*Marriage - Constancy and Change in Togetherness* Aldegondé Brenninkmeijer-Werhahn, 2017 Partners develop and change during their shared path through life. Some things abide while others are subject to change. Precisely because not everything remains as it was at the beginning, changes can also be understood as creative possibilities for common growth. This book seeks to show how married couples are challenged to give each other support and also to help each other in this process of growth. In this Album amicorum three thematic areas are taken up. These constitute the basis of five decades of shared life and the wisdom of marital love finds expression in them: theology and spirituality, questions about bioethics and the Jewish-Christian dialogue. Aldegondé Brenninkmeijer Werhahn is the founder and director of the International Academy for Marital Spirituality INTAMS founded in 1989 in Brussels. Together with her husband Hubert Brenninkmeijer she also founded the Centre for the Study of Christianity at the Hebrew University of Jerusalem 2000 and the Cardinal Bea Center for Judaic Studies at the Pontifical Gregorian University in Rome 2001. Anst e zur interdisziplinären Verst ndigung Vol 15 Subject Religious Studies Where Peace Walks in a Tight Rope Francis Brainfloss, 2012-11-13 The next night she went to another bar that has live bands. She had no luck but didn't want to give up yet. She can't get him off her mind. That gaunt face, dark hair and the dreamy eyes that was shadowed by his eyebrows. Oh that handsome face. Deborah thought with desire. She did not care that she was looking for him everywhere and she was a woman, the guy was a hero and he saved her life. There's something poetic about him. Deborah bet he is a very good and romantic man. Deborah moves on her chair. Are you okay honey? asked her father William Cunningham. Yes, dad. came her reply still with a faraway look. You must be thinking of Clide, huh? William leaned closer from across the table. He really sounded sincere. I think he was close to tears when he talked to me. I don't know, dad. Deborah said with a dismissive sight. But listen, dad. Deborah said more firmly. I need time to think. I hope you understand. Okay, said William with resignation. I understand. You're mad at him. It takes time to get over what he's done. I'm just worried that you won't get married. I mean you're past the marrying age already. Three years from now you're going to be thirty. I know that, dad. said Deborah, burdened by having to say it again. And I thought that Clide was the one, but he just betrayed my trust. You know how I am about trust. Deborah wished she could leave now and be somewhere where she would be left with her thoughts and fantasize about that mysterious man. She felt a stirring in her groin every time she thinks of him. God, when am I going to find him? Deborah

desperately wanted some hope just so she could go on Then she d find him and thank him or something Don t joke yourself Deborah you want more than that Deborah smiled What s that smile all about William asked Deborah felt herself blush Nothing dad she said quickly Listen I have a lot to do in the office Honey are you even listening to what I said     *The Significance of One* Steve Vanzant,2011-07-28 Filled with dramatic true life tragedies you are immediately submerged into the fatal world of car accidents suicides a train wreck and the aftermath of traumatic experiences Can one person make a significant difference in the midst of human suffering Can one person change the outcome of a personal tragedy Author Steve Vanzant says Yes As chaplain for a fire department he is one of the first responders to scenes that would horrify and sicken even the strongest Hold on tight as you ride with sirens blaring into areas that you hope you only read about during your lifetime Sit still and listen carefully as you hear the heartache and see the tears that death and destruction bring One person is significant you can be the one who helps others through tough times changing them and the world in the process Just sitting beside someone in pain listening to a suffering friend or opening your heart to hear God s voice makes a positive difference even an eternal difference     *Theology on the Border* Daniela Lucia Rapisarda,2024-12-10 Focusing on the Mediterranean this book offers a theological hermeneutics from the perspective of the margin border and a theological hermeneutics of the border At the core is a case study of the Italian Protestant minority and its engagement with issues of migration While much of current migration theology is built around the principle of sacralization of the migrant person or vertical association between divinity God or Jesus and people on the move this work offers a horizontal perspective on humanization or recognition of the value of every human being based on the principle of a shared humanity created in God s image and a sense of identification first by people at the margins This approach seeks to avoid essentializing migrantness and victimhood Elaborations on the relation between identity and migration are often sustained by exclusionary logics that lead to repressive policies The book proposes a contextual theological reflection on minority identity that is at its core inclusive It offers a contribution to theology beyond confessional borders and is open to dialogue with other disciplines particularly critical border studies     **Reflections** Gerald Raulston,2020-11-13 Writing this book has been a very fulfilling experience The items you read will perhaps give you a reason to pause and reflect on different times in your past and things you have experienced Reflections is the name of this book I chose reflections for a specific reason As you read this book some items may give you reason to reflect back in time Take your time as you read and think of times past Life is a great teacher At times we need to look to our past to learn from our mistakes as well as the victories we have accomplished We are never too old to learn to listen before we speak to forgive rather than judge and to show compassion and understanding As a wise man once told me You cannot go forward in life if you spend all your time looking back I will leave you with this thought Reflect learn and live life to the fullest
