Called to the Front Donald E. Carter Jr., 2010-11-18 My life took a sudden unexpected change on June 10 2002 For this event to occur at that time on that day at that moment in my life just didn't seem like the right thing to be happening But it is from that experience I was able to glean the title of this book Called To The Front You too have been Called To The Front Whatever is opposing you right now probably seems to be great and overwhelming You may be wondering if you can prevail against this challenge My words to you today are Be encouraged I invite you to walk with me through the word of God as he speaks in Ephesians 6 10 18 You will discover that where you are right now is not by accident The front you are on is of God's choosing He has called you prepared you and placed His confidence in you God has equipped you with armor a belt of truth a breastplate of righteousness shoes in preparation to proclaim the Gospel a shield of faith a helmet of salvation and the sword of the spirit his word Along with these armaments comes the battle plan for combat through prayer Greater still God has already clinched your victory Subversive Meals Streett R Alan, 2016-11-24 In Subversive Meals Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why

understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE. Subversive Meals analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a deipnon and a symposium the latter being the time when anti-resistance discussions would take place. Streett examines several aspects of the history, context, and theological significance of the Lord's Supper. He discusses such topics as the identification of Passover as an anti-imperial meal against the Pharaoh's rule, the Roman domination system, the meal practices of Jesus, the eschatological meaning of the Last Supper, the practice of this anti-imperial work ethic in the early church, and the gift of prophecy as a symposium activity. By seeing the Lord's Supper as a political act, readers will be able to study Scriptural passages more closely and precisely.
