AERO TRADER & CHOPPER SHOPPER, OCTOBER 2002 Causey Enterprises, LLC, Three Days In Nepal Jeandavid Blanc, 2014-02-04 As a child JeanDavid Blanc always dreamt of flying A successful entrepreneur he took up powered paragliding as soon as he had the means at the drop of a hat he would head off to experience the unique sensation of floating over the most remote and breathtaking scenery in the world In January 2011 he left Paris for Nepal for an expedition across the Himalayas During the course of a paragliding flight in Nepal the weather suddenly turned and amid a thick cloud cover he crashed into the face of a mountain Holding on to little more than a bush he realized his situation was precarious but

fortunately the fog prevented him from seeing just how steep and sheer the drop beneath him was He sent an SOS back to camp with his GPS coordinates but the weather was going to make any rescue attempt difficult As he waited for help and tried to adjust to his perilous situation he began to receive text messages on his cellphone from oblivious friends back in Paris What gives you the strength to keep going when you have nothing left What do you say in your last text message to your daughter Three Days in Nepal is by turns thrilling moving nail biting and humorous the tale of a man who was hanging over a precipice facing death in one of the most beautiful places in the world and was determined against all odds to survive and return home
