

SHIELD OF REFLECTION

ARMOR (SHIELD), VERY RARE
(REQUIRES ATTUNEMENT)

Weight: 6 lbs

This polished, mirrored shield grants the wielder the following benefits:

- While holding this shield, you have a +1 bonus to AC. This bonus is in addition to the shield's normal bonus to AC.
- While wielding this shield, you can use its mirrored surface to safely view Basilisks, Medusas, and other creatures that have a dangerous gaze.
- While wielding this shield, you have resistance to radiant damage.

Spell Reflection. Once per long rest, you can use a reaction to reflect a spell that targets only you. The spell's caster must make a Dexterity saving throw with a DC equal to 10 + your Dexterity modifier. On a failed save, the spell is reflected back at the caster as if you had cast it. On a successful save, the spell affects you as normal.

The shield is made from metal and is carried in one hand. Wielding a shield increases your Armor Class by 2. You can benefit from only one shield at a time.
