The Role of the Speech-Language Pathologist in RtI

Wayne A. Foster,2018-01-08 The Role of the Speech Language Pathologist in RtI Implementing Multiple Tiers of Student Support is an innovative resource for school based speech language pathologists SLPs The author examines the current interaction among special and general educators and identifies how SLPs best fit into a multitiered response to instruction process This collaboration requires school staff share the same vision on the operation of the system understand their respective roles and merge the curricular with the developmental perspective to build basic skills in support of student performance growth General educators have traditionally utilized the language of curriculum e g standards pacing guides formative and summative assessments to talk about student goals and achievement Special educators including SLPs most often utilize the language of development e g norms percentile ranks development milestones to measure student growth The Role of the Speech Language Pathologist in RtI assesses this apparent clash in nomenclature and identifies new ways for collaboration and cooperation among faculty and administration In order for the SLP to be an effective partner in the development and implementation of RtI the author proposes that SLPs should understand the language of general education be able to translate the curricular needs of students into skill based units that can be measured and progress monitored have full understanding of the developmental progression of skills and how that progression links to curriculum standards and be knowledgeable on evidence based practices that can have a meaningful impact on closing developmental gaps and result in higher achievement outcomes This text provides the blueprint for the implementation of a system of student support that was envisioned in the 2004 reauthorization of the Individuals with Disabilities Education Improvement Act IDEIA Unlike other books on RtI this essential resource addresses the very specific roles that different school level professionals must play to make the system effective No other text provides SLPs with such a comprehensive schoolwide perspective on the different roles in the process the different languages used by the professionals in those roles and how to navigate those different perspectives

Beginning to Read and the Spin Doctors of Science Denny Taylor,1998 Suggesting that the contention that phonemic awareness must be taught directly and that children need explicit systematic instruction in phonics is less of a scientific fact than an exercise in political persuasion this book presents the story of the political campaign that is taking place to change the minds of Americans about how young children learn to read The book begins with a close look at the empirical research being used to support a massive shift in the national understandings about language literacy and learning and concludes by revealing the ways in which research studies on early reading instruction are being used by the federal and state governments to support a new methodology that has turned early reading instruction into a massive business of unprecedented commercial worth The chapters in the book are 1 In Which We Are Told Training in Phonemic Awareness Is

the Key to Reading Success 2 In Which Phonemic Awareness Research Is Analyzed from an Experimental Psychological Perspective 3 In Which Phonemic Awareness Research Is Analyzed from a Sociocultural Perspective 4 In Which We Find Foorman s Research Does Not Support the NICHD National Institute of Child Health and Human Development Proposition That Phonological Processing Is the Primary Area Where Children with Reading Difficulties Differ from Other Children 5 In Which Teachers Are Turned into Clerks and We Discuss Power Privilege Racism and Hegemony 6 In Which Governor Bush s Business Council Holds a Pre Summit Meeting in Texas 7 In Which We Have an If They Say It s So It Must Be So Attitude toward Experimental Research 8 In Which the Kindergarten Children in North Carolina Are No Longer Expected To Try To Read and Write 9 In Which I Become the Documentation on Which I Build My Case 10 In Which We Are Told That in America We Are All Equal Are We or Aren t We 11 In Which We Find the Desks and Chairs Are Broken and the Toilets Don t Work 12 In Which We Ask Do You Think America Likes Children 13 In Which We Consider If We Are Comfortable Mandating Reading Programs based on Neuroimaging Research and Genetic Studies of Reading Disabilities 14 In Which California Politically Reinvents How Young Children Learn To Read 15 In Which California Ends Local Control and the State Board of Education Leads the Jihad and 16 In Which We Enter the Central Chamber of the Hegemonic Labyrinth Contains approximately 250 references an appendix that offers a response to preliminary statistical analyses used to support the nationally publicized findings of the NICHD Houston reading studies and an appendix that offers late breaking news about the NICHD Houston reading studies are attached RS **Kansas City School Service Bulletin** Kansas City (Mo.).
