

Do Not Cry For Me

Do not cry for me, my love
For I am truly blessed
I sleep in fields of green and gold
My soul is now at rest
And those who I have loved and lost
along life's shining way
Are waiting here with open arms
To welcome me today
Each dawn I see the face of God

So you must surely see
Cry if you must my darling,
But do not cry for me

For the People and Lover's Lane T. Moody,2012-10-19 As a perfect pairing of the journey of life and love For the People and Lovers Lane are grafted together to form one unique collection of lyric poems and short stories Written to expose the unspoken pains joys and uncertainties packaged with life the passages allow each reader to revisit their familiarities about love grief and recovery leaving the reader with a sense of wholeness and contentment To the misunderstood teen mother father wife and husband For the People is our story as it expresses the disappointments and trials that have dictated our decisions The feelings of loss friendships the memories that will forever linger as what ifs in our minds and the promise of success will forever unite us as a people This book was written For the People the human being that dwells in all of us despite being at times oppressed by our minds and shackled in our hearts This book is for you This book is for us When embarking on a journey we hope for smooth travels however as most have experienced journeys have obstacles Each time we overcome an obstacle motivation to continue on envelopes us pushing us to endure The pursuit of happiness is the largest obstacle in the journey of love as love does not always result in happiness and happiness does not always exist with love Lovers Lane takes you through the obstacles leading to the path of happiness As the second piece this has been the most promising work
