# Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold

**Alvin Plantinga**

## **Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold:**

**Rationality, Morality, and Self-interest** John Heil,1993 Distinguished philosophers address questions pertaining to the character of human reason and the relation of reason to action and belief *Metaepistemology and Skepticism* Richard A. Fumerton,1995-11-21 In this excellent treatment of the internalism externalism debate in contemporary epistemology Richard Fumerton explores its implications for traditional skeptical concerns When one fully understands these implications Fumerton argues one will see philosophical usefulness of a foundationalism relying on acquaintance Contending that the externalist response to skepticism is too quick and easy Fumerton defends a version of internalism but in doing so puts into stark relief the radically different alternatives for dealing with skepticism that our metaepistemological views force upon us

The Epistemology of Testimony Jennifer Lackey,Ernest Sosa,2006-06-08 Testimony is a crucial source of knowledge we are to a large extent reliant upon what others tell us It has been the subject of much recent interest in epistemology and this volume collects twelve original essays on the topic by some of the world s leading philosophers It will be the starting point for future research in this fertile field Illusions of Paradox Richmond Campbell,1998-04-30 Modern epistemology has run into several paradoxes in its efforts to explain how knowledge acquisition can be both socially based and thus apparently context relative and still able to determine objective facts about the world In this important book Richmond Campbell attempts to dispel some of these paradoxes to show how they are ultimately just illusions of paradox by developing ideas central to two of the most promising currents in epistemology feminist epistemology and naturalized epistemology Campbell s aim is to construct a coherent theory of knowing that is feminist and naturalized *Illusions of Paradox* will be valuable for students and scholars of epistemology and women s studies Rethinking Intuition Michael Raymond DePaul,William M. Ramsey,1998 Ancients and moderns alike have constructed arguments and assessed theories on the basis of common sense and intuitive judgements This volume brings together a group of philosophers and psychologists to discuss these issues It contains a collection of essays discussing intuition from two different perspectives They also cover how psychological research seems to pose serious challenges to traditional intuition driven philosophical enquiry **A Companion to Mill** Christopher Macleod,Dale E. Miller,2018-04-12 This Companion offers a state of the art survey of the work of John Stuart Mill one which covers the historical influences on Mill his theoretical moral and social philosophy as well as his relation to contemporary movements Its contributors include both senior scholars with established expertise in Mill s thought and new emerging interpreters Each essay acts as a go to resource for those seeking to understand an aspect of Mill s thought or to familiarise themselves with the contours of a debate within the scholarship The Companion is a key reference on Mill s theory of liberty and utilitarianism but also provides a valuable resource on lesser known aspects of his work including his epistemology metaphysics and philosophy of language The volume is divided into six sections Part I covers Mill s life his immediate posthumous reputation and his own telling of his life story Part II brings together an accessible and comprehensive summary

of the various influences on Mill's thought Part III offers an account of the foundations of Mill's philosophy and his thought on key philosophic topics Parts IV and V tackle issues from Mill's moral and social philosophy Part VI concludes with a treatment of the broader aspects of Mill's thought tracing his relation to major movements in philosophy *Contemporary Theories of Knowledge* John L. Pollock, Joseph Cruz, 1999-03-18 This exciting new edition of the classic *Contemporary Theories of Knowledge* has been significantly updated to include analyses of the recent literature in epistemology In addition a new case is made for the strong connection between epistemology and artificial intelligence as Pollock and Cruz argue that a necessary condition for the correctness of any epistemological theory is that it be possible to build an implemented artificial intelligence system on the basis of it Like the first edition *Contemporary Theories of Knowledge* Second Edition is an excellent teaching tool introducing the reader to the fundamental issues and approaches in the field of epistemology

**Socializing Epistemology** Frederick F. Schmitt, 1994 In this wide ranging collection of never before published essays distinguished scholars in the fields of philosophy and economics examine such questions as whether testimony is a basic source of knowledge the degree to which notions of a good argument are determined by speakers and their audiences the role of individual biases in the development of science and the social aspects of group belief and group justification The collection ends with the first comprehensive bibliography of social epistemology **Warrant in Contemporary**

**Epistemology** Alvin Plantinga, 1996 Motivated by Plantinga's work fourteen prominent philosophers have written new essays investigating Plantingian warrant and its contribution to contemporary epistemology The resulting collection representing a broad array of views not only gives readers a critical perspective on Plantinga's landmark work but also provides in one volume a clear statement of the variety of approaches to the nature of warrant within contemporary epistemology and to the connections between epistemology and metaphysics Pleasure and the Good Life Fred Feldman, 2004-03-25 Fred Feldman

's fascinating new book sets out to defend hedonism as a theory about the Good Life He tries to show that when carefully and charitably interpreted certain forms of hedonism yield plausible evaluations of human lives Feldman begins by explaining what we mean when we ask what the Good Life is He argues that this should not be taken to be a question about the morally good life or about the beneficial life Rather the question concerns the general features of the life that is good in itself for the one who lives it Hedonism says roughly that the Good Life is the pleasant life After showing that the usual formulations of hedonism are often confused or incoherent Feldman presents a simple clear coherent form of sensory hedonism that provides a starting point for discussion He then considers a webologue of classic objections to hedonism coming from sources as diverse as Plato Aristotle Brentano Ross Moore Rawls Kagan Nozick Brandt and others One of Feldman's central themes is that there is an important distinction between the forms of hedonism that emphasize sensory pleasure and those that emphasize attitudinal pleasure Feldman formulates several kinds of hedonism based on the idea that attitudinal pleasure is the Good He claims that attitudinal forms of hedonism which have often been ignored in the literature are worthy of more

careful attention Another main theme of the book is the plasticity of hedonism Hedonism comes in many forms Attitudinal hedonism is especially receptive to variations and modifications Feldman illustrates this plasticity by formulating several variants of attitudinal hedonism and showing how they evade some of the objections He also shows how it is possible to develop forms of hedonism that are equivalent to the allegedly anti hedonistic theory of G E Moore and the Aristotelian theory according to which the Good Life is the life of virtue or flourishing He also formulates hedonisms relevantly like the ones defended by Aristippus and Mill Feldman argues that a carefully developed form of attitudinal hedonism is not refuted by objections concerning the shape of a life He also defends the claim that all of the alleged forms of hedonism discussed in the book genuinely deserve to be called hedonism Finally after dealing with the last of the objections he gives a sketch of his hedonistic vision of the Good Life

**Pragmatism and Realism** Frederick L. Will, 1997 When historians of philosophy turn to the work of distinguished philosopher Frederick L Will Pragmatism and Realism will be an important part of the discussion In this collection of nine essays Will demonstrates that a social account of human knowledge is consistent with and ultimately requires realism A timely contribution to the current debate the book culminates in a naturalistic account of the generation assessment and revision of cognitive moral and social norms It is written clearly enough for undergraduates and includes a critical introduction by the editor discussing the bearing of Will s views on current debates among analytic epistemologists philosophers of science and moral theorists

**Utilitarianism and the Ethics of War** William H. Shaw, 2016-02-15 This book offers a detailed utilitarian analysis of the ethical issues involved in war Utilitarianism and the Ethics of War addresses the two basic ethical questions posed by war when if ever are we morally justified in waging war and if recourse to arms is warranted how are we permitted to fight the wars we wage In addition it deals with the challenge that realism and relativism raise for the ethical discussion of war and with the duties of military personnel and the moral challenges they can face In tackling these matters the book covers a wide range of topics from pacifism to armed humanitarian intervention from the right of national defense to pre emptive or preventive war from civilian immunity to the tenets of just war theory and the moral underpinnings of the rules of war But what is distinctive about this book is that it provides a consistent and thorough going utilitarian or consequentialist treatment of the fundamental normative issues that war occasions Although it goes against the tide of recent work in the field a utilitarian approach to the ethics of war illuminates old questions in new ways by showing how a concern for well being and the consequences of our actions and policies shape the moral constraints to which states and other actors must adhere This book will be of much interest to students of the ethics of war just war theory moral philosophy war and conflict studies and IR

*The Problem of the Criterion* Robert Amico, 1995-03-28 Selected by CHOICE as an Outstanding Academic Book for 1995

*The Metaphysics and Ethics of Death* James Stacey Taylor, 2013-11 The Metaphysics and Ethics of Death brings together original essays that both address the fundamental questions of the metaphysics of death and explore the relationship between those questions and some of the areas of applied ethics in which

they play a central role      Morality and the Good Life Thomas L. Carson, Paul K. Moser, 1997 Contemporary moral philosophers have produced an enormous amount of rich and varied published work on virtually all the issues falling within the scope of ethics and moral philosophy Morality and the Good Life is a comprehensive survey of contemporary ethical theory which collects thirty four selections on morality and the theory of value Emphasizing value theory metaethics and normative ethics it is non technical and accessible to a wide range of readers Selections are organized under six main topics

- 1 Concepts of Goodness
- 2 What Things are Good
- 3 Virtues and Ethics
- 4 Realism vs Anti Realism
- 5 Value and Obligation
- 6 The Value and Meaning of Life

The text includes both a substantial general introduction featuring explanatory summaries of all the selections and an extensive topical bibliography which enhance the volume's research and pedagogical utility The most up to date and wide ranging survey of its kind Morality and the Good Life is ideal for advanced undergraduate and graduate courses in contemporary ethical theory moral philosophy and theory of value      Knowledge, Belief, and Character Guy Axtell, 2000-04-26 There have been many books over the past decade including outstanding collections of essays on the topic of the ethical virtues and virtue theoretic approaches in ethics But the professional journals of philosophy have only recently seen a strong and growing interest in the intellectual virtues and in the development of virtue theoretic approaches in epistemology There have been four single authored book length treatments of issues of virtue epistemology over the last seven years beginning with Ernest Sosa's Knowledge in Perspective Cambridge 1991 and extending to Linda Zagzebski's Virtue of the Mind Cambridge 1996 Weighing in with Jonathan Kvanvig's The Intellectual Virtues and the Life of the Mind 1992 and James Montmarquet's Epistemic Virtue and Doxastic Responsibility 1993 Rowman Littlefield has had a particularly strong interest in the direction and growth of the field To date there has been no collection of articles directly devoted to the growing debate over the possibility and potential of a virtue epistemology This volume exists in the belief that there is now a timely opportunity to gather together the best contributions of the influential authors working in this growing area of epistemological research and to create a collection of essays as a useful course text and research source Several of the articles included in the volume are previously unpublished Several essays discuss the range and general approach of virtue theory in comparison with other general accounts What advantages are supposed to accrue from a virtue based account in epistemology in handling well known problems such as Gettier and Evil Genie type problems Can reliabilist virtue epistemology handle skeptical challenges more satisfactorily than non virtue centered forms of epistemic reliabilism Others provide a needed discussion of relevant analogies and disanalogies between ethical and epistemic evaluation The readings all contribute to our understanding of the relative importance for a theory of justified belief of the reliability of our cognitive faculties and of the individual's responsibility in gathering and weighing evidence Highlights of the readings include direct exchanges between leading exponents of this approach and their critics In addition the volume includes contributions from feminist writers who offer a reassessment of the intellectual virtues from within their own research paradigm      **The Nature**

**of Meaningfulness** Robert K. Shope, 1999 Shope presents a unified perspective on meaningfulness spanning such varied topics as the meaningfulness of linguistic expressions and conventional signs Freud's conception of the meaningfulness of various mental phenomena and instances of behavior a person's meaning to do something meaning in the arts and even life's having a meaning Shope's perspective is based upon a constitutive analysis of what it is for one item to represent another Criticizing the views of philosophers who attempt to analyze such representing in causal terms or merely in epistemological terms he shows that a successful analysis needs to invoke both types of considerations

**Self-Interest and Beyond** David M. Holley, 1999-09 Holley philosophy and business ethics U of Southern Mississippi moves beyond Socrates question How ought we to live and asks How do we go about becoming a self that is worth becoming often showing the superficiality of much of what is considered valuable in the process Using classical and contemporary philosophical ideas and stories from literature and film he argues that in order to live a desirable life a person must move beyond simple self interest This book is intended for readers without formal philosophical training encouraging an audience inundated with self help literature to see how to give self interested thinking its due while enlarging the field of awareness to incorporate other factors Annotation copyrighted by Book News Inc Portland OR

Well-being and Consequentialism David Sobel, 1997

**Death, Posthumous Harm, and Bioethics** James Stacey Taylor, 2012 Death Posthumous Harm and Bioethics offers a highly distinctive and original approach to the metaphysics of death and applies this approach to contemporary debates in bioethics that address end of life and post mortem issues Taylor defends the controversial Epicurean view that death is not a harm to the person who dies and the neo Epicurean thesis that persons cannot be affected by events that occur after their deaths and hence that posthumous harms and benefits are impossible He then extends this argument by asserting that the dead cannot be wronged finally presenting a defence of revisionary views concerning posthumous organ procurement

If you ally obsession such a referred **Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold** books that will give you worth, acquire the unquestionably best seller from us currently from several preferred authors. If you want to comical books, lots of novels, tale, jokes, and more fictions collections are also launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every book collections Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold that we will unquestionably offer. It is not approaching the costs. ## **Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold Introduction**

In today's digital age, the availability of Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization

that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold books and manuals for download and embark on your journey of knowledge?

### **FAQs About Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold Books**

**What is a Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold PDF?** Editing a PDF can be done with

software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rationality Morality And Self Interest Essays Honoring Mark Carl Overvold PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
