Samaan, 2020-11-09 Nazism remains an enigma Historians do not know whether to slot Nazism as a phenomenon of the political right or left largely because of a misunderstanding of how central eugenics was to the regime Eugenics or racial hygiene was at the core of National Socialism s domestic policy foreign policy culture wars and even Hitler s obsession with cars highways and city planning Thus no coherent understanding of the regime is possible without first grasping the nature of eugenics Eugenics did not originate with Nazi Germany It was the culmination of a worldwide movement that was widely accepted by the global scientific and academic community This book traces the origins of the Nazi eugenics state working backward down the timeline tracing from leaf down to the root We investigate this 100 year trajectory from its beginnings in British and American Academia delving into the conveniently forgotten inner workings of a scientific era uncovering previously unpublished manuscripts professional correspondence and conveniently forgotten publications With the centenary of The Holocaust looming uprooting the web of professional connections that engendered this movement is in order The seeds of Holocaust denial take root and prosper with misinformation Clarity and transparency are imperative as they leave no room for denial theories that would deprive the victims of justice or rob the living of a future FOR MORE INFORMATION ON THE EUGENICS ANTHOLOGY BOOK SERIES PLEASE VISIT <https://EugenicsAnthology.com> FOR MORE INFORMATION ON THIS SPECIFIC VOLUME PLEASE VISIT <https://RaceOfMasters.com> NOTE A preliminary version of this book was circulated amongst academic circles and other interested parties as an Advanced Readers Copy A R C in 2015 This version is a part the Eugenics Anthology seven book series that is currently being completed by A E Samaan Hardbound versions of the books will not be released until the series is complete and all the puzzle pieces in place **Proceedings** Society for Psychical Research, 1927 **Bulletin of the John Rylands Library** John Rylands Library, 1967 Collected Writings Helena Petrovna Blavatsky, 1950 The definitive edition of HPB s writings in 15 volumes Volume 7 is from 1886 to 1887 and includes articles such as Have Animals Souls The Theosophical Mahatmas Ancient Magic and Modern Science Theories about Reincarnation and Spirits The Original Programme of the Theosophical Society **Collected Writings: 1886-1887 (1st**

ed., 1958) Helena Petrovna Blavatsky, 1958 British Union-catalogue of Periodicals James Douglas Stewart, 1968 **The Masks of Lucifer** David Morris, 1992 This book examines ufology and belief in extra terrestrials as a cultural phenomenon The author examines how 19th century occultism particularly theosophy has been revitalized under the guise of scientific speculation and captured the popular imagination Unexplained or mysterious phenomenon such as UFOs alien visitors crop circles and the evidence for the astronaut gods theory are habitually interpreted by those who claim to have witnessed them in scientific terms a fact that the author believes can be explained partly by tensions and anxieties within society caused by political social and technological change **Pantheistic Theosophy is irreconcilable with Roman Catholicism** Helena Petrovna Blavatsky, 2020-11-13 Part 1 Abbe Roca s ecclesiastical views upon the Esotericism of Christian Dogma Part 2 Madame Blavatsky refutes the Word made flesh of the Catholic Church Christian texts are allegories to the archaic mysteries of the Cycle of Initiation and keys to the once universal mystery language When esoterically interpreted they reveal their fundamental identify with the same Universal Truths By imposing the dogma of the Word made flesh the Latin Church is diametrically opposed to the tenets of Eastern Occultism thus maintaining an abyss between East and West as long as neither yields an inch Today s Christians are the usurpers of a name they no longer understand By denying the Divine Logos to any other man except Jesus of Nazareth the Churches carnalised the Christos of the Gnostics and that alone prevents them having any point in common with the disciples of the Archaic Wisdom The Church of Rome was Gnostic just as much as the Marcionites were until the middle of the second century Further evidence that Rome has wandered farthest from the real religion of the mystical Christ is that it adopted the solar tonsure proper to the Egyptian priests of the public temples and to the lamas and bonzes of the popular Buddhist cult No sacrificial victim can be united with Christ triumphant before passing through the stage of the suffering Christ who was put to death on the cross of his passions It is the light of the glorious Christ Spirit that directs the modern Theosophical movement The Astronomical Christ can have only one anniversary of birth and resurrection in years because his parents are the Sun and the Moon the heavenly bodies that accompany the Man crucified in Space Paul had been converted not to the Jesus of Nazareth but to the Christos of the Gnostics In his Epistles he has been made to fulminate against the heretics Peter James and the other Apostles The sacred fire which Prometheus stole from the gods is the flame of self consciousness the spark that quickened the human mind The supposed theft of the sexual flame is the outcome of evolution of which the Darwinian theory is but the rough exterior husk on the material plane Since men had discovered the secret of physical creation and were procreating in their turn what was the use of god creators The true Christ is the glorious Ego triumphant over the flesh We solemnly reject the dogma of Ascension which degrades the great mystery of Universal Unity Mysteries were invented by those who are bent on exercising power in order to manipulate the ignorant by arrogating the prerogative of gods Did you know that the mysteries of the Catholic Church are those of the Brahmanas though under other names Part 3 Abbe Roca counter responds to Madame Blavatsky s observations Part 4

Madame Blavatsky debunks Abbe Roca's mistaken notions concerning her observations. The Abb has consigned the theological Christ to the background and has not breathed a word about the esoteric Christos. Moreover, he bears me a grudge for having displayed what he pleases to call such erudition. He deceives himself in fancying he understands Buddhism, but he does not know it even exoterically any more than Hinduism, even in its popular form. Theosophy is neither Buddhism, Christianity, Judaism, Mohammedanism, Hinduism, nor any other ism; it is the esoteric synthesis of the world's religions, philosophies, and sciences. Abb Roca has fabricated for himself a Christianity of his own. Our Masters are far too great to bedizen themselves with the peacock's feathers of infallibility. The puff of wind which knocks down a house of cards may easily pass for a heavy squall in the eyes of the architect who built it, but if the Abb lays the blame on the puff rather than on the weakness of his edifice, this is certainly not my fault. The homage he renders to the wisdom of our Masters instead of intoxicating me by its heady fumes, as he alleges it made me feel an even deeper mistrust of his motives. A divine Christ has never existed under a human form outside the imagination of blasphemers who have carnalised a universal and wholly impersonal principle. The Man God of the Christians was never a historical person. He is a deified personification of the glorified type of the great Hierophants of the Temples, and his story as told in the New Testament is a mere allegory, assuredly containing profound esoteric truths, but still an allegory. Matthew's strait is the gate, and narrow is the way, applies neither to the Abb nor to his faith. In his Church, the way and the gate to heaven become wider in proportion to the sums paid by the faithful. The Churches which style themselves Christian are nothing but whitened sepulchres filled with the dead bones of esoteric paganism and moral putrefaction. It is infinitely more difficult, more meritorious, and more godlike to live for the love of whether man or an ideal than to die for it. We have thus shown to the Abb what we Occultists know, as opposed to what some Fathers of the Church believed they knew. Not only he deceives himself, he is hopelessly optimistic. Though I amply elaborated upon the real Christ, i.e. the impersonal pre-Christian Logos, Abb Roca keeps reverting back to the ecclesiastical and dogmatic Christ of his Church.

Part 5: Abbe Roca's final response annotated by Madame Blavatsky.
Part 6: Fearless Roca was finally defrocked for coquetting too openly with Theosophy. Alas, his glorious dream of a reconciliation between Pantheistic Theosophy and a Socialistic Latin Church under a Caesaro-Papal head came to an abrupt end. *The National Union Catalog, Pre-1956 Imprints*, 1968. **Lucifer** H. P. Blavatsky, Annie Besant, 2014-03. This is a new release of the original 1890 edition. *Historic Magazine and Notes and Queries*, 1897. List of bibliographies and trans in v 1 12.
