Accomplished and Applied John Murray (Professor of Systematic Theology in Westminster Theological Seminary, Philadelphia.), 1961 The Doctrine on Which the Church Stands or Falls (Foreword by D. A. Carson) Matthew

Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone In fact Martin Luther argued that justification is the doctrine on which the church stands or falls This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history the Bible theology and pastoral practice revealing the enduring significance of this pillar of Protestant theology **Seated in the Heavenly Realms** Young Jae Song, 2022-08-04 This book explains key doctrines in

theology from the perspective of biblical eschatology Eschatology first appears in Genesis rather than in Revelation for it is about the chief end of man and God's creation It is placed in the beginning rather than at the end of theology as the central and foundational motif The chief end of man in the Westminster Shorter Catechism for instance is an eschatological concept in nature as well as in redemption Eschatology precedes redemption but the eschatology of nature is fulfilled through the eschatology of redemption in Jesus Christ The Golden Chain of Ordo Salutis and the progress of redemptive history will be interpreted from the perspectives of covenant eschatology and Christology **Union with Christ and the Life of Faith**

(Soteriology and Doxology) Fred Sanders, 2025-08-19 In this volume a top scholar in the world of evangelical theology addresses the key soteriological theme of union with Christ The book provides substantive engagement with the doctrine of participatory union including sections on the creeds Scripture the history of the doctrine constructive dogmatics and Christian praxis Its biblical point of access is Paul's theology of life in Christ understood as an invitation to a theological reading of the four gospels Special attention is given to the trinitarian structure of union with Christ This book shows students how to integrate theology into the life of faith and demonstrates how the practices of Christian worship influence theological thinking A devotional interlude directing readers to a classic hymn poem or liturgy follows each chapter The

Soteriology and Doxology series consists of introductory textbooks that cover key topics in soteriology providing substantive treatments of doctrine while pointing to the setting of theology in doxology Series editors are Kent Eilers and Kyle C Strobel

Biblical Doctrine John MacArthur, Richard Mayhue, 2017-01-13 Long Awaited Systematic Theology by Well Known Pastor Author and President of the Master's Seminary Doctrine isn't just for theologians it's important for every Christian because it shows us who God is and how we should live Systematizing the robust theology that has undergirded John MacArthur's well known preaching ministry for decades this overview of basic Christian doctrine covers topics such as God the Father Jesus Christ the Holy Spirit the Bible salvation and more Comprehensive in scope yet written to be accessible to the average reader with non technical vocabulary minimal footnotes and a helpful bibliography this volume offers Christians a solid foundation for what they believe and why

The Doctrines of Grace James Montgomery Boice, Philip Graham Ryken, 2009-04-01 There is no question that we live in an age of weak theology and casual Christianity We have substituted intuition for truth feeling for belief and immediate gratification for enduring hope Evangelicalism desperately needs to return to the doctrines that once before reformed the world radical depravity unconditional election particular redemption efficacious grace and persevering grace James Boice and Philip Ryken not only provide a compelling exposition on these doctrines of grace but also look briefly at their historical impact The authors leave no doubt that the church suffers when these foundational truths are neglected and that she must return to a Christianity that is practical minded kind hearted and most importantly biblically based
