**Conspiracy of Kindness** Steve Sjogren,2008-02-01 God is seeking to enter the heart of every person on this planet Yet for those who are not gifted evangelists the task of communicating the gospel can seem daunting What if there was another way There is and it s called the conspiracy of kindness Operating on a simple premise this exciting form of servant evangelism enables every follower of Christ from brand new to mature believer to become an effective evangelist through unassuming acts of kindness In this book Steve Sjogren offers a proven vision simple strategy and real life stories that show the amazing impact servant evangelism has had throughout the world Here s how to communicate the love of God more persuasively through actions than with words Learn how churches groups and individuals have used washing windows cleaning toilets handing out sodas and more to impact their communities with the life changing love of Christ Although a simple premise the conspiracy of kindness principle affects both those serving and those being served Are you ready to roll up your sleeves

Winning Others For God: Effective Gospel Sharing Carl Shank,2018-07-25 Effective evangelism Many scholars and theologians and pastors and teachers have sought to deal with the issue of effective gospel witness or biblical evangelism Have we really followed Jesus in the realm of reaching others for Jesus That is the question that drives this new book for effective evangelism in our day      **Organic Outreach for Ordinary People** Kevin G. Harney,2018-05-22 Fulfill One of Your Deepest Longings Every follower of Jesus has a sincere desire to share God s love with others We want to tell friends and family about who Jesus is what he means to us and all he has done for them Deep in our hearts we have a burning passion to pass on the good news we have received But where do we start We want to share our faith but we don t want it to feel awkward uncomfortable or unnatural for them or for us Organic Outreach for Ordinary People will help you shape a personal approach to passing on the good news of Jesus in natural ways This is not a system or a program It s a collection of biblical practices that you can incorporate into your life starting today You can begin right where God has placed you You can share the love and message of Jesus in a way that fits exactly how God has wired you In this practical and easy to read book Kevin Harney offers the tools needed to reach out with God s love in organic ways In these pages you will discover that sharing the good news of Jesus can be as natural as talking about your favorite sports team or telling a friend about a wonderful new restaurant On the golf course over coffee while taking a walk anywhere and everywhere become a bearer of grace Share the amazing love of God Tell the life changing story of Jesus Discover ordinary ways to communicate God s love and the message of salvation naturally      The Fifth Gospel Bobby Conway,2014-08-01 There are five Gospels Matthew Mark Luke John and the Christian But most people never read the first four There are any number of books on how to do

evangelism This book is different it s an invitation to actually live out the message of the gospel Jesus s original intention was for ordinary people like you and me to live lives that point others to the only Person who can give them hope for this life as well as the next to visibly display the Good News of salvation through the Messiah and Redeemer of humankind But many Christ followers today are either ridden with guilt for not telling others about Jesus or so silent that no one really knows they re a Christian The Fifth Gospel will help you wrestle with the critical issues involved in living out your faith in front of a watching and sometimes not so friendly world Isn t it time to become a witness for the One you profess to love Prepare yourself to represent your Savior well and to discover a new way to do evangelism Get ready for God to unleash the gospel through you **LIVING THE LAST WORDS OF JESUS ("YOU SHALL BE MY WITNESSES")** Michael

Bussen,2023-10-13 Living the last words of Jesus is about essential effective and easy or at least easier evangelism for every Christian including us introverts This book seeks to help followers of Jesus become ongoingly good and faithful and fruitful witnesses for Jesus making Him and all in heaven happier and happier as in Luke 15 Also reaching more and more lost souls will bring eternal joys to them and more happiness to you as well as we enter into the joyful heavenly rewards of our wonderful Savior God So hopefully this book helps to make everybody it touches happier especially the Lord Keys For Living a Solid Successful Christian Life Robbie L. Rogers,2024-06-30 A straight forward simple life changing easy to read common sense look at the complexity of today s difficulties according to and surrounding God s Word the Bible and Christianity Did God simply hit the start button on creation and walk away like it sometimes feels He is almost always active with us daily hourly minute by minute Life is beautiful if we allow it to be and we are blessed beyond measure Your success depends on what you truly believe what drives your existence If you work hard enough at what your heart s desire is about it will happen especially if you are working at something in God s name and in His timing Remember God s plans for you existed before you were born So what do you spend your time on Ask God for help in changing the part of you that He dislikes those things that are negative in nature learn to love yourself Beware of distractions piddling deviations from your purposes mostly they are wrong for you to do at that time However sometimes fires do occur and must be put out The distractions I am alluding to come from fragmented thoughts that lead you to deviate from your plan you end up in a room and don t even remember why you are there If something pops up that requires your attention write it down on your to do list Everyone should have such a list but often they also are simply a distraction list that keeps you from what you ought to be doing People within a congregation those on the edge or outside of Christianity and those trying to make some sense out of their career and life experiences in these difficult times while hanging on to Christian principles they believe in need this book Millions of Christians and non Christians alike need more information and guidance for clarity in a confusing world that often conflicts with one s normal Christian values This book helps define how we can keep a firm grasp on what we believe and apply those principles with a new sense of realization in our life and career It is in that mode that it was developed
