Reading Dancing Bodies And Subjects In Contemporary American Dance:

Reading Dancing Susan Leigh Foster, 1986 Winner of the Dance Perspectives Foundation de la Torre Bueno Prize Recent approaches to dance composition seen in the works of Merce Cunningham and the Judson Church performances of the early 1960s suggest the possibility for a new theory of choreographic meaning Borrowing from contemporary semiotics and post structuralist criticism Reading Dancing outlines four distinct models for representation in dance which are illustrated first through an analysis of the works of contemporary choreographers Deborah Hay George Balanchine Martha Graham and Merce Cunningham and then through reference to historical examples beginning with court ballets of the Renaissance The comparison of these four approaches to representation affirms the unparalleled diversity of choreographic methods in American dance and also suggests a critical perspective from which to reflect on dance making and viewing

Reading Dancing : Bodies and Subjects in Contemporary American Dance Susan Leigh Foster, 1986

Choreographing History Susan Leigh Foster, 1995-01-01 I have used essays from the book to help dance graduate students push their thinking beyond the studio and their own physical experience and to realize the varied resources approaches and theoretical positions possible in writing about the body Dance Research Journal Choreographing History assembles an impressive diversity of sites disciplines and critical approaches and includes not only historical bodies and discourses but also the very bodies of the historians themselves Parachute This volume is not only full of gems the very lineup of preeminent scholars is impressive but is also a neat cross section of the academic conventions and mannerisms of our time Dance Chronicle an important step in the ineluctable dance by postmodern historians across a bridge that spans the gaps among disciplines between theory and practice and between present and past Theatre Journal Historians of science sexuality the arts and history itself focus on the body merging the project of writing about the body with theoretical concerns in the writing of history

Readings of Contemporary Circus Franziska Trapp, 2024-08-27 What are the characteristics of contemporary circus In what way does contemporary circus differ from theater dance and performance Where do hybrid forms exist Where are there observable commonalities Despite the diversity of contemporary circus performances are there generalizable characteristics that unite the performances What potential do these questions have for dramaturgical practice This book adapts a cultural semiotic approach to analyze contemporary circus performances It offers the first comprehensive documentation and interpretation of the art form based on the reading theories of cultural literature theater and dance studies The volume thereby provides a dramaturgy of contemporary circus which reveals its generalizable characteristics fundamental techniques and structures and the effects they produce At the same time theories and methods are modified and further developed regarding the characteristics of the circus This book is designed for students and scholars in the field of theater and performance studies as well as for artists dramaturges and directors working in the field of circus

The

Cursed Carolers in Context Lynneth Miller Renberg, Bradley Phillis, 2021-03-23 The Cursed Carolers in Context explores the interplay between the forms and contexts in which the tale of the cursed carolers circulated and the meanings it had for medieval and early modern authors and audiences The story of the cursed carolers has circulated in Europe since the eleventh century In this story a group of people in a village in Saxony skip Christmas mass to perform a circle dance in the cemetery only to be cursed and forced to keep dancing for a whole year By approaching the story in specific historical contexts this book shows how the story of the cursed carolers became a space in which medieval readers writers and listeners could debate the meaning and significance of a surprising variety of questions including ecclesiastical authority gender roles pastoral responsibility and even the conduct of crusades This consideration of the interplay between text and context sheds new light on how and why the story of the dancers achieved such popularity in the Middle Ages and how its meanings developed and changed throughout the period This book will appeal to scholars and students of medieval European history literature and dance as well as those interested in cultural history

Choreography and Corporeality Thomas F. DeFrantz, Philipa Rothfield, 2016-09-14 This book renews thinking about the moving body by drawing on dance practice and performance from across the world Eighteen internationally recognised scholars show how dance can challenge our thoughts and feelings about our own and other cultures our emotions and prejudices and our sense of public and private space In so doing they offer a multi layered

response to ideas of affect and emotion culture and politics and ultimately the place of dance and art itself within society The chapters in this collection arise from a number of different political and historical contexts By teasing out their detail and situating dance within them art is given a political charge That charge is informed by the work of Michel Foucault Stuart Hall Gilles Deleuze Jacques Derrida Rancière and Luce Irigaray as well as their forebears such as Spinoza Plato and Freud Taken together Choreography and Corporeality RELAY in Motion puts thought into motion without forgetting its origins in the social world

Further Steps 2 Constance Kreemer, 2014-05-01 Further Steps 2 brings together New York's foremost choreographers among them MacArthur Genius award winners Meredith Monk and Bill T Jones to discuss the past present and future of dance in the US In a series of exclusive and enlightening interviews this diverse selection of artists discuss the changing roles of race gender politics and the social environment on their work Bringing her own experience of the New York dance scene to her study Constance Kreemer traces the lives and works of the following choreographers Lucinda Childs Douglas Dunn Molissa Fenley Rennie Harris Bill T Jones Kenneth King Nancy Meehan Meredith Monk Rosalind Newman Gus Solomons jr Doug Varone Dan Wagoner Mel Wong and Jawole Zollar

Merce Cunningham Carrie Noland, 2020-01-23 One of the most influential choreographers of the twentieth century Merce Cunningham is known for introducing chance to dance Far too often however accounts of Cunningham's work have neglected its full scope focusing on his collaborations with the visionary composer John Cage or insisting that randomness was the singular goal of his choreography In this book the first dedicated to the complete arc of Cunningham's career Carrie Noland brings new insight to this transformative artist's philosophy and work providing a fresh perspective on his artistic process while exploring aspects of his choreographic practice never studied before Examining a rich and previously unseen archive that includes photographs film footage and unpublished writing by Cunningham Noland counters prior understandings of Cunningham's influential embrace of the unintended demonstrating that Cunningham in fact set limits on the role chance played in his dances Drawing on Cunningham's written and performed work Noland reveals that Cunningham introduced variables before the chance procedure was applied and later shaped and modified the chance results Chapters explore his relation not only to Cage but also Marcel Duchamp Robert Rauschenberg James Joyce and Bill T Jones Ultimately Noland shows that Cunningham approached movement as more than movement in itself and that his work enacted archetypal human dramas This remarkable book will forever change our appreciation of the choreographer's work and legacy

How To Do Things with Dance Rebekah J. Kowal, 2010-10-01 Winner of the CORD Outstanding Publication Award 2012 In postwar America any assertion of difference from the mainstream anticommunist culture carried professional and personal risks For this reason modern dance artists left much of what they thought unsaid Instead they expressed themselves in movement How

To Do Things with Dance positions modern dance as a vital critical discourse and suggests that dances of the late 1940s and the 1950s can be seen as compelling agents of social change Concentrating on choreographers whose artistic work conceived dance in terms of action Rebekah J Kowal shows how specific choreographic projects demonstrated increasing awareness of the stage as a penetrable space one on which socially suspect or marginalized modes of being could be performed with relative impunity and exerted in the real world Artists covered include Martha Graham Jos Lim n Anna Sokolow Katherine Dunham Pearl Primus Merce Cunningham Paul Taylor Donald McKayle Talley Beatty and Anna Halprin Ebook Edition Note All images have been redacted

The Oxford Handbook of Dance and Theater Nadine George-Graves, 2015-06-15 The Oxford Handbook of Dance and Theater collects a critical mass of border crossing scholarship on the intersections of dance and theatre Taking corporeality as an idea that unites the work of dance and theater scholars and artists and embodiment as a negotiation of power dynamics with important stakes these essays focus on the politics and poetics of the moving body in performance both on and off stage Contemporary stage performances have sparked global interest in new experiments between dance and theater and this volume situates this interest in its historical context by extensively investigating other such moments from pagan mimes of late antiquity to early modern archives to Bolshevik Russia to post Sandinista Nicaragua to Chinese opera on the international stage to contemporary flash mobs and television dance contests Ideologically the essays investigate critical race theory affect theory cognitive science historiography dance dramaturgy spatiality gender somatics ritual and biopolitics among other modes of inquiry In terms of aesthetics they examine many genres such as musical theater contemporary dance improvisation experimental theater television African total theater modern dance new Indian dance theater aesthetics philanthroproductions Butoh carnival equestrian performance tanztheater Korean Talchum Nazi Movement Choirs Lindy Hop Bomba Caroline Masques political demonstrations and Hip Hop The volume includes innovative essays from both young and seasoned scholars and scholar practitioners who are working at the cutting edges of their fields The handbook brings together essays that offer new insight into well studied areas challenge current knowledge attend to neglected practices or moments in time and that identify emergent themes The overall result is a better understanding of the roles of dance and theater in the performative production of meaning
