Services Trade In The Western Hemisphere Liberalization Integration And Reform:

Services Trade in the Western Hemisphere Sherry M. Stephenson, 2010-12-01 The services sector including financial services telecommunications transportation tourism and professional services has become critical to the continued economic dynamism in the Americas And the quality and competitiveness of this sector are essential to economic growth and development On average services increasingly traded in more numerous and far reaching ways than goods account for nearly two thirds of the gross domestic product of the Western Hemisphere The importance of the sector however is disproportionately large in Central America and the Caribbean where it often is the major source of employment and of foreign exchange This timely volume is the first to review and analyze trade agreements covering the services sector in the Western Hemisphere and their relationship to the General Agreement on Trade in Services GATS in force since 1995 as an integral part of the World Trade Organization WTO Negotiations on liberalizing services trade are continuing at the multilateral the regional or hemispheric and the subregional levels It is imperative to understand what is being discussed and implemented at these different levels and to articulate the linkages and relationships among the various agreements and the disciplines and obligations they contain *Services Trade in the Western Hemisphere* informs the reader about these issues and more Part 1 deals with the main issues relevant to the liberalization of services trade at the multilateral and regional levels including improvements to the GATS architecture the scope of regulatory reform the relationship between the treatment of services and investment WTO requirements that must be fulfilled by parties to an economic integration agreement and disagreements brought to the multilateral dispute settlement process Part 2 examines the scope content and liberalizing approach of subregional agreements in the Western Hemisphere such as the North American Free Trade Agreement and those promulgated by the Andean Community as well as several bilateral free trade agreements covering services in particular those signed by Mexico Chile and Central America Part 3 evaluates the extent of liberalization of services trade achieved to date at the multilateral and subregional levels and discusses options for improvements in the context of the ongoing Free Trade Area of the Americas negotiations

Services Trade in the Western Hemisphere Sherry Stephenson, 2000-08 Deals with the main issues relevant to the liberalization of services trade at the multilateral and regional levels Examines the scope content and liberalizing approach of subregional agreements in the Western Hemisphere such as the North American Free Trade Agreement and those promulgated by the Andean Community Evaluates the extent of liberalization of services trade achieved to date at the multilateral and subregional levels Discusses options for improvements in the context of the ongoing Free Trade Area of the American negotiations

A Handbook of International Trade in Services Aaditya Mattoo, Robert M. Stern, Gianni Zanini, 2008 This title provides a comprehensive introduction to the key issues in trade and liberalization of services Providing a useful overview of the players involved the barriers to trade and case studies in a number of service industries this is ideal for policymakers and students interested in trade The Preferential

Liberalization of Trade in Services Pierre Savu_,Anirudh Shingal,2014-04-25 This book fills an important gap in the trade literature by offering a comprehensive cross regional comparison of approaches to preferential market opening and rule making in the area of trade in services Chronicling the spectacular recent rise of **WTO - Trade in Services** Rüdiger Wolfrum,Peter-Tobias Stoll,Clemens Feinäugle,2008-02-28 With the establishment of the WTO trade in services became part of the world trade order Volume 6 is dedicated to these rather recent developments It covers the core agreement the General Agreement on Trade in Services GATS with annexes as well as the additional instruments which have been adopted later on to govern the liberalization in specific sectors Those are the Understanding on Commitments in Financial Services the Second Protocol on Financial Services the Third Protocol on the Movement of Natural Persons the Fourth Protocol on Basic Telecommunications and the Fifth Protocol which contains further rules for financial services This volume will be a valuable reference tool for the WTO community as a whole as well as for professionals and researchers who deal with one of the sectors concerned e g financial services and telecommunications Furthermore it is highly relevant in view of those sectors which are the subject of ongoing liberalization efforts or earmarked for future negotiations namely accounting legal services transport tourism environmental services legal and educational services **The Liberalization of Maritime Transport Services** Benjamin Parameswaran,2012-12-06 Despite multiple efforts on the bilateral regional and multilateral level to create uniform or at least harmonized rules for commercial operations and practices in the maritime transport sector and to liberalize maritime transport services by tearing down the barriers that exist in that sector there is until today no global regime regulating or rather deregulating the supply of maritime transport services and ensuring open markets In this situation private economic actors are confronted with substantial legal uncertainty This book provides a detailed analysis of the history of maritime transport services in the Uruguay and post Uruguay Round negotiations and the role of the sector in the ongoing Doha Round talks where Member States have the opportunity to work towards a global regime ensuring the progressive liberalization of the sector The reader will be confronted with an extensive overview of the role of maritime transport services in the WTO GATS framework a topic basically uncovered in the literature so far *FTAA: Expanding Hemispheric Trade* , Latin America: Its Future in the Global Economy P. Rich,2001-11-14 Latin America Its Future in the Global Economy is a timely contribution to the effort to meet the complex challenges entailed in Latin America s increasing participation in world markets Taking into account the recent changes in the region and a future WTO conference twelve economists and two international trade lawyers provide a framework for the analysis of trade negotiations by identifying key points of disagreement among trading partners and discuss controversial issues such as the environment labour and agriculture exceptional protection investment services e commerce and the efficiency of the dispute settlement mechanism The contributors identify the optimum approach for Latin America to take in protecting its interests and enhancing its advantages in global trade and assess the various tools that negotiators might use during the forthcoming round of

multilateral negotiations They make concrete recommendations concerning trade strategy policy implementation and management together with suggestions as to how Latin America and other developing countries can increase their bargaining power in order to deal with new circumstances as they arise The Oxford Handbook of International Trade Law Daniel Bethlehem,Donald McRae,Rodney Neufeld,Isabelle Van Damme,2009-01-08 Over the past 10 years the content and application of international trade law has grown dramatically The WTO created a binding dispute settlement process and in resolving disputes the judicial organs of the WTO have built up a substantial amount of new international trade law Emerging from this new WTO process is an international trade law system that is in some respects self contained and in other respects overlapping and linked to other international legal economic and political regimes The boundaries of trade law are now generating enormous interest and controversy which at a broader level is subsumed within the debate over globalisation The detailed development of the rules of international trade is being examined with increasing frequency by scholars government officials and trade law practitioners But how does it fit with existing systems How it is modified by them How does the international trade law system affect and modify other regimes This Handbook places international trade law within its broader context providing comment and critique on contemporary thinking on a range of questions both related specifically to the discipline of international trade law itself and to the outside face of international trade law and its intersection with States and other aspects of the international system It examines the economic and institutional context of the world trading system its substantive law including regional trade regimes and the settlement of disputes The final part of the book explores the wider framework of the world trading system considering issues including the relationship of the WTO to civil society the use of economic sanctions state responsibility and the regulation of multinational corporations Oxford Handbooks offer authoritative and up to date surveys of original research in a particular subject area Specially commissioned essays from leading figures in the discipline give critical examinations of the progress and direction of debates Oxford Handbooks provide scholars and graduate students with compelling new perspectives upon a wide range of subjects in the humanities and social sciences Preferential Trade Agreement Policies for Development Jean-Pierre Chauffour,Jean-Christophe Maur,2011-06-22 The Handbook offers an introduction to the key elements of Preferential Trade Agreements PTAs addressing the practical economic and legal aspects of the regulatory policies in PTAs
