Halverson, 2025-06-20 When do we feel most alive It s when something or someone grabs our attention and causes us to live with a passion for those things that are outside us Think of falling in love or living for a cause That s what fearing God does It causes us to come alive by grabbing our attention and focusing us on the God who loves us Fearing God is not the same as being afraid of God Instead fearing God is being overwhelmed by the infinite loving dangerous God and being fulfilled by that fear Finding fulfillment by fearing God challenges the popular belief that we will be most fulfilled when we follow our hearts Read this book with a heart that is open to being transformed Life of the Rev.
