**Allgemeines Künstlerlexikon Bio-bibliographischer Index A-Z** , 2000 Illustrated History of Canada Robert Craig Brown, 2012 More than ever The Illustrated History of Canada is a must have reference guide for all Canadians interested in the history and the future of our country pub desc Treasures of the National Gallery of Canada National Gallery of Canada. Ottawa, National Gallery of Canada, Musée des beaux-arts du Canada (Ottawa, Ont.), David Franklin, 2003-01-01 This handsomely produced volume featuring 128 full page color illustrations showcases a wide ranging selection of the most outstanding works from Canada's largest art museum Each of the pieces chosen for inclusion is introduced by a curatorial

specialist who sets it in its historical context and comments on its meaning and its place in the artist's oeuvre. Pride of place is given to the Gallery's unparalleled holdings in Canadian art but European art paintings sculptures prints and drawings is equally well represented. Masterworks from the Inuit art collection are also included as well as examples from the Gallery's small but distinguished Asian collection. In recent decades photographs have become an increasingly important part of the Gallery's collecting mandate both through its own collection and that of its affiliate the Canadian Museum of Contemporary Photography and this emphasis too is amply reflected here.

**A Few Acres of Snow** Paul Simpson-Housley, Glen Norcliffe, 1992-09-01 In 1759 Voltaire in *Candide* referred to Canada as quelques arpents de neige. For several centuries the image prevailed and was the one most frequently used by poets writers and illustrators. Canada was perceived and portrayed as a cold hard and unforgiving land this was not a land for the fainthearted. Canada has yielded its wealth only reluctantly while periodically threatening life itself with its displays of fury. Discovering its beauty and hidden resources requires patience and perseverance. *A Few Acres of Snow* is a collection of twenty two essays that explore from the geographer's perspective how poets artists and writers have addressed the physical essence of Canada both landscape and cityscape. Sense of place is clearly critical in the works examined in this volume. Included among the book's many subjects are Hugh MacLennan Gabrielle Roy Lucius O'Brien the art of the Inuit Lawren Harris Malcolm Lowry C.W. Jefferys L.M. Montgomery Elizabeth Bishop Marmaduke Matthews Antonine Maillet and the poetry of Japanese Canadians.

*Light for a Cold Land* Peter Larisey, 1993-01-10 Lawren Stewart Harris' artistic career began in the first decade of our century. Well known for the nationalist inspired landscapes that he painted between 1908 and 1932 Harris turned resolutely in 1934 to the painting of abstractions. He continued to create works that reflected his own modernist and mystical developments until the end of his life. Canadians praise Harris' landscapes and admire him as a planner of innovative and heroic sounding sketching trips into the North. He is also recognized as the chief organizer of the Group of Seven. A long list of younger artists he considered creative greatly benefited from Harris' encouragement and often generous practical help. Many of them have been interviewed for this book. In the lives of some Canadians Harris still functions as a guru-like guide. A role he was quite content to take on during his own lifetime because of the spiritual content of his art and aesthetic writings and the example of his optimistic vigorous and apparently untroubled life. But Harris was not an untroubled life and *Light for a Cold Land* examines his personal crises and difficulties some of which caused important changes in his art. The book also uncovers the painting styles artistic tensions and cultural dynamics of the German milieu in which Harris received his only formal art education. His student years in Berlin profoundly influenced not only his art but also his artistic politics and his philosophy. It is ironic that in the art of this most articulate of Canadian nationalist painters there are extensive German influences. *Light for a Cold Land* is the first art historical study of Lawren Harris that attempts to explore his life and all aspects of his career. It is based on extensive work in archives libraries public art galleries and private collections in Canada as well as research in Germany and

interviews with members of Harris family and many of his friends acquaintances colleagues and critics      *O Kanada*
