The Israeli Third Sector Benjamin Gidron, Michal Bar, Hagai Katz, 2012-12-06 The First Directory of Israeli Researchers published a few years ago revealed for the first time that there were 48 researchers from 11 disciplines in 14 different academic institutions in this small Middle Eastern country It is not surprising therefore that with such intellectual resources Israel can produce year after year social science research of the highest quality such as this first case study of its Third Sector The three authors each with an impressive record of highly regarded sophisticated empirical research were selected to participate in the first of a series of international comparative studies of nonprofit organizations in the mid 1990 directed by Lester M Salamon Director of the Center for Civil Society at Johns Hopkins University in the US This book is an outcome of the analysis of data collected from two main sources The Hopkins Project and the Israeli Third Sector Database recently developed by the Israeli Center for Third Sector Research at Ben Gurion University of the Negev in Beer Sheva Originally part of an international study involving 40 countries in Europe Asia Latin America and the US the first results were published in 1999 in *Global Civil Society Dimension of the Nonprofit Sector* edited by Salamon and his associates It was here that I learned for the first time the extent of the economic importance of the Israeli third sector the subject of this book

Reconciliation and Pedagogy D. Pal S. Ahluwalia, 2012 Reconciliation is one of the most significant contemporary challenges in the world today In this innovative new volume educational academics and practitioners across a range of cultural and political contexts examine the links between reconciliation and critical pedagogy putting forward the notion that reconciliation projects should be regarded as

public pedagogical interventions with much to offer to wider theories of learning While ideas about reconciliation are proliferating few scholarly accounts have focused on its pedagogies This book seeks to develop a generative theory that properly maps reconciliation processes and works out the pedagogical dimensions of new modes of narrating and listening and effecting social change The contributors build conceptual bridges between the scholarship of reconciliation studies and existing education and pedagogical literature bringing together the concepts of reconciliation and pedagogy into a dialogical encounter and evaluating how each might be of mutual benefit to the other theoretically and practically This study covers a broad range of territory including ethnographic accounts of reconciliation efforts practical implications of reconciliation matters for curricula and pedagogy in schools and universities and theoretical and philosophical considerations of reconciliation pedagogy It will be of great interest to students and scholars of peace and reconciliation studies educational studies and international relations

A Liminal Church Maria Chiara Rioli, 2020-08-25 The history of the Palestine War does not only concern military history It also involves social humanitarian and religious history as in the case of the Roman Catholic Diocese of Jerusalem A Liminal Church offers a complex narrative of the Latin patriarchal diocese commonly portrayed as monolithically aligned with anti Zionist and anti Muslim positions during the long year of 1948 Making use of largely unpublished archives in the Middle East Europe and the United States including the recently released Pius XII papers Maria Chiara Rioli depicts a church engaged in multiple and sometimes contradictory pastoral initiatives amid harsh battles relief missions for Palestinian refugees theological reflections on Jewish converts to Catholicism political relations with the Israeli and Jordanian authorities and liturgical responses to a fluid and uncertain

scenario The pieces of this history include the Jerusalem grand mufti's appeal to Pius XII to support the Arab cause the Catholic liturgies for peace and international mobilization during the Palestine War and Suez crisis refugees petitioning the patriarch for aid and Jewish converts establishing Christian kibbutzim New archival collections and records reveal hidden aspects of the lives of women children and other silenced actors faith communities and religious institutions during and after 1948 connecting narratives that have been marginalized by a dominant historiography more focused on military campaigns or confessional conflicts A Liminal Church weaves diocesan history with global history In the momentous decade from 1946 to 1956 the study of the transnational Jerusalem Latin diocese as split between Israel Jordan Egypt and Cyprus with ties to diaspora and religious international networks and comprising clergy from all over the world attests to the possibilities of contrapuntal narratives reintroducing complexity to a deeply and painfully polarized debate exposing false assumptions and situating changes and ruptures in a long term perspective *Hadassah and the Zionist Project* Erica B. Simmons, 2006

Founded to give women a frontline role in the Zionist struggle for statehood Hadassah the Women's Zionist Organization of America first sent public health nurses to Palestine in 1913 Despite clashing with other Zionist organizations as it fought to keep control of its own projects Hadassah grew to be the largest single American Zionist organization in the interwar period Using original historical documents Simmons examines Hadassah's roots in the American Progressive movement and assesses some of the American field tested projects which Hadassah exported to Palestine including visiting nurses school lunches and playgrounds Hadassah chose each project carefully with a view to developing an egalitarian democratic Jewish state Simmons also traces Hadassah's involvement in the Youth Aliyah child rescue movement which saved thousands of youngsters from Nazi occupied Europe as well as from the beleaguered Jewish communities of the Middle East and North Africa In the first decades of statehood Youth Aliyah education tried to make Israelis out of young refugees from all over the world Simmons offers a fresh perspective on Hadassah's place in history and shows for the first time how American Jewish women played a leading role in achieving Zionist goals and shaping the Jewish state The book is distinguished by its historical approach rooted in the analysis of original archival material including publicity brochures newsletters and correspondence as well as the contemporary Zionist and mainstream American press It is intended for students scholars and anyone interested in American Jewish history Israeli history women's studies Jewish women the history of voluntarism philanthropy public health social welfare or child welfare Progressivism the history of Zionism and the development of the State of Israel Diaspora Israel relations Jewish organizations ethnic studies emergence of the welfare state Political Transformations and Teacher Education Programs Miriam Ben-Peretz, Sharon Feiman-Nemser, 2017-11-01 Political transformations have a decisive power to shape education systems in general and teacher education programs in particular How these processes unfold is especially interesting in educational systems which are not generally known to Anglo Saxon educators like Germany Russia or China Several chapters in this volume discuss the impact of statewide political

transformation on teacher education programs Political transformation is one of the important features of societies in the second half of the 20th century Political transformations and changing ideologies are part of the history of teaching and teacher education It is important to be aware of this process in order to keep the accumulated experience of the teaching profession alive and contribute to present day education policy and practice Bringing ideological political perspectives to bear on teacher education can deepen our understanding of the relation between society and teacher education Moreover it highlights the pivotal role that teachers play in any society This volume presents different ways of analyzing teacher education programs through the lens of different ideologies and the influence of societal transformations *The Meeting of Civilizations* Moshe Ma'oz, 2009-10-07 The horrific acts of anti Western and anti Jewish terrorism carried out by Muslim fanatics during the last decades have been labelled by politicians religious leaders and scholars as a Clash of Civilizations This book states that these acts cannot be considered an Islamic onslaught on Judeo Christian Civilisation **Jewish Day Schools, Jewish Communities** Alex Pomson, Howard Deitcher, 2009-02-01 Cross cultural and genuinely comparative this consideration of Jewish day schools around the world reframes day school research and policy making and offers original insights into faith based schooling and the public good Leading Holistically Haim Shaked, Chen Schechter, Alan James Daly, 2018-11-02 Leading Holistically explores systems thinking in educational leadership a comprehensive framework that enables leaders to improve their practice by taking a holistic perspective instead of relying on a one size fits all solution to discrete aspects of their organization Aiming to expand the existing literature on systems thinking in educational leadership and policy renowned educational leadership scholars come together in this valuable book to examine systems thinking at the school district and state national levels providing strategies to guide educators toward success This important book unpacks the complexity and nuances of systems thinking in educational leadership and policy helping educators face the growing complexity change and diversity in education to realize the promise of improvement for all those connected to and involved in the important endeavor of education **Our Mythical Childhood... The Classics and Literature for Children and Young Adults** , 2016-11-01 In The Classics and Children s Literature between West and East a team of contributors from different continents offers a survey of the reception of Classical Antiquity in children s and young adults literature by applying regional perspectives **Politics and Government in Israel** Gregory S. Mahler, 2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel s history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel s geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting

behavior and the machinery of government Mahler also considers Israel s foreign policy setting and apparatus the Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today Resources in Education ,1995-06 Research in Education ,1972-05
