Rediscovering Dharavi:

Rediscovering Dharavi Kalpana Sharma, 2000 A Book That Challenges The Conventional Notion Of A Slum Spread Over 175 Hectares And Swarming With One Million People Dharavi Is Often Called Asia S Largest Slum But Dharavi Is Much More Than Cold Statistic What Makes It Special Are The Extraordinary People Who Live There Many Of Whom Have Defied Fate And An Unhelpful State To Prosper Through A Mix Of Backbreaking Work Some Luck And A Great Deal Of Ingenuity It Is These Men And Women Whom Journalist Kalpana Sharma Brings To Life Through A Series Of Spellbinding Stories While Recounting Their Tales She Also Traces The History Of Dharavi From The Days When It Was One Of The Six Great Koliwadās Or Fishing Villages To The Present Times When It Along With Other Slums Is Home To Almost Half Of Mumbai Among The Colourful Characters She Presents Are Haji Shamsuddin Who Came To Mumbai And Began Life As A Rice Smuggler But Made His Fortune By Launching His Own Brand Of Peanut Brittle The Stoic Ramjibhai Patel A Potter Who Represents Six Generations From Saurashtra Who Have Lived And Worked In Mumbai And Doughty Women Like Khatija And Amina Who Helped Check Communal Passions During The 1992 93 Riots And Continue To Ensure That The Rich Social Fabric Of Dharavi Is Not Frayed It Is Countless Often Anonymous Individuals Like These Who Have Helped Dharavi Grow From A Mere Swamp To A Virtual Gold Mine With Its Many Industrial Units Churning Out Quality Leather Goods Garments And Food Products Written With Rare Sensitivity And Empathy Rediscovering Dharavi Is A Riveting Account Of The Triumph Of The Human Spirit Over Poverty And Want

The Oxford Handbook of the Modern Slum Alan Mayne, 2023 The Oxford Handbook of the Modern Slum explores the history of the modern slum connecting nineteenth century iterations through multiple pathways to its contemporary existence With chapters by 28 scholars this handbook brings an array of important and original perspectives and methodologies to bear on slums real and imagined across the globe Drawing upon anthropology archaeology architecture geography history politics sociology and urban planning the book delves into households and communities whose existence has been hidden by stereotypes

Case Studies in Sustainability Management Jordi Vives Gabriel, 2017-11-30 With the rapidly growing importance of sustainability and corporate responsibility in a globalised world management schools are increasingly integrating long term economic environmental and social issues into their teaching and research Climate change poverty labour standards and human rights are among the many topics that future decision makers will need to face in their careers Business education needs to reflect this new reality and provide a broadened understanding of value creation in order to create economic capital while developing social and preserving natural capital Case studies can be important tools for creating learning processes on different levels students are forced to struggle with exactly the kinds of decisions and dilemmas managers confront every day In this reflection of reality the values and goals of the student are systematically challenged This can be especially valuable in the context of sustainability management organisations are now continually forced to value the different aspects of sustainability and their interrelations How do social issues impact the

economic bottom line How can an environmentally sound strategy create a positive impact on employee motivation and thus have measurable impact on economic performance What comes first and why This third collection of oikos case studies is based on the winning cases from the 2010 to 2013 annual case competition So what makes an excellent case in sustainability management These cases have been highly praised because they provide excellent learning opportunities tell engaging stories deal with recent situations include quotations from key actors are thought provoking and controversial require decision making and provide clear take aways These cases are clustered in three different sections Large Corporations and Corporate Sustainability Dilemmas Managing Stakeholder Relations and Sustainability as a Source of Differentiation Strategies Case Studies in Sustainability Management will be an essential purchase for educators and is likely to be a widely used as a course textbook at all levels of management education Online Teaching Notes to accompany each chapter are available on request with the purchase of the book **Issues in Comparative Politics** CQ Researcher,2011-10-07

Comparative politics students will benefit from CQ Researcher s award winning non partisan reporting that looks at today s most important problems ranging from democratization and regime change to policies on immigration welfare and religion Each essay identifies key players explores what s at stake and shows how past and current developments impact the future

The Emerging Asian City Vinayak Bharne,2013 Asian cities create concomitant imagery polarizations of poverty and wealth blurry lines between formality and informality and stark juxtapositions of ancient historic places with shimmering new skylines With Asia s re emergence on the global stage there is an acute focus on its multifarious urban issues and identities What are Asian cities going to become Will they surpass the economic and environmental debacles of the West This collection of twenty four essays surveys the most dominant issues shaping the Asian urban landscape today It offers scholarly reflections and positions on the forces shaping Asian cities and the forces that they in turn are shaping The Affective Negotiation of Slum Tourism Tore Holst,2018-01-29 Each year approximately a million tourists visit slum areas on guided tours as a part of their holiday to Asia Africa or Latin America This book analyses the cultural encounters that take place between slum tourists and former street children who work as tour guides for a local NGO in Delhi India Slum tours are typically framed as both tourist performances bought as commodities for a price on the market and as appeals for aid that tourists encounter within an altruistic discourse of charity This book enriches the tourism debate by interpreting tourist performances as affective economies identifying tour guides as emotional labourers and raising questions on the long term impacts of economically unbalanced encounters with representatives of the Global North including the researcher This book studies the feeling rules governing a slum tour and how they shape interactions When do guides permit tourists to exoticise the slum and feel a thrilling sense of disgust towards the effects of abject poverty and when do they instead guide them towards a sense of solidarity with the slum s inhabitants What happens if the tourists rebel and transgress the boundaries delimiting the space of comfortable affective negotiation constituted by the guides This book will be essential reading for

undergraduates postgraduates and researchers working within the fields of Human Geography Slum Tourism Research Subaltern Studies and Development Studies **The Slow Boil** Jonathan Shapiro Anjaria, 2016-05-18 Street food vendors are both a symbol and a scourge of Mumbai cheap roadside snacks are enjoyed by all but the people who make them dance on a razor's edge of legality While neighborhood associations want the vendors off cluttered sidewalks many Mumbaikers appreciate the convenient bargains they offer In *The Slow Boil* Jonathan Shapiro Anjaria draws on his long term fieldwork with these vendors to make sense of the paradoxes within the city and thus to create a better understanding of urban space in general Much urban studies literature paints street vendors either as oppressed and marginalized victims or as inventive premoderns In contrast Anjaria acknowledges that diverse political economic historic and symbolic processes create contradictions in the vendors everyday lives like their illegality and proximity to the state and their insecurity and permanence Mumbai's disorderly sidewalks reflect the simmering tensions over livelihood democracy and rights that are central to the city but have long been overlooked In *The Slow Boil* these issues are not subsumed into a larger framework but are explored on their own terms Human Rights, Gender and the Environment Priyam, Manisha, Menon, Krishna, Banerjee, Madhulika, 2010 In *Human Rights Gender and the Environment* the authors unravel the complex themes of human rights gender and the environment basing their approach on the pivotal issue of inequality All three themes manifest unequal relationships that exist between humans and between humans and the environment It discusses human rights gender issues in contemporary India impact of socio economic development on the environment and examines the specific issues of the environment in an international context and presents policies and movements in India People's Spaces Nihal Perera, 2015-10-23 Who controls space Powerful corporations institutions and individuals have great power to create physical and political space through income and influence *People's Spaces* attempts to understand the struggle between people and institutions in the spaces they make Current literature on cities and planning often looks at popular resistance to institutional authority through open mass movement protest These views overlook the fact that subaltern classes are not often afforded the luxury of open organized political protest *People's Spaces* investigates individual's diverse approaches in reconciling the difference between their spatial needs and spatial availability Through case studies in Southeast Asia India Nepal and Central Asia the book explores how people accommodate their spatial needs for everyday activities and cultural practices within a larger abstract spatial context produced by the power holders *Planet of Slums* Mike Davis, 2007-09-17 Celebrated urban theorist Davis provides a global overview of the diverse religious ethnic and political movements competing for the souls of the new urban poor
