

The New Radical Right and Dissatisfaction with Democracy: Latin America in Comparative Perspective

por **Stéphanie Alenda** | salenda@unab.cl | Universidad Andres Bello

Traditional representative institutions are undeniably in crisis in many countries around the world. Despite a lack of consensus as to whether the crisis is irreversible or even exceptional, this global reversal of progress toward greater democratization has given rise to somewhat alarmist interpretations of the institutional disfunctions of regimes in which elites no longer act to guarantee basic democratic norms (Levitsky and Ziblatt 2018) or too much economic power is concentrated in their hands (Crayling 2017). The inability of political systems to channel demands and offer concrete solutions to problems of social concern, together with the expansion of critical citizens, has contributed to a radicalization of electorates. The far right has succeeded in "capturing social non-conformism in favor of different anti-progressive political escapes" (Stefanoni 2021, 9). This phenomenon tends to sharpen the perception of a crisis of democracy. The present article explores that perception, the global pattern of the far right, and the reideologization of the political debate.

The Radical Right as a Symptom of the Crisis of Democracy

The crisis of democracy is evident in questionings of the status quo given sharpened perceptions of social inequality; an unprecedented decline of electoral participation; rising distrust of institutions and governing politicians; and electors' willingness to mortgage democratic ideals when they collide with pressing issues such as order and security, the increasing cost of living, or immigration. Even in Finland, one of the world's most advanced democracies, citizens have become willing to trade liberal

democratic principles for progress on objectives of more immediate public interest (Saikkonen and Christensen 2022). In Europe generally, the weakening of democracy that has been perceived since the 1980s appears inseparable from the decline of social democratic models (Bandau 2021). In a context of slowing economic growth, social democratic parties have increasingly embraced fiscal orthodoxy and structural reforms.

This weakening of democracy is also fed by the new technological revolution, which has contributed to deregulation of political relations. Immediate access to information encourages individualism and makes citizens feel less need for intermediation. To an ever-increasing extent, the relation between citizens and the state has come to resemble a commercial transaction, weakening the essence of deliberation. Meanwhile, digital media has magnified the visibility of candidates who are in open conflict with liberal democracy.

Although there is a tendency to overestimate the electoral effect of disinformation through social networks (Dungherr and Schroeder 2021), Donald Trump's victory in 2016 set off alarm bells. Three things reinforced pessimism about the future of democracy: the fact that his election occurred in the very cradle of modern democracy; the coincidence with Britain's Brexit vote; and the electoral resurgence of what could be called a "radical" Right that undermines liberal democracy's principles but also, unlike the "extreme" right which « rejects the essence of democracy, that is, popular sovereignty and majority rule» (Mudde 2019, 7). As a sign of the growing normalization of those parties, in the

Right And Democracy In Latin America:

The Right and Democracy in Latin America Douglas A. Chalmers, Maria do Carmo Campello de Souza, Atilio Boron, 1992-02-28 This book of up to date studies by a group of research scholars from Latin America and the United States examines the factors essential to an understanding of the Right's goals, organizations and commitment to democracy. The book is divided into four distinctive sections, the first of which deals with the general characteristics of the Right. The following three sections explore in depth the political strategies and organizations of the Right in elections and governing coalitions, the conservative trends that are changing the Church, and the fate of neo-liberal ideas among businessmen traditionally dependent on the State. Several chapters are devoted to the distinctive dynamics in Argentina, Brazil, Mexico and Peru.

Gender and the Politics of Rights and Democracy in Latin America Maxine Molyneux, 2016-01-28 This volume assesses one of the most important developments in contemporary Latin American: women's movements, the engagement with rights-based discourses. Organised women have played a central role in the continued struggle for democracy in the region and with it, gender justice. The foregrounding of human rights and within them, the recognition of women's rights has offered women a strategic advantage in pursuing their goals of an inclusive citizenship. The country-based chapters analyse specific bodies of rights: rights and representation, domestic violence, labour rights, reproductive rights, legal advocacy, socio-economic rights, rights and ethnicity, and rights, the state and autonomy.

Uncivil Movements Leigh A. Payne, 2000 The eighth and final instalment of the international best-selling series from Jenny Nimmo starring Charlie Bone. An Academy for magic and special talents. A destiny unfulfilled. A secret legacy. Join Charlie Bone as he discovers the truth about the Red King and the key to his own past. The Bloors are gathering their evil forces: thieves, poisoners, kidnappers, swindlers and even murderers from Piminy Street. And Lord Grimwald Dagbert's father is enlisted to drown Charlie's father and mother on their second honeymoon using his magical Sea Globe. It looks like Charlie's only hope might be the mysterious Red Knight. But who is he? And can he help Charlie defeat the Bloors once and for all? All the magical threads come together in this amazing finale to a hugely compelling series. With nearly 5 million copies sold, Jenny Nimmo's fantasy series is still charming generations of children over a decade after Charlie Bone was first printed.

Constructing Democracy Elizabeth Jelin, 2019-03-11 In this pathbreaking contribution to debates about human rights, democracy and society, distinguished social scientists from Latin America and the United States move beyond questions of state terror, violence and similar abuses to embrace broader concepts of human rights, citizenship, identity, civil society, racism, gender discrimination and poverty.

Democracies and Dictatorships in Latin America Scott Mainwaring, Aníbal Pérez-Liñán, 2014-01-31 This book presents a new theory for why political regimes emerge and why they subsequently survive or break down. It then analyzes the emergence, survival and fall of democracies and dictatorships in Latin America since 1900. Scott Mainwaring and Anibal Pérez Liñán argue for a theoretical approach situated between long-term structural and cultural explanations and short-term explanations that look at the

decisions of specific leaders They focus on the political preferences of powerful actors the degree to which they embrace democracy as an intrinsically desirable end and their policy radicalism to explain regime outcomes They also demonstrate that transnational forces and influences are crucial to understand regional waves of democratization Based on extensive research into the political histories of all twenty Latin American countries this book offers the first extended analysis of regime emergence survival and failure for all of Latin America over a long period of time

Challenges of Human Rights in Latin America Casar Landa, César Landa Arroyo, 2019 Latin America offers a democratic and constitutional process with the goals to respect fundamental human rights and control the excess of power Nevertheless the weaknesses of the rule of laws institutions does not guarantee for all citizens the protection of old and new rights In this sense the Inter American Fundamental Rights Conference organized by the Inter American Network on Fundamental Rights and Democracy REDIDD is an annual meeting of professors and researchers from the different universities of Latin America addressing topics of particular importance regarding the possibilities and challenges of the consolidation of the constitutional state in the region This book presents the minutes of the Fourth Inter American Fundamental Rights Conference and explores topics such as political rights and the consolidation of democracy in Latin America impeachment and judicial guarantees the challenges of freedom of information and judicial protection and due process amongst others

Human Rights in Latin America United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Human Rights and International Organizations, 1992

Engendering Transitions Georgina Waylen, 2007-05-24 What has been the impact of transitions to democracy on gender relations What roles have women s mobilizations played in processes of democratization In a new and over arching thematic analysis *Engendering Transitions* answers these questions by comparing the transitions from state socialism and authoritarianism that took place as part of the third wave of democratization that swept the world from the mid 1970s onwards Using empirical material drawn from eight case study countries in East Central Europe and Latin America as well as South Africa Georgina Waylen explores the gendered constraints and opportunities provided by processes of democratization and economic restructuring This book uses a sophisticated analytical framework that brings together the analysis of key actors and institutions and shows that under certain conditions transitions to democracy can result in some positive gender outcomes such as improvements in women s political representation and more gender sensitive policy in areas such as domestic violence Georgina Waylen argues that women s mobilization during transitions is no guarantee of success and change is easier to achieve in some areas than others Understanding the roles that can be played by organized women s movements key actors and the wider political environment is crucial in helping us to explain why these gender outcomes vary in different contexts This book addresses important debates within the study of both comparative politics and gender and politics and substantially improves our understanding of the ways in which transitions to democracy are gendered

Conservative Parties, the Right, and Democracy in Latin America Kevin J. Middlebrook, 2000

Resurgent Voices in Latin America Edward L. Cleary, Timothy J. Steigenga, 2004 Annotation After more than 500 years of marginalisation Latin America's forty million Indians have gained political recognition and civil rights Here social scientists explore the important role of religion in indigenous activism showing the ways that religion has strengthened indigenous identity and contributed to the struggle for indigenous rights

Yeah, reviewing a book **Right And Democracy In Latin America** could grow your near friends listings. This is just one of the solutions for you to be successful. As understood, expertise does not suggest that you have fantastic points.

Comprehending as without difficulty as deal even more than further will have the funds for each success. neighboring to, the revelation as competently as perception of this Right And Democracy In Latin America can be taken as without difficulty as picked to act.

Right And Democracy In Latin America Introduction

In the digital age, access to information has become easier than ever before. The ability to download Right And Democracy In Latin America has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Right And Democracy In Latin America has opened up a world of possibilities. Downloading Right And Democracy In Latin America provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Right And Democracy In Latin America has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Right And Democracy In Latin America. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Right And Democracy In Latin America. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Right And Democracy In Latin America, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Right And Democracy In Latin America has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Right And Democracy In Latin America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Right And Democracy In Latin America is one of the best book in our library for free trial. We provide copy of Right And Democracy In Latin America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Right And Democracy In Latin America. Where to download Right And Democracy In Latin America online for free? Are you looking for Right And Democracy In Latin America PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Right And Democracy In Latin America. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Right And Democracy In Latin America are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Right And Democracy In

Latin America. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Right And Democracy In Latin America To get started finding Right And Democracy In Latin America, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Right And Democracy In Latin America So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Right And Democracy In Latin America. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Right And Democracy In Latin America, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Right And Democracy In Latin America is available in our book collection an online access to it is set as public so you can download it instantly.
