Pocket Dictionary of Quotations M. J. Cohen, 2001-07-01 **Pocket Quotations** David Crystal, 2005 The Penguin Pocket Dictionary of Quotations contains thousands of epigrams and bons mots from public figures famous and infamous Arranged alphabetically by speaker and including biographical information this is an invaluable book for readers writers after dinner speakers and trivia addicts Part of Penguin's major new series of reference titles ranging from Spanish and French dictionaries to books on spelling and babies names *The Penguin Dictionary of Quotations* John Michael Cohen, Mark J. Cohen, 1960 *Culture Bumps* Ritva Leppihalme, 1997 This work focuses on translators and readers as participants in the communicative process where the use of allusions is one type of problem to be solved Reader response tests and interviews with professional translators highlight the difficulty in conveying the function and meaning of allusive passages to readers in another culture The many examples discussed also provide materials for translation teachers wanting to address the translation of allusions in their courses *The Penguin Dictionary of Quotations* J. M. Cohen, 2003-01-01 **The Penguin dictionary of quotations**, 1975 **The Penguin Dictionary of Quotations** John Michael Cohen, J.M. and M.J. Cohen Staff, Mark Julian Cohen, 1986 **Dictionaries** Kenneth Whittaker, 1966 Annotated bibliography comprising a directory of dictionaries includes language dictionaries and dictionaries on technical aspects of various industries and contains information on methodology of dictionary usage *The 2,548 Best Things Anybody Ever Said* Robert Byrne, 2003-01-14 An irreverent selection of humorous quotes one liners definitions and quips features words of wisdom from contributors ranging from Goethe to David Letterman on such topics as families philosophy movies and television and education **Reference Books in Paperback: an Annotated Guide** Bohdan S. Wynar, 1972 Annotated bibliography of English language reference books published in paperback includes dictionaries encyclopaedias atlases directories biographies bibliographies general studies etc *The Politics of Proverbs* Wolfgang Mieder, 1997 Demonstrates how proverbs and to a lesser extent proverbial expressions have played a significant role in political life during the 20th century Takes as major examples the speeches and writings of Adolf Hitler Winston Churchill and Harry Truman to show how proverbs can be brought into the service of most any ideology Also traces the use of proverbs and their cartoon analogues during the five decades of Cold War propaganda and proverbial slurs against Native Americans and Asian Americans Paper edition unseen 1995 Annotation copyrighted by Book News Inc Portland OR **Freelance Copywriting**, **Ethnocentrism and the English Dictionary** Phil Benson, 2002-01-08 This unique work challenges the assumption that dictionaries act as objective records of our language and instead argues that the English dictionary is a fundamentally ethnocentric work Using theoretical historical and empirical analyses Phil Benson shows how English dictionaries have filtered knowledge through predominantly Anglo American perspectives The book includes a major case study of the most recent edition of the Oxford English Dictionary and its treatment of China *Reference and Information Services* Richard E. Bopp, Linda C. Smith, 2011-05-23 Reflecting the

dramatic changes shaped by rapidly developing technologies over the past six years this new fourth edition of Reference and Information Services takes the introduction to reference sources and services significantly beyond the content of the first three editions In Part I Concepts and Processes chapters have been revised and updated to reflect new ideas and methods in the provision of reference service in an era when many users have access to the Web In Part II Information Sources and Their Use discussion of each source type has been updated to encompass key resources in print and on the Web where an increasing number of freely available sources join those purchased or licensed by libraries A number of new authors are contributors to this new edition bringing to their chapters their experience as teachers of reference and as practitioners in different types of libraries Discussions of services in Part I integrate digital reference as appropriate to each topic such as how to conduct a reference interview online using instant messaging Boxes interspersed in the text are used to present scenarios for discussion to highlight key concepts or to present excerpts from important documents Discussions of sources in Part II place more emphasis on designing effective search strategies using both print and digital resources The chapter on selection and evaluation of sources addresses the changing nature of reference collections and how to evaluate new types of sources Each chapter concludes with an updated list of additional readings to guide further study A new companion website will provide links to Web accessible readings and resources as well as additional scenarios for discussion and example search strategies to supplement those presented in the text
