COMMUNITY HELPERS

Teacher

Teachers are important helpers in our community. They work in schools and help children learn many things. A teacher might read stories, teach math, show how to write letters, and help students solve problems. Teachers care about their students and want them to do their best. Sometimes they hang up student work on the walls or give out stickers for good work. Teachers also help students learn to be kind and respectful. A teacher's day is busy with lessons, planning, and helping students. Teachers help us grow our brains!
