Treatise on the Love of God St. Francis de Sales, 2013-08-20 *Treatise on the Love of God* is a manual intended to help believers strengthen their devotion to God De Sales describes his project by saying it is truly my intention to represent simply and na vely without art still more without false colours the history of the birth progress decay operations properties advantages and excellences of divine love The *Treatise* is divided into twelve books The first four books explain the nature of the human soul and provide the history of divine love Book Five explores the two principle exercises of love namely sacred complacency and benevolence Books Six and Seven discuss the importance of practicing love through prayer while Books Eight and Nine express the importance of submitting to God's will The final three books are devoted to exploring the practical importance of God's holy love in our lives De Sales *Treatise* is a captivating depiction of love **Selected Odes of Horace** Horace, 1886 *Selected odes of Horace, with notes by E.C. Wickham. [In 1 vol.]* Horace, Quintus Horatius Flaccus, 1886 *Love-life in Nature* Wilhelm Bölsche, 1926 **A New Vibration** Kiran Shashi, 2020-05-05 For so long we have all been living from our perspective in a vibrational energy field that is predominately driven by fear Only some of us manage to rise above it while others continue to stay anchored A new Vibration is present now Only some seem sensitive to it it is a pure vibration of infinite love This vibration has no place for fear I always remember an old quote Whoever fears will die so true for the ones that give their power away Our belief system has been programmed into us from day one through our family and society We let ourselves be bombarded daily by what we are led to believe is news or essential We need to create our own beliefs and cut ties to the controlled perception A new vibration awaits the person seeking the truth and who walks their unique path We are all individual droplets in this ocean of love When we all connect we become the whole ocean but each one of us has a path to follow Lessons need to be learned and that can't happen when you are living a lie It's essential if working with a teacher that you are not misled by do as I say and you will get the same results it does not apply from a

spiritual perspective We are all spiritual beings living a human existence and there are differences in each one of us Although our 3D dimension has basic rules the spirit will get in the way of those rules Our differences are unique and they are the key to the rising The choice is simple Fear or Love Move away from the things that cause fear and move towards those that create love Fear will keep you attached to one level of perception and love will raise you to another Where do you really want to be What do you want your world to look like Choose between the two parallels and remember you create your reality By always acting for the good of the universe and in line with the higher vibration you will see that the Universe will always have your back
