Pensees The Thoughts Of Dan Quayle:

Pensees Michael Martone,1994-02-01 **Double-wide** Michael Martone,2007 Collected early fiction of one of Indianas premier writers **Unconventions** Michael Martone,2010-02-25 Unconventions is a quirky and provocative miscellany that reveals Michael Martone s protean interests as a writer and a writing teacher Martone has shall we say a problem with authority His chief pleasure in knowing the rules of his vocation comes from trying out new ways to bend blend or otherwise defy them The pieces gathered in Unconventions are drawn from a long career spent loosening the creative strictures on writing Including articles public addresses essays interviews and even a eulogy these writings vary greatly in form but are unified in addressing the many technical and artistic issues that face all writers particularly those interested in experimental and nontraditional modes and forms Martone s approach has always been to synthesize to understand and use any technique formula or style available I find myself then he writes self identifying as a formalist both and neither an experimenter and or a traditionalist In I Love a Parade An Afterword Martone writes about not fitting in and loving it as he recalls the time he marched alone in a local Labor Day parade as a one person delegation from the National Writers Union Elsewhere in writings formally stylistically purposely at odds with themselves Martone s expansive curiosity is on full display We learn about camouflage techniques how a baby acquires language how to read a WPA era post office mural and why Martone sold his stock in the New Yorker and reinvested his money in the company that makes Etch A Sketch Unconventions then is Martone s Frankensteinian monster a kind of unruly hybrid spawn of the mainstream writing enterprise Writing seems to me an intrinsic pleasure an end in itself first says Martone The question for me is not whether my writing or any piece of writing is good or bad but what the writing is and what it is doing and how finally it is used or can be used by others **Stanley Cavell and Literary Studies** Richard Eldridge,Bernard Rhie,2011-09-22 Arguably no other living philosopher has done as much as Stanley Cavell to show the common cause shared by literature and philosophy Stanley Cavell and Literary Studies is not only timely but indeed long past due As the discipline of literary studies struggles to move beyond the suspicious skepticisms and anti humanisms that have dominated the field but without lapsing into sentimentality and na vet Cavell s writings and ideas will only become more pertinent **Living Blue in the Red States** David Starkey,2007-01-01 Shows what politically progressive creative writers were feeling in the wake of George W Bush s re election This book presents the work of essayists who look beyond the passions of the moment the war in Iraq the rallying of the Right around social issues the Democrats failure in 2004 to the need for unity **International Who's Who in Poetry 2005** Europa Publications,2004 Provides up to date profiles on the careers of leading and emerging poets *The Blue Guide to Indiana* Michael Martone,2001-08 Let Martone guide you through every inch of the amazing state that is home to the Hoosier Infidelity Resort Area the site of Wendell Willkie s Ascension into Heaven and the Annual Eyeless Fish Fry All your questions will be answered including many you never thought to ask like What s a good recipe for Pork Cake **BOOK JACKET**

Brooding Michael Martone, 2018 This collection of more than twenty five essays both meditative and formally inventive considers all kinds of subjects Throughout Martone's words inhabit spaces where the reconnection to people in the past and the metaphors of electronic memory converge
