Right To Life The Eastern Orthodox Christian Perspective On Abortion:

The Right to Life Dumitru Macaila,2001-07 All biblical texts on the sanctity of human life The teachings of the Fathers on abortion The science on the life of the unborn The teachings of other religions on abortion including Islam and Buddhism A review of the Roman Catholic and Protestant teachings on abortion The contemporary position of the Orthodox Church on abortion Social and political realities in modern abortion politics How each Orthodox Christian can relate to the issue of abortion today *The Mystery Beyond Human Development* George Farahat,2020-06-29 This book will fascinate the reader as the author shares his own true story since his childbirth in Egypt his growth passions sufferings and hopes and that of many others he knew The book brings to light the relational character of the cosmos and all life it contains as a reflection of the Mystery of God who is Love Based on the historical development of thought and science as well as recent research the author argues that humanity is destined for the Second Coming of Christ the Alpha and Omega Based on the development of civilizations the book illustrates violence vengeance greed passion fear security collaboration love and success as examples from history of individuals as well as cultures The premise of the book is that humans by nature are relational Since early civilizations collaboration and reciprocity between tribes led to trade and thus learning developed in many centers But knowledge is not only intellectual Knowledge is completed in the love of the other which is pervasive in human thought and relations The conclusion proposes imitation of love the love shown in the life and teachings of Christ even if hard in order to live eternal life *Euthanasia, Abortion, Death Penalty and Religion - The Right to Life and its Limitations* Hans-Georg Ziebertz,Francesco Zaccaria,2018-11-16 This book considers how the termination of life might be accepted in the view of a general obligation to protect life It features more than 10 papers written by scholars from 14 countries that offer international comparative empirical research Inside readers will find case studies from such areas as India Chile Germany Italy England Palestine Lithuania Nigeria and Poland The papers focus on three limitations of the right to life the death penalty abortion and euthanasia The contributors explore how young people understand and evaluate the right to life and its limitations The book presents unique empirical research among today's youth and reveals that among other concepts religiosity matters It provides insight into the acceptance perception and legitimation of human rights by people from different religious and cultural backgrounds This investigation rigorously tests for inter individual differences regarding political and judicial rights on religious grounds while controlling for other characteristics It will help readers better understand the many facets of this fundamental yet controversial philosophical question The volume will be of interest to students researchers as well as general readers searching for answers **Research Handbook on International Abortion Law** Mary Ziegler,2023-03-02 The Research Handbook on International Abortion Law provides an in depth multidisciplinary study of abortion law around the world presenting a snapshot of global policies during a time of radical change With leading scholars from every continent Mary Ziegler illuminates key forces that shaped the past and will

influence an unpredictable future *Life After Roe* David Closson,2025-04-01 *Life After Roe* equips believers with the knowledge and tools needed to navigate the evolving landscape surrounding abortion after the Dobbs v Jackson decision

The Abolition of Christianity Mark Walia,2022-05-26 Thanks to a wave of militant secularism now sweeping across America and the entire Western World Traditional Christianity stands on the verge of destruction Secularism has already triumphed on multiple fronts be it abortion euthanasia homosexuality or the right to sexual freedom and aspires to further revolutionary changes including elimination of marriage the family and gender itself That is the provocative message set forth in Mark Walia s *The Abolition of Christianity* Tailor made for people of faith seeking to understand exactly why our culture has become so hostile towards Christian principles this lively book will also appeal to anyone who enjoys controversial material on religion and politics

Human Rights and Human Dignity John Warwick Montgomery,2018-02-06 No one is against human rights It is obviously a good thing until one starts to think about the meaning of the term and its implications Then it shows itself to be an idea that polarizes encouraging uncritical support and also extreme reaction from both secularists and religionists John Warwick Montgomery who is both a lawyer and a theologian is uniquely qualified to address the question of human rights In clear easily understood language he analyzes what human rights are and addresses the crucial question How can human rights properly understood be legitimated Montgomery shows that is there is a foundation for human rights it must be sought in a transcendent perspective in the revelational content of the Bible

Faith in America Charles H. Lippy,2006-09-30 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return This timely set looks at the major forces that are changing the shape of religion in American life With an influx of immigrants from Asia Latin America and other regions the diversity of religion has grown to include Buddhism Hinduism Islam and other faiths Latin American and African American communities have experienced changes in the ways they practice their faith and in turn influence American culture in general Women have entered the clergy in record numbers and the push for allowing women and gays to enter the clergy in religions that limit or prohibit their roles is on the increase In addition gay couples are leading the same sex marriage movement and other social issues such as abortion stem cell research end of life care etc are still being debated Interest over how people actually live out their religion or spirituality has mushroomed in recent decades thanks in part to the information revolution and popular culture What folks do when they gather together to worship and where they come together has changed dramatically with the advent of the Internet and the role of sports in American life So much has changed and faith in

America has become more important than ever as part of our culture our way of life and the way we relate to each other and the world around us The essays found in these pages shed light on our understanding of these transformations and help us comprehend the enormous role of religion in our society and in our world **The Ethics of Sex and Genetics** Warren T. Reich,1998 This single volume reference provides information answers and context for the often difficult questions arising from today s perception of sex and reproduction Among the topics covered are abortion AIDS lifestyles public health fertility genetics sexual ethics and prostitution **Formation for Life** Glen Stassen,Rodney L. Petersen,Timothy A. Norton,2013-08-16 From all corners of the world both inside cities and in the remote countryside the cry for just peace rings out loud and strong But as many will note in this book the cry for just peace isn t enough for just peace requires active faith working hands and willing hearts Gathered in this volume are essays written from a wide variety of perspectives religious traditions nationalities and ages from a sixteen year old high school student to an eighty four year old senior professor that seek to offer insight toward answering one question How are just peacemaking faith formation and discipleship connected within a twenty first century context
