rewrite the traditions of the Western the biblical story of Sarah and Abraham and the legend of Daniel Boone Her more recent plays including *Trudy Blue* 140 and *Last Dance* acknowledge the limitations of romantic relationships while her forays into musical theater and television including scripts for such programs as *Law and Order Criminal Intent* and the Peabody winning HBO series *In Treatment* signal a dramatist who is ever willing to take risks and venture into new genres At her best when writing about interesting and troubled women and their relationships with each other Norman has received much less critical attention than male contemporaries such as Sam Shepard and David Mamet This engaging and edifying book helps rectify that disparity
