Astral Odyssey Carol Eby,2002-03-01 Astral travel what is it and how does it fit in our lives Eby explains the differences

and similarities between astral projection out of body experiences OBEs ordinary dreams creative inspiration mental projection and clairvoyance With OBEs defined and placed in the context of consciousness continuum these various states of awareness can provide entryways to alternate realities Astral Odyssey guides us through the pathways of consciousness that lead to the invisible worlds around us giving step by step procedures on how to do actual voluntary conscious astral projection But Eby does more than just teach astral travel she provides instructions for attaining all the necessary states of consciousness tells how each may be used to derive valuable benefits in daily life such as improved psychological balance solutions to problems increased creativity and enhanced powers of extrasensory perception Included are never before published examples of OBEs and an OBE diary that describes in vivid detail the sights sounds sensations and thoughts associated with actual visits to the astral plane We discover that astral travel allows a new perspective of both the universe and the role that human experience plays in it With this first hand knowledge of the existence of nonphysical worlds and their entities physical life can become more meaningful creative and joyful *Bending the Binary* Deborah Lipp, 2023-02-08 A Groundbreaking New Perspective on Polarity Magic Break polarity free from outmoded ideas of gender and heteronormativity while still celebrating its energy This pioneering book explores polarity from many angles examining its evolution throughout history why it s important in the occult and how it relates to identity and sexual orientation Deborah Lipp shows you what it means to both include polarity magic and be inclusive *Bending the Binary* adds depth and nuance to polar concepts in magic such as day and night male and female self and other Deborah offers a third perspective on these opposites inviting you to explore the space between them through rituals journal prompts and detailed research She also teaches how to incorporate binary bending practices into your personal magical system This book encourages everyone to expand their perceptions and strengthen their magic **The Challenge of Religion after Modernity** Raymond L. M. Lee, Susan E. Ackerman, 2018-05-08 This title was first published in 2003 If God has departed as Baudrillard claims is religion still relevant A new religious landscape is appearing in the new millennium The middle classes with their electronic technologies are producing a culture of commodified images and signs that is radically transforming the religious landscape and re enchanting the world Ecstatic experiences pervade the reenchanting world Both fundamentalism and the New Age movement promote the free flow of charisma reshaping religion in unforeseen directions Analysing the crisis of modernity this book delves into the intricacies of these movements to examine the implications of religious change in the new millennium The authors provide an incisive assessment of religious change in the West and Asia to suggest an eclecticism in re enchantment that will usher in new ideas about charisma consciousness and spirituality These ideas focus on new forms of shamanism that point the way to experiences of empowerment beyond the structures of disenchantment **My Lucid Dreaming Way** Sinan Beratli, 2019-11-15 The author of this book researched heavily into lucid dreaming Ever since he picked up a book on astral projection which mentioned lucid dreaming the subject fascinated him to such a degree that he

has read nearly every book on Amazon He continues to research in this field as his personal method continues to evolve and he tries and tests new techniques that he finds Not only does he share what has worked for him but he also leaves the reader the freedom to expand in their own way The author gives a foundation that the individual can expand from Not only this he understands that lucid dreaming is the essential practice that is practised in all religions and spiritual movements He has also had training from experts in the field such as Charlie Morley Ryan Hurd and Chris Hammond
