Serving The Millennial Generation New Directions For Student Services:

Serving the Millennial Generation Michael D. Coomes, Robert DeBard, 2004-08-19 Higher education is on the cusp of a new enrollment boom The U S Department of Education estimates that by 2012 total college enrollment will exceed 15.8 million students an increase of more than 12 percent over the 2003 enrollment level The bulk of this increase will consist of traditional age students who are members of the Millennial generation born after 1981 This generation of students and their attitudes beliefs and behaviors will require student affairs practitioners to adopt new learning and service strategies rethink student development theories and modify educational environments It is the goal of this volume of New Directions for Student Services to give readers a foundation for understanding this newest generation of students and to offer suggestions on how to educate and serve them more effectively Page 4 of cover [Serving the Millennial Generation](#) Michael D. Coomes, Robert DeBard, 2011-10-14 By 2012 total college enrollment is projected to exceed 15.8 million and a new generation of students and their attitudes beliefs and behaviors will be in the forefront of this enrollment boom Now is the time for student affairs practitioners to consider new learning and service strategies rethink student development theories and modify educational environments This volume provides a foundation for understanding the incoming generation of students and to offer suggestions on how to educate and serve them more effectively This best selling issue is the 106th volume of the Jossey Bass higher education report New Directions for Student Services [New Directions for Student Services, 1997-2014: Glancing Back, Looking Forward](#) Elizabeth J. Whitt, John H. Schuh, 2015-09-11 Student affairs has changed greatly in the almost twenty years that the series editors have been managing New Directions for Student Services This volume provides a look back at this period of time from 1997 through 2014 with topical chapters focused on trends in student affairs during the past two decades changes in students and the most effective student affairs responses progress and recommendations for assessment in student affairs and challenges with and skills needed for digital technologies finance and budgets and staff preparation The volume concludes with a look into the future of student affairs practice based in part on the lessons learned from looking at the recent past This is the 151st volume of this Jossey Bass higher education quarterly series An indispensable resource for vice presidents of student affairs deans of students student counselors and other student services professionals New Directions for Student Services offers guidelines and programs for aiding students in their total development emotional social physical and intellectual [Emerging Adulthood and Higher Education](#) Joseph L. Murray, Jeffrey Jensen Arnett, 2018-09-13 This important book introduces Arnett's emerging adulthood theory to scholars and practitioners in higher education and student affairs illuminating how recent social cultural and economic changes have altered the pathway to adulthood Chapters in this edited collection explore how this theory fits alongside current student development theory the implications for how college students learn and develop and how emerging adulthood theory is uniquely suited to address challenges facing higher education today Emerging Adulthood and Higher Education provides

important recommendations for administrators counselors and student affairs personnel to provide effective programs and services to facilitate their emerging adults journeys through this formative stage of life *Learning Everywhere on Campus* Jane Fried, Ruth Harper, 2017-08-21 Although student affairs practitioners play a key role in student learning few are familiar with learning theories the design of experiential education or pedagogical theory This edited collection describes programs in which student affairs professionals work independently or in collaboration with academic faculty and community partners to create more intentional and consistent approaches that enhance student learning Examples models and case studies throughout the chapters make the theories and ideas specific and practical Exploring educational opportunities in and outside the classroom such as peer education leadership development life and career planning civic engagement service learning and study abroad this book provides both theories and pedagogical frameworks for organizing and integrating the entire institution to promote and support learning Drawing on multiple perspectives *Learning Everywhere on Campus* shares the interventions and strategies necessary to help students learn new information acquire skills and understand the value of this knowledge in constructing their sense of purpose and self in the world **Black Men in College** Robert T. Palmer, J. Luke Wood, 2012-03-12 *Black Men in College* provides vital information about how to effectively support retain and graduate Black male undergraduates This edited collection centers on the notion that Black male collegians are not a homogenous group rather they are representative of rarely acknowledged differences that exist among them This valuable text suggests that understanding these differences is critical to making true inroads in serving Black men Chapter contributors describe the diverse challenges Black men in HBCUs face and discuss how to support and retain high achieving men gay men academically unprepared men low income men men in STEM American immigrants millennials collegiate fathers those affiliated with Greek organizations and athletes Recommendations for policy and practice to encourage retention and persistence to degree completion are grounded in extant theory and research This text is a must read for all higher education faculty researchers and student affairs practitioners interested in addressing the contemporary college experiences of Black men in postsecondary institutions **Cross-Cultural Online Learning in Higher Education and Corporate Training** Keengwe, Jared, 2014-01-31 This book brings together researchers who study and professionals who design and deliver online training across cultures in both higher education and corporate training settings to share paradigms perspectives insights best practices challenges and best practices Provided by publisher [Creating a Veteran-Friendly Campus: Strategies for Transition and Success](#) Robert Ackerman, David DiRamio, 2011-10-11 As the United States wars in Afghanistan and Iraq continue increasing numbers of students who experienced combat will enroll in colleges and universities There is mounting evidence that these veterans will require support unique to their needs beyond the processing of financial aid paperwork from the Veterans Administration Obviously combat frequently inflicts injuries both physical and mental that will require attention but veterans are a unique population in other ways as well Soldiers experience extraordinary bonding in wartime

and colleges can provide opportunities for that fellowship to be a source of support and connection Female veterans will bring a new nontraditional perspective to campus and student service organizations should pay careful attention There is also a significant group of students who leave for service and return under the best of circumstances they need accommodation to succeed Institutions of higher education traditionally have responded to the needs of special student populations by developing programs and offering services This volume contains information about programmatic initiatives that can help create a welcoming environment for veterans one that encourages serious creative involvement The authors bring broad experience and deliberate consideration to bear on questions that are only becoming more important to the entire spectrum of American colleges and universities This is the 126th volume of the Jossey Bass higher education quarterly report series New Directions for Student Services an indispensable resource for vice presidents of student affairs deans of students student counselors and other student services professionals Each issue of New Directions for Student Services offers guidelines and programs for aiding students in their total development emotional social physical and intellectual
