Inventing the "Great Awakening" Frank Lambert, 2021-01-12 This book is a history of an astounding transatlantic phenomenon a popular evangelical revival known in America as the first Great Awakening 1735 1745 Beginning in the mid 1730s supporters and opponents of the revival commented on the extraordinary nature of what one observer called the great ado with its extemporaneous outdoor preaching newspaper publicity and rallies of up to 20 000 participants Frank Lambert biographer of Great Awakening leader George Whitefield offers an overview of this important episode and proposes a new explanation of its origins The Great Awakening however dramatic was nevertheless unnamed until after its occurrence and its leaders created no doctrine nor organizational structure that would result in a historical record That lack of documentation has allowed recent scholars to suggest that the movement was invented by nineteenth century historians Some specialists even think that it was wholly constructed by succeeding generations who retroactively linked sporadic happenings to fabricate an alleged historic development Challenging these interpretations Lambert nevertheless demonstrates that the Great Awakening was invented not by historians but by eighteenth century evangelicals who were skillful and enthusiastic religious promoters Reporting a dramatic meeting in one location in order to encourage gatherings in other places these men used commercial strategies and newly popular print media to build a revival one that they also believed to be an extraordinary work of God They saw a special meaning in contemporary events looking for a transatlantic pattern of revival and finding a motive for spiritual rebirth in what they viewed as a moral decline in colonial America and abroad By examining the texts that these preachers skillfully put together Lambert shows how they told and retold their revival account to themselves their followers and their opponents His inquiries depict revivals as cultural productions and yield fresh understandings of how believers spread the word with whatever technical and social methods seem the most effective

Awakening Love Gregory Cleveland,2019-03-25 The Spiritual Exercises of St Ignatius have had a tremendous impact in the history of the Church while the Song of Songs describes mystical union with God in prayer Written following the format of a personal retreat Awakening Love includes chapters tracing the themes of the Song of Songs as a very Christian prayer and meditation Awakening to Justice The Dialogue on Race and Faith Project,Jemar Tisby,Christopher P. Momany,Sègbégnon Mathieu Gnonhossou,David D. Daniels,R. Matthew Sigler,Douglas M. Strong,Diane Leclerc,Esther Chung-Kim,Albert G. Miller,Estrela Y. Alexander,2024-03-26 The Dialogue on Race and Faith project presents groundbreaking scholarship on the writings of David Ingraham and his two Black colleagues James Bradley and Nancy Prince Through considering connections between the revivalist holiness and abolitionist movements they offer insight and hope for Christians concerned about racial justice *Can I Leave The Light On? A journey of spiritual awakening* David Vickers,2018-03 After years of requests we finally present to you this Autobiography about the spiritual awakening of International Spiritual Medium David Vickers from a young boy to young ish man Written in the way that he himself would speak and act it makes for an entertaining read portraying the many strange and unusual happenings life changing events and personal encounters he has embraced and endured during his life The tears the laughter the fear the heartache and the lessons in between this book provides you with a real insight into the ways spiritual communication can develop and how it can have a valuable impact on your life David over the years has assisted countless people on their own personal journeys with every one taking different paths to develop further this is where his passion lies as it is his belief that spiritual communication is not a gift but a natural ability in all A God Entranced Vision of All Things John Piper,Justin Taylor,2004-08-10 Useful men are some of the greatest blessings of a people To have many such is more for a people s happiness than almost anything unless it be God s own gracious spiritual presence amongst them they are precious gifts of heaven Certainly one of the most useful men in evangelical history was the man who preached those words pastor and theologian Jonathan Edwards Commemorating his 300th birthday general editors John Piper and Justin Taylor chose ten essays that highlight different aspects of Edwards s life and legacy and show how his teachings are just as relevant today as they were three centuries ago Even within the church many people know little more about Edwards than what is printed in American history textbooks most often excerpts from his best known sermon Sinners in the Hands of an Angry God They unjustly envision Edwards preaching only fire and brimstone to frightened listeners But he knew and preached God s heaven as much as Satan s hell He was a humble and joyful servant striving to glorify God in his personal life and public ministry

This book's contributors investigate the character and teachings of the man who preached from a deep concern for the unsaved and a passionate desire for God. Studying the life and works of this dynamic Great Awakening figure will rouse slumbering Christians, prompting them to view the world through Edwards's God-centered lens. **Awakening the One New Man** Robert F. Wolff, 2011-06-21

Normally, discussions about One New Man focus on Jew and Gentile needing to reconcile. Usually, this conversation breaks down over the place of Israel in the Kingdom and end times. People rarely think much less act on the purpose behind the Lord calling us to be the One New Man. The fundamental issue of identity has been overlooked. When people recognize that their true identity is their Messiah, they will be drawn into a closer relationship with God. They have been born into a time where biblical prophecy is confirming that the unity between Jew and Gentile is ushering in a new season of outpouring of the Holy Spirit and the Lord is calling them to join in. There is a call in this season, as confirmed in Ephesians 2 and 3, for Jew and Gentile to come together as One New Man and to walk as joint heirs in the commonwealth of Israel. When Jew and Gentile come together as One, the Lord has stored up a release of blessing and power that will forever change humanity's destiny. **NEW ENGLAND AND THE GREAT AWAKENING, A STUDY IN THE THEORY AND PRACTICE OF NEW ENGLAND CALVINISM.** HENRY BAMFORD PARKES, 1929
