Adventures of an Artisan Hunter David Brian Plummer,2000-10 Account of Plummer s development as a hunter from boyhood exploits with lurcher and terrier to adulthood with many interesting digressions Includes chapters on cock fighting and bird catching cooking and eating badgers foxes and rats hawks and hawking Although Plummer often comes across as bonkers many of his apparently eccentric actions such as badger eating or covering himself with a concoction of badger grease and herbs were experiments to establish the plausibility of claims made by other writers Being perpetually surrounded by people incapable of sharing this pioneering spirit of enquiry seems the source of his restlessness and the driving force behind the hundreds of books he wrote in his lifetime This is not to say that Plummer did not have deep problems as he himself describes in Hancock s *My Life with Lurchers* *Rogues and Running Dogs* David Brian Plummer,1997-12 Plummer s reminiscences of his early lurchers and the men that bred them of poaching coursing and dog fighting with his views on the different crosses used in breeding lurchers An excellent book about lurchers and their raffish owners *Shooting Times* *Diary of a Hunter* David Brian Plummer,2002-03 an entertaining and unusual record of a year s activities with a pack of Jack Russell terriers half a dozen lurchers as many ferrets and a varied cast of human characters Terrier lurcher and ferret breeding lots of rat hunting as well as rabbiting a bit of falconry and much else besides Also includes an inside account of the television documentary which was made about the author *Rat Hunting Man* Lepus David Brian Plummer,2000-10 **Merle** David Brian Plummer,2000-08 The background breeding and life of Plummer s most famous lurcher Omega David Brian Plummer,2002-03 The story of Plummer s most famous Jack Russell bitch Tales from the Field Penny Taylor,2012 My life revolves around my lurchers and terriers and the work they do in the field This book is a compilation of hunting tales about the dogs to whom I owe so much it recalls events which took place before the ban as well as those of more recent years It examines the close relationship I have with my dogs their successes and failures and the disasters which sometimes befall those who try their utmost each and every time they pursue their quarry This book is dedicated to working dogs the world over **The Working Bedlington** John Glover,1999-03 *The Traveller-Gypsies* Judith Okely,1983-02-24 The first monograph to be published on Gypsies in Britain using the perspective of social
