

Rioting In America

Paul A. Gilje

Rioting In America:

Rioting in America Paul A. Gilje, 1999-03-22 a sweeping analytical synthesis of collective violence from the colonial experience to the present American Studies Gilje has written the book on rioting throughout American history The Historian a thorough illuminating and at times harrowing account of man's inhumanity to man William and Mary Quarterly fulfills its title's promise as an encyclopedic study an impressive accomplishment and required reading for anyone interested in America's contentious past Journal of the Early Republic Gilje has written a thought provoking survey of the social context of American riots and popular disorders from the Colonial period to the late 20th century a must read for anyone interested in riots Choice In this wide ranging survey of rioting in America Paul A Gilje argues that we cannot fully comprehend the history of the United States without an understanding of the impact of rioting Exploring the rationale of the American mob brings to light the grievances that motivate its behavior and the historical circumstances that drive the choices it makes Gilje's unusual lens makes for an eye opening view of the American people and their history

Encyclopedia of American Race Riots

Walter C. Rucker, James N. Upton, 2006-11-30 Race riots are the most glaring and contemporary displays of the racial strife running through America's history Mostly urban mostly outside the South and mostly white instigated the number and violence of race riots increased as blacks migrated out of the rural South and into the North and West's industrialized cities during the early part of the twentieth century Though white on black violence has been the most common form of racial violence riots involving Asians and Hispanics are also included and examined Race riots are the most glaring and contemporary displays of the racial strife running through America's history Mostly urban mostly outside the South and mostly white instigated the number and violence of race riots increased as blacks migrated out of the rural South and into the North and West's industrialized cities during the early part of the twentieth century While most riots have occurred within the past century the encyclopedia reaches back to colonial history giving the encyclopedia an unprecedented historical depth Though white on black violence has been the most common form of racial violence riots involving other racial and ethnic groups such as Asians and Hispanics are also included and examined Organized A-Z topics include notorious riots like the Tulsa Riots of 1921 the Los Angeles Riots of 1965 and 1992 the African American community's preparedness and responses to this odious form of mass violence federal responses to rioting an examination of the underlying causes of rioting the reactions of prominent figures such as H Rap Brown and Martin Luther King Jr to rioting and much more Many of the entries describe and analyze particular riots and violent racial incidents including the following Belleville Illinois Riot of 1903 Harlem New York Riot of 1943 Howard Beach Incident 1986 Jackson State University Incident 1970 Los Angeles California Riot of 1992 Memphis Tennessee Riot of 1866 Red Summer Race Riots of 1919 Southwest Missouri Riots 1894 1906 Texas Southern University Riot of 1967 Entries covering the victims and opponents of race violence include the following Black Soldiers Lynching of Black Women Lynching of Diallo Amadou Hawkins Yusef King Rodney Randolph A Philip Roosevelt Eleanor Till

Emmett Lynching of Turner Mary Lynching of Wells Barnett Ida B Many entries also cover legislation that has addressed racial violence and inequality as well as groups and organizations that have either fought or promoted racial violence including the following Anti Lynching League Civil Rights Act of 1957 Economic Opportunity Act of 1964 Ku Klux Klan National Association for the Advancement of Colored People NAACP Nation of Islam Vigilante Organizations White League Other entries focus on relevant concepts trends themes and publications Besides almost 300 cross referenced entries most of which conclude with lists of additional readings the encyclopedia also offers a timeline of racial violence in the United States an extensive bibliography of print and electronic resources a selection of important primary documents numerous illustrations and a detailed subject index

Rioting in America Paul Arn Gilje (1951),1999 In this wide ranging survey of rioting in America Paul A Gilje argues that we cannot fully comprehend the history of the United States without an understanding of the impact of rioting Exploring the rationale of the American mob brings to light the grievances that motivate its behavior and the historical circumstances that drive the choices it makes Gilje s unusual lens makes for an eye opening view of the American people and their history

Violence in America Ted Robert Gurr,1989-06 An excellent companion to Violence in America The History of Crime this volume provides fascinating insight into recently developed theories on the sources of recurring conflict in American society With their main focus on traumatic issues that have generated group violence and continue to do so the contributors discuss the most intractable source of social and political conflict in our history the resistance of Black Americans to their inferior status and the efforts of White Americans to keep them there Other intriguing topics include the emergence and decline of political terrorism and the continuation of violent threats from right wing extremists such as the Klan the Order and the Aryan nations The basic assumption underlying all interpretations is that group violence grows out of the dynamics of social change and political contention The idea presented is that the origins processes and outcomes of group violence like the causes and consequences of crime must be understood and dealt with in their social contexts This volume is essential reading for students and professionals in history criminology victimology political science and other related areas

SEE QUOTE W VOLUME ONE *America's Secret Jihad* Stuart Wexler,2015-07-19 The conventional narrative concerning religious terrorism inside the United States says that the first salvo occurred in 1993 with the first attack on the World Trade Center in New York City This narrative has motivated more than a decade of wars and re prioritized America s domestic security and law enforcement agenda But the conventional narrative is wrong A different group of jihadists exists within US borders This group has a long but hidden history is outside the purview of public officials and has an agenda as apocalyptic as anything Al Qaeda has to offer Radical sects of Christianity have inspired some of the most grotesque acts of violence in American history the 1963 Birmingham Church bombing that killed four young girls the Mississippi Burning murders of three civil rights workers in 1964 the assassination of Martin Luther King Jr in 1968 the Atlanta Child Murders in the late 1970s and the Oklahoma City Bombing in 1995

America's Secret Jihad uses these crimes to tell a story that has not been told before. Expanding upon the author's groundbreaking work on the Martin Luther King Jr. murder and through the use of extensive documentation never before released interviews and a re-interpretation of major events, America's Secret Jihad paints a picture of Christian extremism and domestic terrorism as it has never before been portrayed.

America's Gun Wars Donald J. Campbell, 2019-04-10. This book examines the controversies surrounding gun control, which are less about whether it works and more about whether the nation should prioritize traditional values of rugged independence or newer values of communitarian interdependence. America's Gun Wars contends that an understanding of America's gun controversy cannot be found in statistics documenting the rise or fall of violent crime or in examining trade-offs between societal needs and personal safety or in following the political maneuvering of advocacy groups such as the National Rifle Association or Everytown for Gun Safety. At heart, the gun controversy is a values conflict involving how people see themselves and how they make sense of the world they live in. Understanding this controversy requires a deep analysis of the profoundly different cultures inhabited by pro and anti-gun activists, lawmakers, and voters. Written by a social scientist who has spent his life exploring how values and self-perceptions impact behavior, this book explores the origins and evolution of cultures in American society, the beliefs, experiences, and principles that guide the behavior of members in both camps, and the triumphs and failures that the two sides have experienced from colonial times to the present day.

American Urban Politics in a Global Age Paul Kantor, Dennis R. Judd, 2015-10-05. Bringing together a selection of readings that represent some of the most important trends and topics in urban scholarship today, American Urban Politics provides historical context and contemporary commentaries on the economy, politics, culture, and identity of American cities. This seventh edition examines the ability of highly autonomous local governments to grapple with the serious challenges of recent years, challenges such as the stresses of the lingering economic crisis and a series of recent natural disasters. Features: Each chapter is introduced by an editor's essay that places the readings into context and highlights their central ideas and findings. Division into three historical periods emphasizes both the changes and continuities in American urban politics over time. The reader is the perfect complement for Judd Swanson's City Politics: The Political Economy of Urban America. 7e also available in a new edition. ISBN 0 205 03246 X.

Encyclopedia of American Urban History David Goldfield, 2007. Publisher description: *America*, 1911.

Contesting Democracy Byron E. Shafer, Anthony J. Badger, 2001. Leading scholars provide a comprehensive history of two centuries of U.S. politics. Contributions from a who's who of political historians.
