Our Children and Future: Lessons in Family and School Engagement DeBora L'T. Mapp EdD,2019-08-13 Our Children and Future need more care and hope in this rapidly changing uncertain world so families educators and society must engage differently with children and with each other for better results Many parents and school personnel may rear and teach with outdated practices that may not prepare children for their future challenges and opportunities This updated and renamed guide book is long overdue to help older adolescents mature and adults upgrade and adjust their actions and skills They will both learn lessons from their pasts for better decision making while making sense of today This can also result in better engagement with children and each other for improved family well being and academic achievement Then more children can realize hope for more success in their futures This is a practical must read that will be used repeatedly from birth through high school graduation and beyond to impact individuals families schools communities and our nation
