Reaching Adult Learners With Whole Language Strategies:

Reaching Adult Learners with Whole Language Strategies Tirza Kroeker, Margaret Henrichs, 1993 *Resources in Education*, 2001-04 **Parents, Learning, and Whole Language Classrooms** Gerald R. Oglan, 1997 This book aims to help teachers who are committed to whole language principles explain the philosophy to their students parents It addresses the concerns of parents who most likely grew up in a traditional teacher centered educational system and who therefore might be unfamiliar with a whole language approach to language arts Drawing on work by noted educators including Constance Weaver and Kenneth Goodman the book proposes to demystify whole language explaining practices such as invented spelling and writing process Exercises and activities that involve parents in their children s learning are demonstrated using parent teacher groups The book encourages teachers and parents to recognize each other as partners in children s education It contains generous examples of parents writing detailing their interest and support of whole language The book closes with a chapter on educational reform the recent standards movement which supports the position that parents must be viewed as learners and must be brought into the education system in an active way NKA **Reaching and Teaching Students Who Don't Qualify for Special Education** Steven R. Shaw, 2022-06-23 This book helps readers understand teach and support children with persistent low academic achievement who don t meet special education eligibility criteria or for whom Tier 2 MTSS interventions are insufficient Designed to be implemented in inclusive classrooms with minimal resources comprehensive chapters cover topics from reading writing and math to executive functions SEL and mental health This critical ground breaking volume provides teachers psychologists and counselors with an understanding of the issues children and adolescents with mild cognitive limitations and other causes of low academic achievement face as well as detailed evidence based teaching practices to support their academic and social and emotional learning **Learning in College** Mary K. Bixby, 1999-08 For Study Skills Student Success Orientation and Freshman Seminars in two and four year schools This refreshingly light hearted book explores learning through reading writing speaking and listening strategies and emphasizes the important relationships between and among the language systems Offers insights into theories about language and learning *Perspectives on Literacy Research and Practice* Kathleen A. Hinchman, Donald J. Leu, Charles K. Kinzer, 1995 **The ... Yearbook of the National Reading Conference** National Reading Conference (U.S.).
