Rediscovering Expository Preaching:

Rediscovering Expository Preaching John F. MacArthur, 1992 Rediscovering Expository Preaching John MacArthur, Masters College Faculty Staff, 1992 A vast reservoir of knowledge and experience from one of America's foremost speakers this definitive book touches every base from the history of expository preaching to the mandate for Biblical inerrancy MacArthur's goal is to motivate and equip the next generation of Christian leaders who want to provide wholesome spiritual nourishment for God's people from His Word **Preaching the Whole Bible as Christian Scripture** Graeme Goldsworthy, 2000-06-26 While strong gospel centered preaching abounds many Christian pastors and lay preachers find it difficult to preach meaningfully from the Old Testament This practical handbook offers help Graeme Goldsworthy teaches the basics of preaching the whole Bible in a consistently Christ centered way Goldsworthy first examines the Bible biblical theology and preaching and shows how they relate in the preparation of Christ centered sermons He then applies the biblical theological method to the various types of literature found in the Bible drawing out their contributions to expository preaching focused on the person and work of Christ Clear complete and immediately applicable this volume will become a fundamental text for teachers pastors and students preparing for ministry *The Art of Preaching Old Testament Narrative* Steven D. Mathewson, 2021-06-15 A veteran pastor with thirty years of experience guides readers through a ten step process to preaching Old Testament narratives from text selection to delivery The first edition received a Christianity Today award of merit and a Preaching magazine Book of the Year award This edition now updated and revised throughout for a new generation includes a new chapter on how to preach Christ from the Old Testament and an exemplary sample sermon from Mathewson Foreword by Haddon W Robinson **Preaching** John F. MacArthur, Master's Seminary Faculty, 2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In *Preaching How to Preach Biblically* John MacArthur well known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching *Preaching How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages connecting what pastors learn in seminary with the sermons preached in a local church This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching This book answers these questions and more What is expository biblical preaching What are the theological and historical foundations for insisting on expository preaching What are the steps involved in preparation for and participation in biblical preaching What models exist for expository preaching today The Master's Seminary faculty with over thirty years experience in preaching and seminary training of preachers contributes a treasury of expertise alongside insights from expositor John MacArthur While united on their commitment to exposition the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any

preacher seeking a higher level of expository excellence Creative Styles of Preaching Mark Barger Elliott, 2000-01-01 Elliott describes several different styles of contemporary preaching A discussion about each style such as narrative evangelistic African American and topical is followed by two example sermons from such preachers as Tony Campolo Barbara Brown Taylor Sam Proctor Fred Craddock and William Willimon Anointed Expository Preaching Stephen Olford, 2003-09 This book equips and encourages preachers of all kinds to respect their calling and minister God's inerrant Word **Small Church, Excellent Ministry** Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches **The Drama of Preaching** Eric B. Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God's redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching The Drama of Preaching interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word Text-Driven Preaching Daniel L. Akin, David L. Allen, Ned Mathews, 2010 Collection of essays urging pastors to commit to presenting true expository preaching from the pulpit from publisher description
