Sex, Gender, and Intimacy Diane Beeson, Carl Stempel, 1999-06-01 *Study Guide for Sex, Gender, & Intimacy* Diane Beeson, 1999 Selected Readings in Marriage and Family Lorene H. Stone, 1999 This book is a collection of readings that reflect the various opinions that exist in our society concerning marriage and family diversity

The Kaleidoscope of Gender Catherine G. Valentine, Mary Nell Trautner, Joan Z. Spade, 2019-03-07 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop The Kaleidoscope of Gender Prisms Patterns and Possibilities provides an accessible timely and stimulating overview of the cutting edge literature and theoretical frameworks in sociology and related fields in order to understand the social construction of gender The kaleidoscope metaphor and its three themes prisms patterns and possibilities unify topic areas throughout the book By focusing on the prisms through which gender is shaped the patterns which gender takes and the possibilities for social change the reader gains a deeper understanding of ourselves and our relationships with others both locally and globally Editors Catherine Valentine Mary Nell Trautner and the work of Joan Spade focus on the paradigms and approaches to gender studies that are constantly changing and evolving The Sixth Edition includes incorporation of increased emphasis on global perspectives updated contemporary social movements such as BlackLivesMatter and MeToo and an updated focus on gendered violence The Bible, Gender, and Sexuality: Critical Readings Lynn R. Huber, Rhiannon Graybill, 2020-10-01 This volume collects both classic and cutting edge readings related to gender sex sexuality and the Bible Engaging the Hebrew Bible New Testament and surrounding texts and worlds Rhiannon Graybill and Lynn R Huber have amassed a selection of essays that reflects a wide range of perspectives and approaches towards gender and sexuality Presented in three distinct parts the collection begins with an examination of gender in and around biblical contexts before moving to discussing sex and sexualities and finally critiques of gender and sexuality Each reading is introduced by the editors in order to situate it in its broader scholarly context and each section culminates in an annotated list of further readings to point researchers towards other engagements with these key themes

Power and Intimacy in the Christian Philippines Fenella Cannell, 1999-03-18 What kind of reciprocity exists between unequal partners How can a culture which makes no attempt to defend unchanging traditions be understood as such In the Christian Philippines inequalities global and local are negotiated through idioms of persuasion reluctance and pity Fenella Cannell's study suggests that these are the idioms of a culture which does not need to represent itself as immutable Her account of Philippine spirit mediumship Catholicism transvestite beauty contests and marriage in Bicol calls for a reassessment of our understanding of South East Asian modernity Combining a strong theoretical interest in the anthropology of religion with a broader comparative attention to recent developments in South East Asian studies she offers a powerful alternative to existing interpretations of the relationship between culture and tradition in the region and beyond

This book addresses not only South East Asianists but all those with an interest in the anthropology of religion and post colonial cultures Power and Intimacy in the Christian Phillipines has won the Harry J Benda prize for 2001 *Linking Sexuality and Gender* Tracy J. Trothen,2006-01-01 Why did it take so long for the United Church of Canada to respond to violence against women Tracy J Trothen looks at the United Church as a uniquely Canadian institution and explores how it has approached gender and sexuality issues She argues that how the Church deals with these issues influences its ability to name violence against women In examining the Church s early approaches to gender and sexuality Tracy J Trothen discovered that the United Church had tended to see certain structures or roles as sacred and others as demonic For example while sex outside marriage was bad or improper sexual expression within marriage was largely deemed as proper or good no matter what manifestation it took This assumption allowed much violence within families and marriages to go unchallenged Trothen uncovers significant shifts in this approach through the examination of such issues as redemptive homes marriage pornography abortion the ordination of women and family Then analyzing three recent case studies she demonstrates the value of women s voices in challenging dominant world views Finally she suggests how the Church s approach to human sexuality and gender has facilitated or obstructed the move to address violence against women The findings in *Linking Sexuality and Gender* can be applied to faiths outside the United Church and will be important to anyone interested in church and society sexuality gender or the causal dynamics behind one Canadian institution s response to violence against women Tracy J Trothen is an assistant professor of systematic theology and ethics and director of field education at Queen s Theological College Queen s University Canada She was ordained in the United Church of Canada Why did it take so long for the United Church of Canada to respond to violence against women *Reading and Writing for Civic Literacy* Donald Lazere,2017-07-05 Lazere s book is heaven sent and will provide a crucial link in the chain of understanding how conflicts are structured and most importantly how they can be rationally addressed a healthy antidote to the scepticism that has become so pervasive in academic life Alan Hausman Hunter College This innovative book addresses the need for college students to develop critical reading writing and thinking skills for self defence in the contentious arena of American civic rhetoric In a groundbreaking reconception of composition theory it presents a comprehensive critical perspective on American public discourse and practical methods for its analysis Exercises following the text sections and readings help students understand the ideological positions and rhetorical patterns that underlie opposing viewpoints in current controversies such as the growing inequality of wealth in America and its impact on the finances of college students as expressed in paired sets of readings from the political left and right Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis *Psychology of Gender* Vicki S. Helgeson,2016-07-07 Noted for its fair and equal coverage of men and women this book reviews the research and issues surrounding gender from multiple perspectives

including psychology sociology anthropology and public health with an emphasis on the interaction between biological and social theories The implications of social roles status and gender related traits on relationships and health that are central to students daily lives are emphasized throughout Students learn how to distinguish the similarities and differences between the sexes and the theories that explain the differences Methodological flaws that may impact the observance of sex differences are also examined Learning activities and pedagogical tools included in the text Do Gender exercises which provide an opportunity to test hypotheses and explore data Sidebars on special interest topics and numerous visuals that bring the studies to life Take Home Points that summarize key concepts in bulleted format Boldfaced key terms and definitions chapter summaries discussion questions and suggested readings which help students review the material New to the 5th Edition Expanded sections on cohabitation homosexuality online relationships social media influences single sex classrooms sex differences in math abilities and gender implications of divorce on health Expanded coverage of gender and parenting gender and the workplace gender and power and balancing work and family An expanded intersectional approach that highlights how gender is connected to social class race and ethnicity including more coverage of gender system justification theory Coverage of transgender issues including recent changes in the DSM guidelines Streamlined discussions to further engage students to think about gender issues A companion website at www.routledge.com/cw/Helgeson where instructors will find Power Point slides multiple choice quizzes and short answer questions with suggested answers for each chapter and students will find flashcards of key terms chapter outlines and links to related websites and further reading Divided into three parts each section builds on the previous one First gender and the development of gender roles across cultures are introduced Scientific methods used to study gender attitudes toward gender and the latest data and theories on sex differences in cognitive social and emotional domains are then introduced Theories of gender role development including evolutionary social learning social role and gender schema theories are reviewed along with the implications of gender on achievement Part one reviews the key information on the similarities and differences between the sexes and the theories that explain the differences which lay the foundation for the remainder of the book Part two examines the role of gender in relationships including communication styles and the impact of these interactions on friendship and romantic relationships The third part examines the role of gender on physical and mental health The effects of marriage and parenting on health are reviewed including domestic abuse along with how gender affects the association between work and health This is an ideal text for upper level gender focused courses including the psychology of gender psychology of women or men gender issues and gender women s or men s studies taught in psychology women s studies gender studies sociology and anthropology
