The Seventh Victim Joanne Spencer, 2011 In the past there have been a series of attacks on white and Asian women in a local neighborhood and the police was under pressure to solve the cases Tyrone Briggs was charged with aggravated assault in the crimes Tyrone Briggs was a 19 year old high school basketball star who at the time of the crimes was living in the Yesler Terrace Since the attacks had all happened in the same area during the same early morning hours they were considered the work of a serial attacker Because of the close proximity of the attacks to the hospital they became known jointly as the Harborview Rape Case Harborview Medical Center was next to a public housing project The Yesler Terrace run by the city Tyrone Briggs had lived in Yesler Terrace with his parents brothers and sister for about a dozen years and was living there at the time of the attacks Hundreds of young black men lived there and the police were picking up those between the ages of fourteen and thirty for questioning A police stakeout was conducted in the neighborhood to try to catch the assailant during this time The general description given by the witnesses most of whom were the victims of the assaults at the time of the attacks describe a man who did not fit the descriptions of Tyrone Briggs and the police officers had no reason to detain him When the trial began the prosecutor seemed adamant that Tyrone Briggs was the attacker of those women The frustrating injustice of the whole case made the Briggs family blood boil Joanne Spencer couldn't imagine how it felt to be Tyrone Briggs star high school basketball player now locked up in prison for something he didn't do *The Seventh Victim* Michael Wood, 2023-05-30 From the bestselling author of the DCI Matilda Darke series comes a standalone thriller that will keep you on the edge of your seat until the very last page Dark twisting and captivating The very essence of the just one more page thriller Will Carver **The 7th Victim** Mary Burton, 2013-03-14 A DARK AND GRIPPING PSYCHOLOGICAL SUSPENSE THAT WILL KEEP YOU UP ALL NIGHT FROM THE NEW YORK TIMES BESTSELLING AUTHOR Kept me enthralled from start to finish 5 Reader Review Will have readers sleeping with the lights on Publishers Weekly A real page turner with twists and turns 5 Reader Review _____ The one who got away is the only one he wants It's been seven years since the Seattle Strangler terrorised the city His victims were all young pretty with their lifeless bodies found wrapped in a white dress But there was one who miraculously escaped death Lara Church has only hazy memories of her long ago attack and she's since managed to rebuild her life in a new city Austin But then she gets some shattering news The Strangler is back And this time he's in Austin _____ A twisted tale I couldn't put it down Lisa Jackson Couldn't stop reading this 5 Reader Review Really enjoyed this book and was unable to put it down 5 Reader Review **Selected Prose** John Ashbery, 2005 Fifty years of writing on literature film and art by one of the most influential poets and critics of our time *Women in Horror Films, 1940s* Gregory William Mank, 2015-09-15 They had more in common than just a scream whether they faced Dracula Frankenstein's Monster the Mummy Dr Jekyll Mr Hyde King Kong the Wolf Man or any of the other legendary Hollywood monsters Some were even monsters themselves such as Elsa Lanchester as the Bride and Gloria Holden

as Dracula's Daughter And while evading the Strangler of the Swamp former Miss America Rosemary La Planche is allowed to rescue her leading man This book provides details about the lives and careers of 21 of these cinematic leading ladies femmes fatales monsters and misfits putting into perspective their contributions to the films and folklore of Hollywood terror and also the sexual harassment exploitation and genuine danger they faced on the job Veteran actress Virginia Christine recalls Universal burying her alive in a backlot swamp in full mummy makeup for the resurrection scene in The Mummy's Curse and how the studio saved that scene for the last day in case she suffocated Filled with anecdotes and recollections many of the entries are based on original interviews and there are numerous old photographs and movie stills Phantom Ladies Tim Snelson, 2014-11-15 Defying industry logic and gender expectations women started flocking to see horror films in the early 1940s The departure of the young male audience and the surprise success of the film Cat People convinced studios that there was an untapped female audience for horror movies and they adjusted their production and marketing strategies accordingly Phantom Ladies reveals the untold story of how the Hollywood horror film changed dramatically in the early 1940s including both female heroines and female monsters while incorporating elements of women's genres like the gothic mystery Drawing from a wealth of newly unearthed archival material from production records to audience surveys Tim Snelson challenges long held assumptions about gender and horror film viewership Examining a wide range of classic horror movies Snelson offers us a new appreciation of how dynamic this genre could be as it underwent seismic shifts in a matter of months Phantom Ladies therefore not only includes horror films made in the early 1940s but also those produced immediately after the war ended films in which the female monster was replaced by neurotic psychotic or hysterical women who could be cured and domesticated Phantom Ladies is a spine tingling eye opening read about gender and horror and the complex relationship between industry and audiences in the classical Hollywood era *Monsters in the Closet* Harry M. Benshoff, 1997-11-15 Monster in the Closet is a history of the horror film that explores the genre's relationship to the social and cultural history of homosexuality in America Drawing on a wide variety of films and primary source materials including censorship files critical reviews promotional materials fanzines men's magazines and popular news weeklies the book examines the historical figure of the movie monster in relation to various medical psychological religious and social models of homosexuality While recent work within gay and lesbian studies has explored how the genetic tropes of the horror film intersect with popular culture's understanding of queerness this is the first book to examine how the concept of the monster queer has evolved from era to era From the gay and lesbian sensibilities encoded into the form and content of the classical Hollywood horror film to recent films which play upon AIDS related fears Monster in the Closet examines how the horror film started and continues to demonize or quite literally monsterize queer sexuality and what the pleasures and costs of such representations might be both for individual spectators and culture at large *Fearing the Dark* Edmund G. Bansak, 2003-10-09 Cat People 1942 and I Walked with a Zombie 1943 established Val Lewton's hauntingly graceful style

where suggestion was often used in place of explicit violence His stylish B thrillers were imitated by a generation of filmmakers such as Richard Wallace William Castle and even Walt Disney in his animated Adventures of Ichabod and Mr Toad 1949 Through interviews with many of Lewton s associates including his wife and son and extensive research his life and output are thoroughly examined

Hearths of Darkness Tony Williams,2014-11-27 Hearths of Darkness The Family in the American Horror Film traces the origins of the 1970s family horror subgenre to certain aspects of American culture and classical Hollywood cinema Far from being an ephemeral and short lived genre horror actually relates to many facets of American history from its beginnings to the present day Individual chapters examine aspects of the genre its roots in the Universal horror films of the 1930s the Val Lewton RKO unit of the 1940s and the crucial role of Alfred Hitchcock as the father of the modern American horror film Subsequent chapters investigate the key works of the 1970s by directors such as Larry Cohen George A Romero Brian De Palma Wes Craven and Tobe Hooper revealing the distinctive nature of films such as Bone It s Alive God Told Me To Carrie The Exorcist Exorcist 2 The Texas Chainsaw Massacre as well as the contributions of such writers as Stephen King Williams also studies the slasher films of the 1980s and 1990s such as the Friday the 13th series Halloween the remake of The Texas Chainsaw Massacre and Nightmare on Elm Street exploring their failure to improve on the radical achievements of the films of the 1970s After covering some post 1970s films such as The Shining the book concludes with a new postscript examining neglected films of the twentieth and early twenty first century Despite the overall decline in the American horror film Williams determines that far from being dead the family horror film is still with us Elements of family horror even appear in modern television series such as The Sopranos This updated edition also includes a new introduction
