Rediscovering Christ In Asia:

Rediscovering Christ in Asia Kenneth Fernando, 2005 *Any Room for Christ in Asia?* Leonardo Boff, Virgilio P. Elizondo, 1993 *The Oxford Handbook of Anglican Studies* Mark David Chapman, Sathianathan Clarke, Martyn Percy, 2016

The Anglican Communion is the third largest Christian denomination and claims a membership of some 80 million members in about 164 countries. Given that there are only around two hundred countries in the world, this makes the churches of the Anglican Communion the most geographically widespread denomination after Roman Catholicism. The 44 essays in this volume embrace a wide range of academic disciplines: theological, historical, demography and geography, and different aspects of culture and ethics. They are united in their discussion of what is effectively a new inter-disciplinary subject which we have termed Anglican Studies. At the core of this volume is the phenomenon of Anglicanism as this is expressed in different places and in a variety of ways across the world. This Handbook covers a far broader set of topics from a wider range of perspectives than has been hitherto attempted in Anglican Studies. At the same time it doesn't impose a particular theological or historical agenda. The contributions are drawn from across the spectrum of theological views and opinions. It shows that the unsettled nature of the polity is part of its own rich history and many will see this as a somewhat lustrous tradition. In its comprehensive coverage, this volume is a valuable contribution to Anglican Studies and helps formulate a discipline that might perhaps promote dialogue and discussion across the Anglican world.

Buddhism and Christianity in Dialogue Perry Schmidt-Leukel, 2005. This book is written for a general as well as a more specialist readership. On the one hand it introduces basic topics of Buddhist-Christian dialogue; on the other hand it opens up new ground, particularly insofar as the Buddhist and the Christian contributors all write comparatively.

Christian Art in Asia William A. Dyrness, 1979 **Two Rediscovered Works of Ancient Christian Literature: Gregory of Nyssa and Macarius** Werner Jaeger, 2023-11-13

Rediscovering Paul David B. Capes, Rodney Reeves, E. Randolph Richards, 2017-11-21. For some of us the apostle Paul is intimidating, prickly and unpredictable. But maybe it's time to get to know Paul on his own terms. Drawing on the best of contemporary scholarship and with language shaped by conversations with today's students, this expanded edition of *Rediscovering Paul* gives fresh consideration to Paul's conversion call and his ongoing impact on church and culture.

Theologia Crucis in Asia A.A. Yewangoe, 2024-08-19 **Rediscovering Japan, Reintroducing Christendom** Samuel Lee, 2010-03-01. In *Rediscovering Japan, Reintroducing Christendom*, Japan's unvoiced Christian history and cultural roots are examined from an alternative perspective. It is commonly believed that Christianity was introduced to Japan by the Spanish and Portuguese missionaries during the 1500s; however, Samuel Lee draws on various forms of cultural, religious, and linguistic evidence to argue that Christianity was introduced to Japan through the Lost Tribes of Israel, who were converted to Christianity through the missionary efforts of the Assyrian Church of the East around A.D. 500. Much of the evidence he discusses has become submerged into many Japanese folkloric songs, festivals, and is to be found in temples. There are for

example approximately 300 words in Japanese and Hebrew Aramaic that are similar Further Dr Lee outlines the history of Catholicism in Japan during the 1500s the systematic persecution of Christians from 1600s to the 1800s and the rise of Protestant Church in Japan The historical portion of the book ends with an analysis and discussion of 21st century Japanese society Lastly in Rediscovering Japan Reintroducing Christendom Samuel Lee questions the missiological methods of Western Christianity and advocates an approach based in dialogue between Christianity and other cultures
