Reaching A Multicultural Student Community A Handbook For Academic Librarians:

Reaching a Multicultural Student Community Karen Downing, Barbara Macadam, Darlene Nichols, 1993-11-16 Changing student demographics demand that colleges and universities meet the special needs of a new population and libraries will play an increasingly important role in facing these challenges of the future This professional reference is intended for academic librarians interested in establishing peer outreach programs for minority students The volume includes an overview of the unique challenges facing academic institutions and libraries today in serving a diverse student population suggestions on working effectively in the current academic environment and practical guidelines for specific program design implementation and evaluation Topics considered include performing a community analysis the politics of program development budgeting personnel management and program evaluation Model program materials are included to assist librarians in establishing similar programs and a bibliography provides a list of additional information sources

International Students and Academic Libraries Diane E. Peters, 2010-04-12 The growing emphasis on globalization in the context of higher education has resulted in changes in academic curricula increasing numbers of global partnerships and in more concentrated efforts to recruit international students at North American universities This book focuses on the impact of these efforts on academic libraries The introductory essay addresses issues faced by both international students and by librarians who work with them The student related issues include general culture shock communication and language concerns learning styles differences between libraries in North America and those in other parts of the world and library anxiety Library related issues include responding to language technological and cultural barriers responding to specific culture based concerns classroom communication outreach and staff training Suggestions are offered as to ways to make the relationship between students and librarians more positive and productive The annotated bibliography provides an overview of the literature on the topic covering such issues as basic library orientation bibliographic instruction information literacy collection development computers and the internet language and communication marketing and outreach reference services and staff development and training including staff exchanges and international visits Author and subject indexes are appended

Information Literacy Instruction Handbook Christopher N. Cox, Elizabeth Blakesley, 2008 Practical

Pedagogy The National Electronic Library Gary Pitkin, 1996-06-30 The National Information Infrastructure will bring information to the doorstep of every household Librarianship must respond to this development through the National Electronic Library Librarianship as a profession must set the information agenda if it is to be a viable and influential entity in the electronic environment Traditional library services are being redefined by technology and the concept of the National Electronic Library must combine the roles of the academic institution public enterprise and library education This professional reference is a guide to assist librarians in planning for the future The volume maintains that the growing electronic environment is driving a cultural transformation in which libraries must examine and understand what libraries

have been what they are and what they need to be Libraries need to participate actively in this transformation in order to remain the central providers of information and related services The book explores the National Electronic Library as a concept and formal organization Library services collections and the physical facility are examined in terms of present and future needs based on the rapidly changing electronic environment and the volume relates the future management of information to administrative structures constituencies public and technical services collection development education and strategic planning *Information Services for People with Developmental Disabilities* Marilyn M. Irwin,Linda L.

Walling,1995-04-30 Developmental disabilities are the most numerous of disabilities and they are exceptionally complex This professional reference overviews developmental disabilities discusses the information needs of people with developmental disabilities and provides practical guidance to librarians and information professionals who serve them Particular attention is given to the ramifications of the Americans with Disabilities Act for librarians The first part of the book defines and describes developmental disabilities from perspectives relevant to librarians and information professionals The second part examines key life issues that have a major impact on people with developmental disabilities This section emphasizes the current trend toward the inclusion of people with developmental disabilities in mainstream society References to related information sources are included throughout The third part looks at disabilities from the perspective of the library or other information agency An appendix lists organizations agencies businesses and libraries that provide additional materials *Managing Performing Arts Collections in Academic and Public Libraries* Carolyn A. Sheehy,1994-07-21 This professional reference provides solid advice to academic and public librarians for managing performing arts collections The volume is divided into sections on the history of performing arts librarianship dance collections film studies collections music collections and theater collections Each chapter is written by one or more expert contributors and presents current and reliable information on collection management They discuss personnel management collection development technical services public services the impact of new technologies facilities management financial planning and political considerations Each chapter closes with references cited in the chapter and the volume concludes with a valuable selected annotated bibliography of important background sources and management tools

Resources in Education ,2001-04 *Lifelong Learning in Public Libraries* Donna L. Gilton,2012-03-15 Lifelong Learning in Public Libraries demonstrates that public librarians can promote learning by combining the elements of Information Literacy Instruction ILI with traditional practices of public libraries This approach contributes to the information enfranchisement of patrons and enhances the fulfillment of the traditional goals and purposes of libraries Donna L Gilton provides background on ILI and current developments in public library instruction and also examines educational theories and practices derived from the fields of behaviorism cognitive psychology constructivism and educational humanism Additional chapters delve into practices developed to deal with diverse groups and translate the theories and practices that have been outlined into a well coordinated plan The final chapters survey the role of libraries as

cultural institutions This book introduces the field of ILI to public librarians in the context of their own traditions and shows the unique ways that ILI can be implemented in public library settings It encourages librarians to rethink practices to incorporate the principles of ILI and will enable public librarians to extend and enrich their instruction on information use Lifelong Learning in Public Libraries is a valuable resource for librarians educators and leaders of public organizations

The University of Michigan Library Newsletter ,1993 Choice ,2009 **AALL 1999 Annual Meeting** American Association of Law Libraries. Meeting,1999 *Library Instruction* Susan Deese-Roberts,Kathleen Keating,2000-09-15 Changing technologies and diversifying populations have meant a higher demand for library instruction at most academic libraries This book demonstrates how you can meet that demand by using peer tutors to support and enhance your library services Peer tutors can teach library patrons online search concepts and skills and how to use other specific research tools This practical step by step plan for developing and implementing a peer tutoring program can improve library services and make your job easier *Against the Grain* ,1995 **The Influence of Academic Library Experiences on Undergraduates' Critical Thinking During Three Years of College** Ethelene Whitmire,2001 **MultiCultural Review** ,1994 **The Challenge and Practice of Academic Accreditation** Edward Garten,1994-09-29 A SOURCEBOOK FOR LIBRARY ADMINISTRATORS A Library Manager's Guide to the Physical Processing of Nonprint Materials Karen C.
