Reformation Reader Primary Texts With Introductions:

Reformation Reader Denis R. Janz, Although deeply political economic and social the European Reformations of the sixteenth century were at heart religious disputes over core Christian theological issues Denis Janz's *A Reformation Reader* is unabashed in its generous selection of key theological and related texts from five distinct Reformation sites Along with plenty on the late medieval background the Lutheran Calvinist Radical English and Catholic Reformations are all well represented here Janz's selection of more than 100 carefully edited primary documents captures the energy and moment of that tumultuous time The new edition incorporates a dozen readings by and about women in the Reformation adds a new chapter on Thomas M ntzer and the Peasants War and adds illuminating graphics **A Reformation Reader** Denis R.

Janz,2023-05-09 A classroom staple for nearly 30 years this new third edition presents over 100 carefully selected primary documents edited for even greater concision to capture the energy and moment of that tumultuous time The saving of space results in a shorter book that now includes even more readings The Surprising Work of God Garth M. Gospel Brokenness Clay Werner,2019-12-13 All of our hearts whether we know it or not long to know the deep joy of possessing and experiencing the permanent and passionate favor of God However all of our hearts also experience the twisted desires of sin and the foolish bent towards trying to deal with it in our own strength which usually means somehow trying to cover it up so others especially God won't see This two step dance of struggling and covering leaves us exhausted and more hardened Everyone who knows Christ knows about this tiring battle However the gospel is so extravagant that even a king like David who sinned and tried to hide it can find immeasurable and unexpected grace that restores spiritual vitality and makes one a wise counselor of mercy to the surrounding community Everyone who knows Christ also has this hope and is invited to experience again the superabundant grace found in this remarkably rich section of the Psalms This book invites you to step into a new gospel rhythm by exploring Saint Augustine's favorite psalm Psalm 32 By exploring this psalm you'll find the healing grace found in gospel brokenness

Where the Gods Are Mark S. Smith,2016-06-28 The issue of how to represent God is a concern both ancient and contemporary In this wide ranging and authoritative study renowned biblical scholar Mark Smith investigates the symbols meanings and narratives in the Hebrew Bible Ugaritic texts and ancient iconography which attempt to describe deities in relation to humans Smith uses a novel approach to show how the Bible depicts God in human and animal forms and sometimes both together Mediating between the ancients theories and the work of modern thinkers Smith's boldly original work uncovers the foundational understandings of deities and space

The Fatherhood of God in John Calvin's Thought Karin Spiecker Stetina,2016-03-01 Against the backdrop of feminist critique Karin Spiecker Stetina gives us a thorough study of John Calvin's ideas on the fatherhood of God After looking briefly at Calvin's own experience of fatherhood the author looks in depth at his epistemology and then his imagery for God as Father against the background of the biblical and historical doctrine This intriguing study allows us through the lens of the reformer's theology to look again at what we mean by God as Father and believers as sons and daughters of the living God

Martin Luther and the Seven Sacraments Brian C. Brewer,2017-10-03 This introduction to Martin Luther's sacramental theology addresses a central question in the life of the church and in ecumenical dialogue Although Luther famously reduced the sacraments from seven to two baptism and the Lord's Supper he didn't completely dismiss the others Instead he positively recast them as practices in the church This book explores the medieval church's understanding of the seven sacraments and the Protestant rationale for keeping or eliminating each sacrament It also explores implications for contemporary theology and worship helping Protestants imagine ways of reclaiming lost benefits of the seven sacraments

'Bethinke Thy Selfe' in Early Modern England Ulrike Tancke,2010 Studying a variety of literary forms autobiographical writings diaries mothers advice books poetry and drama this book approaches early modern women's strategies of identity formation The author argues for an interpretation of these

texts as attempts to establish a coherent stable and convincing subjectivity in spite of the constraints the authors encountered as women Drawing on social and cultural history feminist theory psychoanalysis and the study of discourses she makes close reading of the women s texts and other sources She questions interpretations of early modern women s writing as voices from the margin or as a counter discourse to patriarchy
