Tatar,2012-10-22 Highly illuminating for parents vital for students and book lovers alike Enchanted Hunters transforms our understanding of why children should read Ever wondered why little children love listening to stories why older ones get lost in certain books In this enthralling work Maria Tatar challenges many of our assumptions about childhood reading Much as our culture pays lip service to the importance of literature we rarely examine the creative and cognitive benefits of reading from infancy through adolescence By exploring how beauty and horror operated in C S Lewis s Chronicles of Narnia Philip Pullman s His Dark Materials J K Rowling s Harry Potter novels and many other narratives Tatar provides a delightful work for parents teachers and general readers not just examining how and what children read but also showing through vivid examples how literature transports and transforms children with its intoxicating captivating and occasionally terrifying energy In the tradition of Bruno Bettelheim s landmark The Uses of Enchantment Tatar s book is not only a compelling journey into the world of childhood but a trip back for adult readers as well *The Legacy of the Grand Tour* Lisa

Colletta,2015-12-09 The topos of the journey is one of the oldest in literature and even in this age of packaged tours and mediated experience it still remains one of the most compelling This volume examines the ways in which the legacy of the Grand Tour is still evident in works of travel and literature From its aristocratic origins and the permutations of sentimental and romantic travel to the age of tourism and globalization the Grand Tour still influences the destinations tourists choose and shapes the ideas of culture and sophistication that surround the act of travel The essays in this collection examine a wide variety of literature travel memoir and fiction and explore the ways travel and ideas of culture have evolved since the heyday of the Grand Tour in the 18th century The sites of the Grand Tour remain a powerful cultural draw and they continue to define ideas of taste and learning for those who visit them **The Territories of Identity** Soumyen

Bandyopadhyay,Guillermo Garma Montiel,2013-11-20 The expedited globalised process of exchange and new forms of cultural production have transformed old established notions of identity calling into question their conceptual foundations This book explores the spatial and representational dimension of this phenomenon by addressing how the reshaping of the key themes of place architecture and memory are altering the nature as well as our understanding of identity Cutting across boundaries the book drives discussion of identity beyond the well worn concern for its loss within a globalised context and importantly provides links between identity place memory and representation in architecture Examining a range of case studies from Australia Germany India Japan Mexico Poland Puerto Rico Turkey and Singapore as well as with contributions

cutting across geographical and temporal boundaries this volume addresses such issues as architecture technology place and memory critical issues in the monitoring and mapping of identity shift within a rapidly globalising context With contributions from renowned authors in the field including Nicholas Temple Patsy Hely Robert Brown Liane Lefaivre John Hendrix Ana Souto Fiona MacLaren Stephen Walker Nezar AlSayyad Andrzej Piotrowski Catherine Ettinger Luz Marie Rodriguez and Raymond Quek this book presents fresh insights and diverse perspectives on the evolving question of identity and globalisation
