**Geoffrey Hunt, Molly Moloney, Kristin  
Evans**

## **Rave Culture An Insiders Overview:**

Rave Culture Jimi Fritz, 1999      **Rave Culture and Religion** Graham St John, 2004-06 Vast numbers of western youth have attached primary significance to raving and post rave experiences This collection of essays explores the socio cultural and religious dimensions of the rave raving and rave derived phenomena      *Victor Turner and Contemporary Cultural Performance* Graham St. John, 2008 In the twenty years following Victor Turner s death interventions on the interconnected performance modes of play drama and community dimensions of which Turner deemed the limen and experimental and analytical forays into the anthropologies of experience and consciousness have complemented and extended Turnerian readings on the moments and sites of culture s becoming Examining Turner s continued relevance in performance and popular culture pilgrimage and communitas as well as Edith Turner s role the contributors reflect on the wide application of Victor Turner s thought to cultural performance in the early twenty first century and explore how Turner s ideas have been re engaged renovated and repurposed in studies of contemporary cultural performance      **Youth Cultures in America** Simon J. Bronner, Cindy Dell Clark, 2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems

**Youth, Drugs, and Nightlife** Geoffrey Hunt, Molly Moloney, Kristin Evans, 2010-01-21 Youth Drugs and Night Life examines the relationships between the electronic dance scene and drug use for young ravers and clubbers today Based on over 300 interviews with ravers DJ s and promoters Hunt Moloney and Evans examine the different social groupings that make up the scene The authors explore the accomplishment of gender sexuality and Asian American ethnic identity and critically analyze the negotiation of risk and pleasure within the world of raves and dance clubs We learn about young ravers and clubbers frustrations with recent attempts to control clubs and raves and their skepticism about official pronouncements on the dangers of ecstasy and other drugs in this book that pivots between the local the national and the global in its approach      **The Routledge Companion to Religion and Popular Culture** John C. Lyden, Eric Michael

Mazur,2015-03-27 Religion and popular culture is a fast growing field that spans a variety of disciplines This volume offers the first real survey of the field to date and provides a guide for the work of future scholars It explores key issues of definition and of methodology religious encounters with popular culture across media material culture and space ranging from videogames and social networks to cooking and kitsch architecture and national monuments representations of religious traditions in the media and popular culture including important non Western spheres such as Bollywood This Companion will serve as an enjoyable and informative resource for students and a stimulus to future scholarly work

**Altering Consciousness** Etzel Cardeña,Michael J. Winkelman,2011-05-18 This authoritative multidisciplinary overview of altered states of consciousness ASC shows how their study is necessary to gain a fundamental understanding of human culture history and biology Altered consciousness is one of humanity s most mystical and life altering aspects These remarkable changes in mental state have understandably been a topic of general interest and scientific inquiry across time Beyond simply satisfying our curiosity however studies focused upon altered consciousness can also bring valuable insights into our experience biology and culture This unprecedented two volume set will intrigue anyone interested in psychology biology and neurology science history arts and the humanities and literature on consciousness from general readers to scholars and researchers An impressive collection of international contributors address altered states of consciousness from the perspectives of history evolution psychology culture literature human biology contemporary science and society seeking to illuminate the causes effects and meanings of altered consciousness The first volume provides an introduction and centers on the importance of altered states in history culture and the humanities while the second volume presents biological and psychological perspectives on altered consciousness and examines their potential for healing and pathology Breaking the Silos Ofra Walter,Phil Fitzsimmons,Jonathan Kasler,Surekha Routray,2024-08-20 This book offers a new look at well being from a multidisciplinary standpoint Research from industry clearly indicates that factors such as creativity critical awareness well being interdisciplinary understanding of positive psychology and the ability to form strong relationships will determine the viability of organizations as collectively we enter the second half of the twenty first century Thus a sound understanding of how these facets become melded into entrepreneurship the workplace environment and creative innovation is a requirement for individuals in the workplace With a dearth of information about these facets as individual components and as a collective whole this book draws these elements of overall well being into a multidisciplinary focus Thus with chapters covering diverse fields such as philosophy education economics mathematics and medicine the book offers a fresh approach to how positive psychology impacts entrepreneurship *What Matters?* Courtney Bender,Ann Taves,2012-05-08 Over the past decade religious secular and spiritual distinctions have broken down forcing scholars to rethink secularity and its relationship to society Since classifying a person activity or experience as religious or otherwise is an important act of valuation one that defines the characteristics of a group and its relation to others scholars are struggling to recast these

concepts in our increasingly ambiguous pluralistic world This collection considers religious and secular categories and what they mean to those who seek valuable ethical lives As they investigate how individuals and groups determine significance set goals and attribute meaning contributors illustrate the ways in which religious secular and spiritual designations serve as markers of value Reflecting on recent ethnographic and historical research chapters explore contemporary psychical research and liberal American homeschooling the work of nineteenth and early twentieth century American psychologists and French archaeologists the role of contemporary humanitarian and volunteer organizations based in Europe and India and the prevalence of highly mediated and spiritualized publics from international psy trance festivals to Ghanaian national political contexts Contributors particularly focus on the role of ambivalence attachment and disaffection in the formation of religious secular and spiritual identities resetting research on secular society and contemporary religious life while illuminating what matters in the lives of ordinary individuals      The History of MDMA Torsten Passie,Udo Benzenhöfer,2023

The history of MDMA starts as a story of rivalry between pharmaceutical companies looking to circumvent a patent for the synthesis of medically significant substances at the beginning of the 20th century However to begin we will take a closer look at two claims repeatedly made about the earliest history of MDMA      **Fight, Flight, or Chill** Brian Wilson,2006-03-23 Fight Flight or Chill explores the extent to which raver youths experiences are constrained or determined by individualistic high tech mass mediated Western culture in which alienated and unfulfilled youth are apparently more at risk for escapist and thrill seeking behaviours Wilson considers how raver youth creatively and proactively subvert these constraints in novel and empowering ways from political activism to symbolic and stylistic expressions of resistance to community building efforts He also discusses the globalization and political economy of rave and youth culture and examines the ideologies that underlie simple solutions to the complex concerns over young people today      **Sacred Matters** Associate Professor of American Religious History and Culture Gary Laderman,Gary Laderman,2011-02 Widely praised in hardcover as a fascinating and important addition to religious and cultural studies Sacred Matters reveals the remarkable ways that religious practices permeate American cultural life In a country where references to God are as normal as proclaiming love of country support for the military or security for the nation s children religion scholar Gary Laderman casts his eye over our deeply hidden spiritual landscape questioning whether our conventional views even begin to capture the rich and strange diversity of religious life in America A compelling read Sacred Matters shows that genuinely religious practices and experiences can be found in the unlikelyst of places in science laboratories and movie theaters at the Super Bowl and Star Trek conventions and in Americans obsession with prescription drugs and pornography When devoted fans make a pilgrimage to Graceland because of their love for Elvis Laderman argues their behavior doesn t just seem religious it is religious enacting a well known ritual pattern toward saints in the history of Christianity In a dramatic reframing of what is holy and secular Sacred Matters makes a powerful and illuminating case that religion is everywhere and that we have barely begun to reckon with its

hold on our cultural life      **The SAGE Handbook of Popular Music** Andy Bennett, Steve Waksman, 2015-01-19 The SAGE Handbook of Popular Music is a comprehensive smartly conceived volume that can take its place as the new standard reference in popular music The editors have shown great care in covering classic debates while moving the field into new exciting areas of scholarship International in its focus and pleasantly wide ranging across historical periods the Handbook is accessible to students but full of material of interest to those teaching and researching in the field Will Straw McGill University Celebrating the maturation of popular music studies and recognizing the immense changes that have recently taken place in the conditions of popular music production The SAGE Handbook of Popular Music features contributions from many of the leading scholars in the field Every chapter is well defined and to the point with bibliographies that capture the history of the field Authoritative expertly organized and absolutely up to date this collection will instantly become the backbone of teaching and research across the Anglophone world and is certain to be cited for years to come Barry Shank author of *The Political Force of Musical Beauty* 2014 The SAGE Handbook of Popular Music provides a highly comprehensive and accessible summary of the key aspects of popular music studies The text is divided into 9 sections Theory and Method The Business of Popular Music Popular Music History The Global and the Local The Star System Body and Identity Media Technology Digital Economies Each section has been chosen to reflect both established aspects of popular music studies as well as more recently emerging sub fields The handbook constitutes a timely and important contribution to popular music studies during a significant period of theoretical and empirical growth and innovation in the field This is a benchmark work which will be essential reading for educators and students in popular music studies musicology cultural studies media studies and cultural sociology      **Restless** David J. Gillard, 2022-01-06 Why do many popular songs positively reference God if our culture is widely viewed as secular Why is it a challenge to tell the Christian story when many say they are spiritual and believe in God Why do we draw so much meaning from the popular songs we listen to And might a deeper understanding of popular music culture help us to explore the bigger stories we listen to throughout our lives such as the Christian story Primarily using Zygmunt Bauman's understanding of liquid modernity we look at the social forces that shape Western society and consider why while many are looking for authentic ontologically based stories to understand their life experiences historic providers of the big stories that shape our lives such as the church favor a different epistemological way of telling them How do these different approaches to storytelling affect their reception and what insight might we draw from that Whilst this book is written primarily with those in Christian ministry in mind it will be of interest too to those who use music to explore life experiences through their work who are interested in the social forces that shape society or who simply enjoy listening to popular music      **Fields in Motion** Dena Davida, 2011-10-01 *Fields in Motion* Ethnography in the Worlds of Dance examines the deeper meanings and resonances of artistic dance in contemporary culture The book comprises four sections methods and methodologies autoethnography pedagogies and creative processes and choreographies as cultural and

spiritual representations The contributors bring an insiders insight to their accounts of the nature and function of these artistic practices giving voice to dancers dance teachers creators programmers spectators students and scholars International and intergenerational this collection of groundbreaking scholarly research points to a new direction for both dance studies and dance anthropology Traditionally the exclusive domain of aesthetic philosophers the art of dance is here reframed as cultural practice and its significance is revealed through a chorus of voices from practitioners and insider ethnographers

**Designer Drugs** Edna McPhee,2016-12-15 The use of designer drugs such as LSD Ecstasy and methamphetamines is unfortunately widespread among young adults particularly in club or party settings These drugs are especially risky because they are made in batches in individual home labs so there is no way to tell how much of any dangerous substance was used in their creation Readers learn the risks associated with using many of these designer drugs The accessible text complemented by full color photographs and in depth sidebars gives them the facts they need to make safe choices

**Unlocking the Groove** Mark Jonathan Butler,2006 The first music driven analysis of electronic dance music

**Call Me the Seeker** Michael J. Gilmour,2005-06-24 One of very few books on religion and popular music Covers a wide range of musical styles from heavy metal and rap to country jazz and Broadway musicals The essays are written by academics and informed by their enthusiasm for the music Many books have explored the relationship between religion and film but few have yet examined the significance of religion to popular music Call Me The Seeker steps into that gap Michael Gilmour s introductory essay gives a state of the discipline overview of research in the area He argues that popular songs frequently draw from and interpret themes found in the conceptual and linguistic worlds of the major religions and reveal underlying attitudes in those who compose and consume them He says these texts deserve more serious study The essays in the book start an on going conversation in this area bringing a variety of methodologies to bear on selected artists and topics Musical styles covered range from heavy metal and rap to country jazz and Broadway musicals

**Contemporary Popular Music Studies** Marija Dumnić Vilotijević,Ivana Medić,2019-02-20 This is the second volume in the series that documents the 19th edition of the biennial conference of the International Association for the Study of Popular Music The volume contains contributions on the variety of musical genres from all over the world Authors engage with the role of popular music in contemporary music education as well as definitions and conceptualizations of the notion of popular in different contexts Other issues discussed in this volume include methodologies the structure and interpretations of popular music scenes genres and repertoires approaches to education in this area popular music studies outside the Anglophone world as well as examinations of discursive and technological aspects of numerous popular music phenomena

*Subcultural Theory* J. Patrick Williams,2013-04-17 Subcultural phenomena continue to draw attention from many areas of contemporary society including the news media the marketing and fashion industries concerned parents religious and other citizen groups as well as academia Research into these phenomena has spanned the humanities and social sciences and the subcultural theories

that underlie this work are similarly interdisciplinary Subcultural Theory brings these diverse analytic issues together in a single text offering readers a concise discussion of the major concepts and debates that have developed over more than eighty years of subcultural research including style stratification resistance identity media and post subcultures The text emphasizes methods concepts and analysis rather than mere descriptions of individual subcultures all the while ensuring readers will gain insight into past and present youthful subcultures including mod punk hardcore straightedge messenger goth riot grrrl hip hop skinhead and extreme metal among others The book closes with an assessment of the subculture concept as a viable and useful sociological tool in comparison with other fields of study including social movements and fandom

This is likewise one of the factors by obtaining the soft documents of this **Rave Culture An Insiders Overview** by online. You might not require more mature to spend to go to the books creation as well as search for them.
