Seven Experiments that Could Change the World Rupert Sheldrake, 2002 Seven Experiments that Could Change the World Rupert Sheldrake, 1996 Examines the realities of unexplainable natural phenomenon and provides explanations that push the boundaries of science Copyright Libri GmbH All rights reserved Advances in Parapsychological Research 9 Stanley Krippner,,Adam J. Rock,Julie Beischel,2013-09-06 The essays in this volume 9 of a series inform readers of the present status of leading issues in parapsychology or psi research The authors are experts in their fields and have written in a reader friendly way that captures the complexity and importance of their topics Each essay comprehensively reviews a controversial topic from a critical stance and updates its status based on the latest theoretical and empirical considerations For readers who need to keep pace with the evolution of thinking in psi research this volume is authoritative Psychic Awareness Lynn A. Robinson,LaVonne Carlson-Finnerty,Katherine A. Gleason,2004 Covers intuitive insights on precognition ESP telepathy and other psychic abilities trust building exercises to unlock your powers of inner wisdom meditative methods to get in touch with your body s psychic messages Psi Wars James E. Alcock,Jean E. Burns,Anthony Freeman,2003 At the heart of the parapsychology psi battle are two types of phenomena extra sensory perception and psycho kinesis Neither effect can be explained by ordinary science so parapsychologists with evidence that they are real are accused of bad science or bad faith or both Enough is Plenty Anne B. Ryan,2009-11-16 Enough is an ancient master concept which today finds renewed expression in a variety of proposals for a transition to a better world Each one of us has an innate sense of enough everybody can play a part in the movement of enough and at the same time improve daily well being The book is a unique blend of ideas practice and resources integrating philosophy morality ecology spirituality self help citizenship leadership economics and politics Afterlife Encounters Dianne Arcangel,2005-09-02 Never before released research proves the dead communicate with us As a former hospice worker and director of the Elisabeth K bler Ross Center Dianne Arcangel was certain that visitations from beyond death provided comfort and hope for loved ones still grappling with their loss As a researcher however she was unable to find specific data to measure that comfort and hope To remedy this lack of information she created the Afterlife Encounters Survey a five year international survival study Afterlife Encounters reveals the results of this landmark study and for the first time offers a systematic categorization of such encounters explaining when these encounters are most likely to occur and what type of apparition is likely to appear Afterlife Encounters presents not only the data but also the stories beyond the numbers as friends and family members relate their visitation experiences in their own words Included are amazing stories of the dead returning to tell loved ones that they had been murdered and who it was that killed them apparitions revealing where family treasure was buried even one spirit who provided a remarkable account of the tragedies of 9 11 weeks before those events occurred The stats and stories that Arcangel shares are certain to stay with you for a long time as will her eye opening conclusion afterlife encounters provide real lasting comfort and hope to

an astounding 97 percent of those loved ones who experience them *Phantasmagoria* Marina Warner, 2006 With over thirty illustrations in color and black and white *Phantasmagoria* takes readers on an intellectually exhilarating tour of ideas of spirit and soul in the modern world illuminating key questions of imagination and cognition Warner tells the unexpected and often disturbing story about shifts in thought about consciousness and the individual person from the first public waxworks portraits at the end of the eighteenth century to stories of hauntings possession and loss of self in modern times She probes the perceived distinctions between fantasy and deception and uncovers a host of spirit forms angels ghosts fairies revenants and zombies that are still actively present in contemporary culture *Signs of the Times* Ray Grasse, 2002-04-01 A unique and extremely interesting examination of both history and the unfolding present as seen through the prism of astrological significance John Anthony West author of *Serpent in the Sky* We may live in astonishing times but they are not incomprehensible when you know how to read the signs Everybody says we re entering the Age of Aquarius but when does it start and how will we know what it looks and feels like Ray Grasse deciphers the signs and correspondences of our nearing Aquarian future using the tools of astrology synchronicity and mythology He draws richly from contemporary religion art politics science even current movies to show how the cultural signs of Aquarius and our likely future are already apparent and changing our world The Aquarian Age will be marked by its intensely mental quality when information will be the driving force of society and the biggest challenges we face will be those of the mind Decentralization will be the order of business either the empowered individual will reign supreme or the collective interests of globalized society will predominate It could be both We are all participants in the global drama and all aspects of our inner and outer lives are bound up with the new Aquarian themes *Signs of the Times* is the authoritative travel guide for the trip into our future don t leave the present without it An attempt firmly anchored in the age old tradition of spiritual symbology to make sense of what often strikes us as utterly chaotic arbitrary and senseless Georg Feuerstein PhD author of *The Yoga Tradition* **Infinite Possibility** Audrey A. Irvine, 2008-07-07 Have you had experiences with telepathy precognition or subtle energies You are not alone These and many other extraordinary abilities have been reported since the earliest days of humankind and hint at an indwelling potential we all share To broaden our understanding of these abilities *Infinite Possibility* compares eight different spiritual traditions and the Scientific paradigm to understand How different cultures understand the extraordinary The range of abilities seen across cultures Where in the hierarchy of consciousness extraordinary abilities occur The methods used to evoke abilities And the risks reported in undertaking the extraordinary Perhaps you are interested in what your particular tradition has contributed to our understanding of the extraordinary Or you may simply enjoy reading about the exploits of saints lamas shaman and intuitives Whatever your reason this exceptional survey of the worlds traditions is guaranteed to deepen your understanding of our infinite human potential
