, *Military Chaplains' Review*, 1983 *Become What You Receive: A Systematic Study of the Eucharist* John H. McKenna, CM, 2022-01-07 In this remarkable book theologian and teacher Rev John McKenna examines our use of sign and symbol as it pertains to the study of the Eucharist the source and summit of the Church In clear and accessible language he clarifies the use of sign and symbol from anthropological phenomenological Old and New Testament perspectives He expertly analyzes historical backgrounds as well as current eucharistic theologies

The Sacraments Joseph Martos, 2009-08-01 What are the sacraments really For centuries the religious lives of Catholics and other Christians have revolved around church rituals with generally accepted individual and social effects What precisely are those effects and how are they produced Traditional theology used Greek philosophy to understand the sacraments and how they work But is there no other way to understand them In fact there are a number of ways and this book invites you to look at the sacraments through a variety of lenses psychology sociology anthropology history theology morality and spirituality As the

introduction to this volume challenges If you read this book and especially if you engage in the interactive study to which it invites you your understanding of sacraments will be changed forever To help personalize your investigation the author has created a web site with thought provoking questions that encourage you to interact with the ideas being proposed in this volume To engage these topics more deeply see [www TheSacraments org](http://www.TheSacraments.org) [Christian Sacraments in a Postmodern World](#)
Kenan B. Osborne,1999 Radically rethinks sacramental life and theology from the standpoint of postmodern philosophy

Beyond Ritual Siobhán Garrigan,2017-03-02 In *Beyond Ritual* Siobhan Garrigan uses Habermas s theory of communicative action to suggest two things first a method by which theology can access the ritual symbols by which faith is formed and secondly a metaphor of intersubjectivity with which theology can propose an interpretative rather than an instrumental understanding of sacramentality and thus of God Through fieldwork studies of both marginal and mainstream Christian Eucharists Garrigan develops the conversation between Habermas s philosophy and Christian theology showing how ritual interactions form and challenge our very idea of God *Becoming What We Sing* David Lemley,2021-01-07

Contemporary worship music is ubiquitous in many Protestant Christian communities today Rather than debating or decrying this post worship wars reality David Lemley accepts it as a premise and examines what it means for us to be singing along with songs that aren t so different from the pop genre How do we cope with the consumerism embedded in the mentality that catchy is good How do we stay committed to subverting cultural norms as Christians are called to do when our music is modeled after those cultural norms How do we ensure that the way we participate in the liturgy of contemporary worship music rehearses a cruciform identity *Becoming What We Sing* draws on cultural criticism ethnomusicology and liturgical and sacramental theology to process the deluge of the contemporary in today s worship music Lemley probes the thought of historical figures such as Augustine Hildegard of Bingen Martin Luther and the Wesleys while also staying situated in the current moment by engaging with cultural philosophers such as James K A Smith and popular artists such as U2 The result is a thorough assessment of contemporary worship music s cultural economy that will guide readers toward greater consciousness of who we are becoming as we sing our way into selves societies and cosmic perspectives *Introduction to*

Systematic Theology Francis Schüssler Fiorenza,John P. Galvin, The disciplinary barriers that have divided the

confessions are broken through not only in biblical or historical studies but in dogmatics itself George A Lindbeck This is a fine introduction to the major areas in Roman Catholic systematic theology produced by a first rate team of scholars It should be widely used in colleges and theological schools Gerald O Collins S J Dean of the Theology Faculty Gregorian University This fine collection brings together recent Roman Catholic and ecumenical discussion on major theological themes It is a contemporary and collaborative summa valuable for students and teacher alike Ann E Carr Professor of Theology The Divinity School University of Chicago

The Liturgy in the Catechism Regis A. Duffy, 2010-05-01 In this book a leading liturgist gives a step by step commentary on Part Two of the Catechism of the Catholic Church He links liturgy with catechesis and with conversion and discusses the ways in which the Church teaches and celebrates God's salvation and gives us a way of gospel living Worship teaches in ways that intellectual arguments cannot Since the Catechism connects God's creation and our new creation in Christ as a context for the liturgy the author emphasizes the importance of celebrating and teaching liturgy within the contemporary culture of society He sees the liturgical calling down of the Holy Spirit as a source of mission for the local Church and as an impetus towards participation in a specific community

The Holy Preaching Paul Janowiak, 2000 The reform of the liturgy has dramatically changed the way Roman Catholics and all Christians understand their worship The arena of the encounter has shifted from a passive experience of observation of the great Mysteries to one that invites active participation on many levels Yet the imagination of many who preach preside and gather to worship continues to be shaped by a passive model as well as by the notion of sacramental activity as a product to be received or given In The Holy Preaching Janowiak deepens the discussion of Christ's presence in the Word by offering reflection on the disparity between the theology and the practice of preaching and some explanation as to why that disparity exists

On Becoming a Catholic: The Challenge of Christian Initiation Regis A. Duffy, 2010-05-01 This handbook to the Rite of Christian Initiation of Adults RCIA written by a renowned religious educator and theologian invites converts the clergy and all those engaged in the catechumenal process to appreciate anew the richness of the Catholic faith Regis Duffy articulates the requirements for becoming and remaining a full Christian committed to gospel values on every level of life to the building of the Kingdom of God On Becoming a Catholic is a complete introduction to the essentials of the catechumenal process and clearly relates what the church teaches to its members Duffy's exposition stresses The theology of the Cross as the root of all Christian conversion and formation and its meaning for individual Christians and parish life The Word of God as prophetic Word in parish familial and personal lives learning to recognize the Lord in unexpected places of our lives and world and nurture openness and responsiveness to the Word How to live and act as one marked by the Cross and the Word of God participating in a conversion process that profoundly changes our priorities values lifestyle and most importantly our involvement in worship and sacraments What it means to be a Christian community discovering the meaning of the Liturgical Year and the Church's role as teacher The value of Lenten observance the meaning of Good Friday and the centrality of the

Easter event as basis for a practical theology of our redemptive need and God's enduring response How honest Eucharistic participation embodies a renewed sense of personal commitment to Christ and sense of mission and ministry in the community *A Roman Catholic Theology of Pastoral Care* Regis A. Duffy,2010-05-01 Drawing upon the long history of care in the sacramental mission of the clergy especially since the reforms of Vatican II Father Duffy offers a new model that can stimulate both Catholic and Protestant pastoral care to fresh thinking and imaginative reconstruction The model derives from the catechumenate that lengthy process of study and service which down through the ages has preceded baptism and guided Christian formation Reflecting a judicious use of interdisciplinary insights and praxis theology Father Duffy's vision represents an ecumenical contribution to sharpened focus and strengthened identity for pastoral care and practice

Praying and Believing in Early Christianity Maxwell E. Johnson,2013 What was the impact of liturgy on the development of orthodox doctrine in the early Christian church With renowned liturgical historian Maxwell E Johnson as a guide readers of *Praying and Believing in Early Christianity* will discover the important and sometimes surprising ways that worship helped to shape what was believed taught and confessed In particular Johnson considers this relationship in terms of soteriology What is the role of grace in the process of salvation Trinity How did early devotion to Christ and the church's baptismal and eucharistic liturgies help shape the developing doctrine of the Trinity Christ and Mary What does the devotional and liturgical term theotokos say about them both ethics How does the liturgy contribute not only to doctrine but also to convictions about morality Johnson also explores the ways this relationship worked in the opposite direction How did doctrinal developments shape liturgical texts in the patristic period This is an excellent text for beginning students in liturgical studies at the master's level **Masterworks of God** M.
