Red Swan Myths Tales Of The American:

The Red Swan John Bierhorst,1993 **The Red Swan** John Bierhorst,2025-05-21 The best of the American Indian myths are works of art blending form and content into an organic whole in which the great themes of human experience are interwoven much as they are in a memorable short story or novella But if the underlying themes are similar the metaphorical and narrative conventions are vastly different and it is this aesthetic gap that critic John Bierhorst intends to bridge in this companion volume to his well known anthology In the Trail of the Wind American Indian Poems and Ritual Orations Over forty cultures including the Eskimo the Iroquois the Navajo the Maya and the Bororo are here represented by sixty four carefully selected myths and tales Yet The Red Swan will be valued not so much for its scope or its quantity as for the superb quality of the stories themselves Among the classic narratives included are The Fight of the Quetzalcoatl Aztec The Rival Chiefs Kwakiutl The Hungry Old Woman Anambe Two Friends Greenland Eskimo and The Red Swan Chippewa A number of the translations the work of such ethnographers as Franz Boas James Teit and George Bird Grinnell have been left untouched others have been expertly revised and some of the selections all of which deserve to be much better known appear in English for the first time **Myths, Legends, and Folktales of America** David Adams Leeming,Jake Page,2000 Presents a variety of myths tales and legends Includes Native American tales about creation goddesses trickster gods the Indian and the white man as well as Hispanic American Asian American Anglo American and African American stories Features patriotic heroes American loners frontiersman and tall tales Western outlaws lawmen and cowboys slave rebels and Blues legends among other topics **AMERICAN INDIAN FOLKLORE, TALES, MYTHS AND LEGENDS 7 Book Set** Various,2017-04-10 A collection of 7 American Indian or Native American folklore books containing legends myths and tales for children with a total of 230 stories spread across almost 1 400 pages of old and forgotten books Herein you will find stories from the Hopi Atsugewi Achomawi the Dakotas and the Maidu plus three compilations of American Indian folklore from across North America Also included is a complimentary selection of 15 stories from the Abela Collection pushing the number of stories you receive up to 245 The books in this collection are ISBN TITLE 9780956058461 Folklore and Legends of the North American Indian 9781907256158 American Indian Fairy Tales 9781907256240 Achomawi and Atsugewi Myths and Tales 9781907256257 Old Indian Legends Stories from the Dakotas 9781907256264 Indian Why Stories 9781907256356 Maidu Texts and Folklore 9781907256394 Traditions and Folklore of the Hopi **FREE EBOOK** Folklore Fairy Tales Myths and Legends from Around the World **Native Universe** Gerald McMaster,2008 This gorgeous volume draws from the vast archives of the National Museum of the American Indian and features the voices and perspectives of some of the most prominent Native American scholars writers and activists 350 color photographs **Navigating CHamoru Poetry** Craig Santos Perez,2022-01-25 Navigating CHamoru Poetry focuses on Indigenous CHamoru Chamorro poetry from the Pacific Island of Gu han Guam Poet and scholar Craig Santos Perez brings critical attention to a diverse and intergenerational

collection of CHamoru poetry and scholarship Throughout this book Perez develops an Indigenous literary methodology called wayreading to navigate the complex relationship between CHamoru poetry cultural identity decolonial politics diasporic migrations and Native aesthetics Perez argues that contemporary CHamoru poetry articulates new and innovative forms of indigeneity rooted in CHamoru customary arts and values while also routed through the profound and traumatic histories of missionization colonialism militarism and ecological imperialism This book shows that CHamoru poetry has been an inspiring and empowering act of protest resistance and testimony in the decolonization demilitarization and environmental justice movements of Gu han Perez roots his intersectional cultural and literary analyses within the fields of CHamoru studies Pacific Islands studies Native American studies and decolonial studies using his research to assert that new CHamoru literature has been and continues to be a crucial vessel for expressing the continuities and resilience of CHamoru identities This book is a vital contribution that introduces local national and international readers and scholars to contemporary CHamoru poetry and poetics

This Tree Grows Out of Hell Ptolemy Tompkins, 2008 Ptolemy Tompkins's spellbinding plunge into the history and meaning of Mesoamerican civilizations first published a decade ago is more compelling now than ever Combining scholarly knowledge with visionary perception and sensitivity he examines the Mayan Aztec and other related cultures from the perspective of that region's shifting understanding of the human soul A profoundly spiritual and ecological thread runs through this enlightening work like a river despite their amazing achievements these civilizations eventually crumbled because they lost touch with their sense of community their true natures and their environments Above all Tompkins vividly reveals how violence became a deeply flawed but powerful strategy for accessing the ever retreating realm of the spirit which had once guided and directed human life

Wisconsin Indian Literature Kathleen Tiggerman, 2006 Presents the oral traditions legends speeches myths histories literature and historically significant documents of the twelve independent bands and Indian Nations of Wisconsin This anthology introduces us to a group of voices enhanced by many maps photographs and chronologies
