Reflective Executive A Spirituality Of Business And Enterprise:

Doing God's Business R. Paul Stevens, 2006-08-10 Stevens explores the potential of business as both a location for practicing everyday spiritual disciplines and a source of creativity and deeper relationship with God This volume should encourage and challenge businesspersons in all segments of the marketplace to more faithfully integrate their faith and work lives

The Reflective Executive Emilie Griffin, 2008-04-01 This profoundly practical book is for businesswomen and businessmen who wish to integrate spiritual values with day to day decision making tight scheduling and high pressured management of multimillion dollar responsibilities Emilie Griffin a veteran in the marketing field and the author of several acclaimed books on spirituality draws on time honored scriptural resources and management principles to unpack the spiritual meaning of executive life Her central premise is that the spiritual imagination must be refreshed to see God's presence in the work itself even the details Her approach is wide ranging drawing on the poetic mysticism of Gerard Manley Hopkins and Teilhard de Chardin and the practical wisdom of such business thinkers as Peter Drucker and Rosabeth Moss Kanter The Reflective Executive eschews dualism and provides spiritual insights on such themes as effectiveness time contribution decision making setting goals and priorities weighing failure and success building on strength and envisioning God as lord of the marketplace The book also includes practical exercises and themes for reflection

EBOOK: Reflective Practice for Healthcare Professionals Beverley Taylor, 2010-05-16 Taylor reveals how reflection and contemplation creatively welds the everyday working day world to a myriad of cultural ethical moral and managerial challenges This book offers the beginning practitioner a broad understanding of why conscious awareness of one's thinking matters Taylor's insight reveals her deep thoughtfulness as a meticulous researcher supervisor and mentor and her guidelines will ground you in shaping your own development as a researcher in practice Dr Margaret Martin Victoria University of Wellington New Zealand Reflection as a process of critical self evaluation continues to grow and be recognised as a successful approach to improving changing and managing healthcare practice This latest text by Taylor is a welcome addition to the increasing body of knowledge on the subject She writes as always with exceptional clarity and manages to combine practical guidance with experiential insights and theoretical frameworks Highlighting the importance of ordinary human communication for all healthcare professionals Taylor's text and presence is anything but ordinary Professor Dawn Freshwater University of Leeds UK This book is about more than reflection it is about a philosophy of nursing that Taylor has espoused throughout her career and it makes a connection with the reader in a way that many books do not This is a must have book for all who wish to move their practice forwards Joanne Pike Senior Lecturer NEWI North Wales This popular book provides practical guidance for healthcare professionals wishing to reflect on their work and improve the way they undertake clinical procedures interact with other people at work and deal with power issues The new edition has been broadened in focus from nurses and midwives exclusively to include all healthcare professionals Practice stories by a variety

of healthcare professionals are interweaved throughout the book to illustrate reflective practice and author's reflections boxes are used to illustrate the author's experience of reflective practice The book contains a clear and comprehensive description of The fundamentals of reflective practice and how and why it is embraced in healthcare professions Strategies for effective reflection Systematic approaches to technical practical and emancipatory reflection A step by step guide to applying the Taylor REFLECT model This edition also introduces the concept of ordinariness in health care which used consciously with the reflective practice processes in this book should increase the likelihood that patients receiving healthcare will feel acknowledged heard and comforted as intelligent human beings Working Blessedly Forever, Volume 1 R. Paul Stevens,2024-02-20 Work whether from home in cyberspace or in a factory or office occupies a major chunk of our time energy and soul This book seeks to make sense of our work in the world through adapting the pithy statement of the Puritan William Perkins to define marketplace theology as the science of working blessedly forever It is a science involving investigation but not just with the head thought but also with heart prayer and hand practice But it is a science of working So the book investigates a theology of work undertaken in the light of God's blessing and purpose And our work is not just for this life but forever since some of it could last into the new heaven and new earth where guess what Scripture says we will work as fully human and resurrected beings Stevens gathers his lifetime of research and teaching into this book showing through biblical research and contemporary analysis the meaning of work and human enterprise It could change your lifestyle your work style and your soul *Leadership Perspectives* Alan Hooper,2017-05-15 This definitive reference work is designed to meet a need for all those who have an interest in Leadership be they students at business schools academic researchers leadership consultants or practical leaders At last we have a collection of seminal peer reviewed articles and book chapters in one convenient volume All the members of the Editorial Team have an association with the renowned Centre for Leadership Studies at Exeter University and they have chosen their articles around six core themes Understanding Leadership Relationships Power and Leadership Leadership Identity and Difference Imagination Spirituality in Organizations These themes cover a broad spectrum of Leadership and this volume enables people to access some of the best writing on this fascinating topic all in one publication **Monks in the World** William Thiele,2014-02-03 In this moving spiritual memoir Dr William Thiele shares inspiring stories of the birthing of a monastery without walls among everyday women and men around New Orleans after the devastation of Hurricane Katrina in 2005 Along the way core contemplative attitudes practices and principles were discovered He offers these stories of birthing a School for Contemplative Living as a challenging call to a frantic and polarized world Readers will be drawn toward their own spiritual transformation as they encounter imperfect monks with messy lives who are practicing God's presence and learning to serve the world from that presence He encourages readers to join these monks in the world by forming contemplative communities who radiate loving kindness as their first priority **Management by Ethics** Richard H. Guerrette,2014-12-19 Management by Ethics MBE is

a reformation study of the renowned paradigm management by objectives MBO by Peter Drucker This book re focuses on how to manage companies by ethical principles with a morally developed workforce The benefit of this ethically practical paradigm MBE is that all business operations function with the total moral performance of the whole workforce from board room deliberations to work floor associations Through the operational strategies of moral development learning offered in this book the company becomes a team The marketplace changes with the interpersonal caring of managers workers and customers enjoying the MBE spirit of a trusting caring global community *Reframing Organizations* Lee G.

Bolman, Terrence E. Deal, 2017-07-24 Set aside trends to focus on the fundamentals of great leadership Reframing Organizations provides time tested guidance for more effective organizational leadership Rooted in decades of social science research across multiple disciplines Bolman and Deal s four frame model has continued to evolve since its conception over 25 years ago this new sixth edition has been updated to include coverage of cross sector collaboration generational differences virtual environments globalization sustainability and communication across cultures The Instructor s guide has been expanded to provide additional tools for the classroom including chapter summary tip sheets mini assessments Bolman today s flash in the pan is tomorrow s obsolete strategy but a leadership framework built on a solid foundation will serve your organization well no matter what the future holds Reframing Organizations provides clear guidance and up to date insight for anyone facing the challenges of contemporary leadership [Reviewing Leadership \(Engaging Culture\)](#) Robert J.

Banks, Bernice M. Ledbetter, David C. Greenhalgh, 2016-06-21 Evaluating Current Approaches to Leadership This book offers a comprehensive evaluation of current approaches to leadership from a discerning Christian perspective Combining expertise in leadership theology and ministry the authors take a historical look at leadership and how it is viewed and used in today s context The book is informed by both biblical and leadership studies scholarship and interacts with a number of popular marketplace writings on leadership It also evaluates exemplary role models of Christian leadership The second edition has been updated and revised throughout
