information required to plan a driving vacation how to get there bringing your own vehicle and options for renting and detailed driving advice The main section divides into numbered drives following a logical progression

around the country Each drive features highlights and itinerary spreads for an overview and planning followed by extensive descriptions of each sight and activity with clear driving instructions between A language section at the back of the guide lists essential words and phrases with a particular emphasis on road signs and driving related vocabulary Contested Common Land Christopher P. Rodgers,Eleanor Straughton,Angus J.L. Winchester,Margherita Pieraccini,2012-08-06 This innovative and interdisciplinary book makes a major contribution to common pool resource studies It offers a new perspective on the sustainable governance of common resources grounded in contemporary and archival research on the common lands of England and Wales an important common resource with multiple and often conflicting uses It encompasses ecologically sensitive environments and landscapes is an important agricultural resource and provides public access to the countryside for recreation Contested Common Land brings together historical and contemporary legal scholarship to examine the environmental governance of common land from c 1600 to the present day It uses four case studies to illustrate the challenges presented by the sustainable management of common property from an interdisciplinary perspective from the Lake District Yorkshire Dales North Norfolk coast and the Cambrian Mountains These demonstrate that cultural assumptions concerning the value of common land have changed across the centuries with profound consequences for the law land management the legal expression of concepts of common property rights and their exercise The stakeholders of today are the inheritors of this complex cultural legacy and must negotiate diverse and sometimes conflicting objectives in their pursuit of a potentially unifying goal a secure and sustainable future for the commons The book also has considerable contemporary relevance providing a timely contribution to discussion of strategies for the implementation of the Commons Act of 2006 The case studies position the new legislation in England and Wales within the wider context of institutional scholarship on the governance principles for successful common pool resource management and the rejection of the tragedy of the commons

Victims' Access to Justice Pamela Cox,Sandra Walklate,2022-08-19 Why have many victim centred policy initiatives met with so little success How have those initiatives unfolded differently in different global jurisdictions over different periods of time This book aims to address these questions Building on a major research project exploring victims access to justice over time and place Victims Access to Justice considers the potentialities for victims participation in criminal justice systems and in victim programmes both in historical and comparative context It considers a range of topics ways of identifying and accommodating victims needs and senses of justice the impacts for criminal justice systems of seeking to accommodate these and the ways in which adversarial criminal justice systems in particular may enable or inhibit victim participation This is essential reading for all those engaged in understanding and working with victims of crime **A-Z of Mediation** Marian Roberts,2013-11-28 If you are in search of a concise yet authoritative overview of mediation as a process of dispute resolution then you need look no further Marian Roberts A Z of Mediation succinctly captures the concepts

applications debates and critiques that are shaping this rapidly expanding field Expertly organised into just over 80 entries the book combines theory research and practitioner experience to provide a wealth of insight and analysis The book s unique A Z format makes it an ideal point of reference Numerous cross references are in place to guide you through the material and highlight the field s connecting strands The key classic and contemporary readings are also systematically signposted topic by topic drawn from an extensive multidisciplinary literature Whether you are studying training or already in practice this book provides an invaluable source of clarity as well as a comprehensive map of the field The Neurological Emergence of Epilepsy Vasia Lekka,2014-06-19 This book explores the emergence of epilepsy as a purely neurological disorder in the second half of the nineteenth century It focuses on the world s first neurological hospital the National Hospital for the Paralysed and Epileptic in London and on its leading figure John Hughlings Jackson 1835 1911 Through an analysis of the National Hospital s medical records and a historical account of the course of epilepsy until our time this book presents the nineteenth century turn towards the scientific study of the human brain and the various political social ideological and epistemological implications of this major change In spite of the recent trend of describing the history of mental illness mental patients and psychiatric institutions so far neurology epilepsy and epileptic patients have largely remained outside the scope of social historians historians of medicine and social scientists This book has the ambition to fill that gap

Women's Lives in Medieval Europe Emilie Amt,2013-09-13 Praise for the first edition It is difficult to imagine another book in which one could find all this diverse material and no doubt Amt s collection in its richness and in its genuine clarity and simplicity will takes prominent place in our expanded diversified medieval curriculum a curriculum that takes class gender and ethnicity as central to an understanding of world cultural history The Medieval Review Long considered to be a definitive and truly groundbreaking collection of sources Women s Lives in Medieval Europe uniquely presents the everyday lives and experiences of women in the Middle Ages This indispensable text has now been thoroughly updated and expanded to reflect new research and includes previously unavailable source material This new edition includes expanded sections on marriage and sexuality and on peasant women and townswomen as well as a new section on women and the law There are brief introductions both to the period and to the individual documents study questions to accompany each reading a glossary of terms and a fully updated bibliography Working within a multi cultural framework the book focuses not just on the Christian majority but also present material about women in minority groups in Europe such as Jews Muslims and those considered to be heretics Incorporating both the laws regulations and religious texts that shaped the way women lived their lives and personal narratives by and about medieval women the book is unique in examining women s lives through the lens of daily activities and in doing so as far as possible through the voices of women themselves *Sandscapes* Jo Carruthers,Nour Dakkak,2020-11-03 *Sandscapes* Writing the British Seaside reflects on the unique topography of sand sandscapes and the seaside in British culture and beyond This book brings together creative and critical writings that explore

the ways sand speaks to us of holidays and respite but also of time and mortality of plenitude and eternity Drawing together writers from a range of backgrounds the volume explores the environmental social personal cultural and political significance of sand and the seaside towns that have built up around it The contributions take a variety of forms including fiction and nonfiction and cover topics ranging from sand dunes to sand mining from seaside stories to shoreline architecture from sand grains to global sand movements from narratives of the setting up of bed and breakfasts to stories of seaside decline Often a symbol of aridity sand is revealed in this book to be an astonishingly fertile site for cultural meaning The Built

Environment Transformed Geoffrey Timmins, 2021-12-02 This book is concerned with the remarkable changes made to the built environment in Lancashire s main textile district essentially the eastern and central parts of the county during the Industrial Revolution c1780 c1850 A case study approach is taken with findings from investigations at six different types of site being presented The sites included are water powered mill remains in the Cheesden Valley near Rochdale Barrow Bridge factory village near Bolton the former handloom weavers colony at Club Houses Horwich Preston s Winckley Square Eanam Wharf at Blackburn and to the north of Bolton the road between Bromley Cross and Edgworth The case studies show how in rural and urban areas alike developments in industry housing and transport greatly extended the built environment and brought striking new features to it Emphasis is placed on interpreting the physical evidence the sites provide linking it with that taken from various types of documentary source especially historical maps By making comparisons with developments occurring at similar types of site elsewhere in Britain as well as in Europe and North America the forms the changes took are explained and their significance assessed Additionally insights are provided into the economic and social impact the changes brought especially on the everyday lives that people led **The British Library General Catalogue of Printed Books,**
